Neither the delivery of this Base Prospectus nor the offering, sale or delivery of any Notes shall in any circumstances imply that (i) the information contained or incorporated by reference herein concerning the Issuer or the Group is correct at any time subsequent to the date hereof or the date upon which this Base Prospectus has been most recently supplemented or (ii) any other information supplied in connection with the Programme or the Notes is correct as of any time subsequent to the date indicated in the document containing the same. The Dealers expressly do not undertake to review the financial condition or affairs of the Issuer during the life of the Programme nor to advise any investor in the Notes of any information coming to their attention.

The distribution of this Base Prospectus and the offer or sale of Notes may be restricted by law in certain jurisdictions. The Issuer, the Arranger and the Dealers do not represent that this Base Prospectus may be lawfully distributed, or that any Notes may be lawfully offered, in compliance with any applicable registration or other requirements in any such jurisdiction,

or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. In particular, unless otherwise specified in the applicable Final Terms, no action has been taken by the Issuer, the Arranger or the Dealers which is intended to permit a public offering of any Notes outside the European Economic Area (the **EEA**) or distribution of this Base Prospectus in any jurisdiction where action for that purpose is required. Accordingly, no Notes may be offered or sold, directly or indirectly, and neither this Base Prospectus nor any advertisement or other offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations. Persons into whose possession this Base Prospectus or any Note comes must inform themselves of, and observe, any such restrictions on the distribution of this Base Prospectus and the offering and sale of Notes (see the section headed "Subscription and Sale").

The Notes have not been and will not be registered under the U.S. Securities Act of 1933, as amended, (the **Securities Act**) or under any state securities laws. Accordingly, the Notes may not be offered or sold in the United States or to, or for the account or benefit of, U.S. persons (as defined in Regulation S (**Regulation S**) of the Securities Act, **U.S. Persons**) except pursuant to an exemption from the registration requirements of the Securities Act. The Permanently Restricted Notes (as defined below) may not at any time be offered, sold, resold, traded, pledged, redeemed, transferred or delivered, directly or indirectly, in the United States or to, or for the account or benefit of, any U.S. Person, and any offer, sale, resale, trade, pledge, redemption, transfer or delivery made, directly or indirectly, within the United States or to, or for the account or benefit of, a U.S. Person will not be recognised. Permanently Restricted Notes may not be legally or beneficially owned at any time by any U.S. Person and accordingly are being offered and sold outside the United States to persons that are not U.S. Persons in reliance on Regulation S. By its purchase of a Permanently Restricted Note, each purchaser will be deemed to have agreed that it may not resell or otherwise transfer any Permanently Restricted Note held by it except outside the United States in an offshore transaction to a person that is not a U.S. Person.

Notes in bearer form are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to U.S. Persons, except in certain transactions permitted by U.S. Treasury regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986, as amended and the U.S. Treasury regulations promulgated thereunder.

This Base Prospectus has been prepared on the basis that, except to the extent subparagraph (ii) below may apply, any offer of Notes in any member state of the EEA which has implemented the Prospectus Directive (each, a **Relevant Member State**) will be made pursuant to an exemption under the Prospectus Directive, as implemented in that Relevant Member State, from the requirement to publish a prospectus for offers of Notes. Accordingly, any person making or intending to make an offer in that Relevant Member State of Notes which are the subject of an offering contemplated in this Base Prospectus as completed by Final Terms in relation to the offer of those Notes may only do so (i) in circumstances in which no obligation arises for the Issuer, the Arranger or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive, in each case, in relation to such offer, or (ii) if this Base Prospectus has been completed by Final Terms which have been duly published and which specify that offers may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State and such offer is made in the period beginning and ending on the dates specified for such purpose in such Final Terms, all in accordance with the Prospectus Directive. Except to the extent subparagraph (ii) above may apply, none of the Issuer, the Arranger or any Dealer has authorised, nor do any of them authorise, the making of any offer of Notes in

circumstances in which an obligation arises for the Issuer, the Arranger or any Dealer to publish, or supplement, a prospectus for such offer.

