The Noteholders waive any right of set-off, compensation and retention in relation to the Notes, to the extent permitted by law.

Submission to jurisdiction :

Any claim against the Issuer shall exclusively be brought before the competent courts of Paris (*tribunaux de Paris*, France).

Ranking :

The Notes, including where applicable any related Coupons, will constitute direct, unconditional, unsecured and unsubordinated obligations of the Issuer ranking as senior preferred within the meaning of Article L.613-30-3-I 3° of the French *Code monétaire et financier* and will rank at least *pari passu* with all other outstanding direct, unconditional, unsecured and unsubordinated and senior preferred obligations (**the "Senior Preferred Notes"**) of the Issuer, present and future. In case of resolutions pursuant to Directive 2014/59/UE in relation to the Issuer liabilities, the Notes may be subject to the reduction of all, or a portion, of the amounts due, on a permanent basis, a conversion of all, or a portion, of the amounts due into shares or other securities of the Issuer or another person; cancellation; and/or the amendment on maturity of the Notes or amendment on the calendar or the amount of the interests.

RESTRICTIONS ON THE FREE TRANSFERABILITY OF THE SECURITIES

Not Applicable. There is no restriction on the free transferability of the Notes, subject to selling and transfer restrictions which may apply in certain jurisdictions including restrictions applicable to the offer and sale to, or for the account or benefit of, persons other than Permitted Transferees.

A Permitted Transferee means any person who (i) is not a U.S. person as defined pursuant to Regulation S (ii) is not a person who comes within any definition of U.S. person for the purposes of the CEA or any CFTC Rule, guidance or order proposed or issued under the CEA (for the avoidance of doubt, any person who is not a "Non-United States person" defined under CFTC Rule 4.7(a)(1)(iv), but excluding, for purposes of subsection (D) thereof, the exception for any qualified eligible person who is not a "Non-United States person," shall be

considered a U.S. person); and (iii) is not a "U.S. Person" for purposes of the final rules implementing the credit risk retention requirements of Section 15G of the U.S. Securities Exchange Act of 1934, as amended (the **U.S. Risk Retention Rules**) (a **Risk Retention U.S. Person**).

WHERE THE SECURITIES WILL BE TRADED?**Admission to trading:**

Application will be made for the Notes to be admitted to trading on the official list of the Luxembourg Stock Exchange.

There can be no assurance that the listing and trading of the Notes will be approved with effect on the Issue Date or at all.

IS THERE A GUARANTEE ATTACHED TO THE SECURITIES?

The Notes are not guaranteed.

WHAT ARE THE KEY RISKS THAT ARE SPECIFIC TO THE SECURITIES?

Any sale of the Notes prior to the scheduled maturity date will result in the loss of the full protection of the amount invested.

Certain exceptional circumstances may have a negative effect on the liquidity of the product. The investor may not be able to sell the product easily or may have to sell it at a price that results in a total or partial loss of the amount invested.

The possibility of an early redemption of the Notes at the Issuer's discretion may limit their market value. Before or during each period during which the Notes may be redeemed early, their market value will not rise substantially above their redemption price.

The market value of the Notes depends on the evolution of market parameters at the time of exit (interest rates, volatility and credit spreads) and may therefore result in a risk of total or partial loss on the amount initially invested.

If the currency of the investor's main activities is different from that of the product, the investor is exposed to currency risk, especially in the event of exchange controls, which may reduce the amount invested.

Rang :

Les Titres et, le cas échéant, tout coupon y afférent, constitueront des obligations directes, inconditionnelles, non-assorties de sûretés et non-subordonnées de l'Emetteur ayant le rang d'obligations senior préférées (conformément à l'article L. 613-30-3-I-3° du Code monétaire et financier français) et auront donc un rang identique aux autres obligations directes, inconditionnelles, non-assorties de sûretés et non-subordonnées présentes et futures de l'Emetteur (les « **Titres Seniors Préférés** »).

En cas de résolution de l'Emetteur dans le cadre de la Directive UE 2014/59, les Titres peuvent faire l'objet d'une réduction totale ou partielle des montants dus, sur une base définitive, d'une conversion de tout ou partie des montants dus en actions ou autres titres de l'Emetteur ou d'une autre entité, d'une annulation et/ou d'une modification de l'échéance des Titres ou de l'échéancier ou du montant des intérêts.

RESTRICTION IMPOSEE A LA LIBRE NEGOCIABILITE DES VALEURS MOBILIERES:

Sans objet. Il n'existe aucune restriction sur la libre négociabilité des Titres, sous réserve de restrictions de vente et de transfert qui peuvent s'appliquer dans certaines juridictions, comprenant les restrictions applicables à l'offre et à la vente à, ou pour le compte de, ou au bénéfice, des personnes autres que les Cessionnaires Autorisés.

Un Cessionnaire Autorisé désigne toute personne qui (i) n'est pas une U.S. person telle que définie en vertu de la *Regulation S*; (ii) n'est pas une personne qui entre dans toute définition d'une U.S. person pour les besoins de la CEA ou de tout Règlement CFTC, interprétation ou règles proposées ou émises en application de la CEA (afin de lever toute ambiguïté, une personne qui n'est pas une "personne non-ressortissante des Etats-Unis" définie au titre de la Règle CFTC 4.7(a)(1)(iv), à l'exclusion, pour les besoins de la sous-section (D) de cette règle, de l'exception faite au profit des personnes éligibles qualifiées qui ne sont pas des "personnes non-ressortissantes des Etats-Unis", devra être considérée comme une U.S. Person); et (iii) n'est pas une « U.S. Person » pour les besoins des instructions définitives mettant en œuvre les exigences de rétention du risque de crédit énoncées à la Section 15G de l'*U.S. Securities Exchange Act* de 1934, tel que modifié (les **U.S. Risk Retention Rules**) (une **Risk Retention U.S. Person**).

Les Titres ont fait l'objet d'une demande d'admission à la négociation sur le marché réglementé de la Bourse du Luxembourg.

Il n'y a aucune assurance que l'admission des Titres à la cote officielle et à la négociation soit approuvée et, si elle est approuvée, qu'elle ne prenne effet à la date d'émission.

LES VALEURS MOBILIERES FONT-ELLES L'OBJET D'UNE GARANTIE ?

Les Titres ne font pas l'objet d'une garantie.

QUELS SONT LES PRINCIPAUX RISQUES SPECIFIQUES AUX VALEURS MOBILIERES ?

Toute vente des Titres avant la date d'échéance initialement prévue fait perdre la protection totale du montant investi.

La liquidité du produit peut être affectée par des circonstances exceptionnelles rendant la vente du produit difficile ou à un prix entraînant une perte totale ou partielle du montant investi.

La possibilité d'un remboursement anticipé des Titres à la discrétion de l'émetteur est susceptible de limiter leur valeur de marché. Avant ou pendant chaque période durant laquelle les Titres peuvent être remboursés par anticipation, leur valeur de marché ne dépassera pas substantiellement leur prix de remboursement.

La valeur de marché des Titres dépend de l'évolution des paramètres de marché au moment de la sortie, des taux d'intérêt, de la volatilité et des écarts de crédit et pourra donc entraîner un risque de perte totale ou partielle sur le montant initialement investi.

Si la devise des activités principales de l'investisseur est différente de celle du produit, l'investisseur est exposé au risque de change, et spécialement en cas de contrôle de changes, pouvant réduire le montant investi.