IMPORTANT – EEA RETAIL INVESTORS - If the Final Terms in respect of any Notes includes a legend entitled "Prohibition of Sales to EEA Retail Investors", the Notes are not intended, from 1 January 2018, to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the EEA. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (**MiFID II**); (ii) a customer within the meaning of Directive 2002/92/EC (**IMD**), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in the Prospectus Directive. Consequently, no key information document required by Regulation (EU) No 1286/2014 (the **PRIIPs Regulation**) for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

Each potential investor in the Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor may wish to consider, either on its own or with the help of its financial and other professional advisers whether it:

- (i) has sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes and the information contained or incorporated by reference in this Base Prospectus or any applicable supplement and in the Final Terms;***
- (ii) has access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact the Notes will have on its overall investment portfolio;***
- (iii) has sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including Notes with principal or interest payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor's currency;***
- (iv) understands thoroughly the terms of the Notes and is familiar with the behaviour of any relevant financial markets; and***
- (v) is able to evaluate possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.***

SWITZERLAND IMPORTANT NOTICE – The Notes described in this Base Prospectus and related offering documents do not constitute a participation in a collective investment scheme within the meaning of the Swiss Federal Act on Collective Investment Schemes (**CISA**). Therefore, the Notes are not subject to authorization and supervision by the Swiss Financial Market Supervisory Authority FINMA (**FINMA**) and investors in the Notes issued under this Programme will not benefit from protection under the CISA or supervision by FINMA. Investors in the Notes will bear a credit risk on the Issuer of the Notes.

		<p>(ECB), when changing monetary policy stance;</p> <ul style="list-style-type: none"> - a sharp slowdown in economic activity in China, triggering capital flight from the country, depreciation pressure on the Chinese currency and, by contagion, on other emerging country currencies, as well as a fall in commodity prices; - socio-political tensions in some countries dependent on oil and gas revenues and still needing to adapt to the situation of low prices for these commodities; - worsening geopolitical tensions in the Middle East, South China Sea, North Korea or Ukraine. In the latter case, this could lead to the extension and stepping up of sanctions between Western countries and Russia, even more depressed economic activity in Russia, and a further sharp depreciation in the Rouble; - fears regarding a possible tightening of international trade barriers, in particular in large developed economies (United States or, in the context of Brexit, United Kingdom for example). <p>Laws and regulations applicable to financial institutions</p> <p>New regulatory constraints on financial institutions seek principally to limit the financial institutions' risk exposure and financial solidity and protect clients, depositors, creditors and investors, and require significant resources in order to comply with requirements as to capital adequacy and liquidity. 	<i>répercussions sur l'Emetteur et ses secteurs d'activité</i>	<p>le 3 août 2017 et le 6 novembre 2017.</p> <p>Dans un contexte général de renforcement de l'activité mondiale, de nombreux aléas négatifs continuent de peser sur les perspectives économiques : le risque d'un regain des tensions financières en Europe, le risque de nouvelles turbulences (financières, sociopolitiques) dans les économies émergentes, les incertitudes induites par les politiques monétaires non conventionnelles mises en œuvre par les principaux pays développés, la montée du risque terroriste et de tensions géopolitiques et protectionnistes.</p> <p>Plus spécifiquement, le Groupe pourrait être affecté par :</p> <ul style="list-style-type: none"> - un regain des tensions financières au sein de la zone euro pouvant résulter d'un retour des doutes sur l'intégrité de la zone, par exemple à l'approche d'élections dans un contexte de montée de forces politiques eurosceptiques ; - une remontée brutale et marquée des taux d'intérêt et de la volatilité sur les marchés, tant obligataires qu'actions ou des matières premières, qui pourraient résulter d'une mauvaise communication de banques centrales, notamment la Fed et la BCE, lors de changements d'orientation de la politique monétaire ; - un ralentissement brutal de l'activité en Chine, déclenchant des fuites de capitaux de ce pays, des pressions baissières sur la devise chinoise et par contagion sur les autres devises émergentes, ainsi qu'une rechute des prix des matières premières ; - des tensions sociopolitiques dans certains pays dépendants de rentes pétrolières ou gazières et devant encore s'adapter à une situation de bas prix de ces matières premières ; - une aggravation supplémentaire des tensions géopolitiques au Moyen-Orient, en mer de Chine, en Corée du Nord ou encore en Ukraine. Ces dernières pourraient conduire à une prolongation et un renforcement des sanctions entre les pays occidentaux et la Russie, un arrêt de la reprise économique en Russie et une nouvelle forte dépréciation du rouble ; - de craintes quant à un possible renforcement de barrières au commerce international, en particulier pour de grands pays développés (États-Unis ou, dans le cadre du Brexit, Royaume-Uni par exemple). <p>Législation et réglementations applicables aux institutions financières</p> <p>De nouvelles contraintes réglementaires imposées aux banques ayant pour objectif de limiter l'exposition aux risques, de préserver la stabilité et la solidité financière et de protéger les clients, les déposants, les créanciers et les investisseurs, nécessitent des ressources considérables pour assurer la conformité à ces exigences en matière de niveaux de capitaux propres et de liquidité réglementaires. Les évolutions structurantes en découlant pourraient peser de manière significative sur la rentabilité de certaines activités et peuvent restreindre la capacité des banques à financer l'économie. Le non-respect des lois et des réglementations applicables pourrait également se traduire par des sanctions pécuniaires, la détérioration de l'image du Groupe, la suspension forcée de ses activités ou le retrait de ses agréments.</p>

RISK FACTORS

Prospective investors of Notes should carefully consider the following information in conjunction with the other information contained or incorporated by reference in this Base Prospectus and any Final Terms before purchasing Notes.

The Issuer believes that the following factors may affect its ability to fulfil its obligations under the Notes issued under the Programme. Most of these factors are contingencies which may or may not occur and the Issuer is not in a position to express a view on the likelihood of any such contingency occurring.

In addition, factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below.

The Issuer believes that the factors described below represent the principal risks inherent in investing in Notes issued under the Programme, but the inability of the Issuer to pay interest (if any), principal or any other amounts on or in connection with any Notes may occur for other reasons which may not be considered significant risks by the Issuer based on information currently available to it or which it may not currently be able to anticipate. Consequently, the statements below regarding the risks of investing in the Notes of any Series should not be viewed as exhaustive. Prospective investors should also read the detailed information set out elsewhere in this Base Prospectus (including in all documents incorporated by reference herein) and reach their own views as to potential risks prior to making any investment decision. No investment should be made in the Notes of any Series until after careful consideration of all those factors that are relevant in relation to the Notes of such Series. Prospective investors should reach an investment decision with respect to the suitability of the Notes of such Series for them only after careful consideration and consultation with their financial and legal advisers.

The order in which the following risks factors are presented is not an indication of the likelihood of their occurrence.

Words and expressions defined elsewhere in this Base Prospectus shall have the same meanings when used in this section.

I. RISKS RELATING TO THE ISSUER AND THE GROUP

- The volatility of the financial markets may cause the Group to suffer significant losses on its trading and investment activities.
- Changes in interest rates may adversely affect the Group's banking and asset management businesses.
- Fluctuations in exchange rates could adversely affect the Group's results of operations.

For further information on the risks relating to the Issuer and the Group, investors and/or Noteholders should refer to the "Risk and Capital Adequacy" section in the 2017 Registration Document (pages 132 to 151 and 154 to 240), the First Update to the 2017 Registration Document (pages 57 to 63), Second Update to the 2017 Registration Document (pages 49 to 60) and the Third Update to the 2017 Registration Document (pages 37 to 44) of Société Générale, which sections are incorporated by reference in this Base Prospectus.

Creditworthiness and credit ratings of the Issuer

The Issuer issues a large number of financial instruments, including the Notes on a global basis and, at any given time, the financial instruments outstanding may be substantial. Noteholders rely upon the creditworthiness of the Issuer.

The market value of the Notes will be affected by, amongst other things, the creditworthiness of the Issuer. The credit ratings of the Issuer are an assessment of its ability to pay its obligations, including those on the offered Notes. Consequently, actual or anticipated declines in the credit ratings of the Issuer may affect the market value of the relevant Notes.

The United Kingdom's impending departure from the European Union could adversely affect the Group

The United Kingdom held a referendum on 23 June 2016 in which a majority voted to exit the European Union (**Brexit**) and on 29 March 2017, the government of the United Kingdom invoked Article 50 of the Treaty on the European Union (the **Lisbon Treaty**) relating to withdrawal. Negotiations have begun to determine the future terms of the United Kingdom's relationship with the European Union, including the terms of trade between the United Kingdom and the European Union. The effects of Brexit will depend on any agreements the United Kingdom makes to retain access to European Union markets either during a transitional period or more permanently. Brexit could adversely affect European or worldwide economic, market conditions and could contribute to instability in global financial and foreign exchange markets, including volatility in the value of the pound sterling or the euro. In addition, Brexit could lead to legal uncertainty and potentially divergent national laws and regulations as the United Kingdom determines which European Union laws to replace or replicate. Any of these effects of Brexit, and others the Group cannot anticipate, could adversely affect the Group's business, results of operations, financial condition and cash flows, and could negatively impact the value of the Notes.

II. RISKS RELATING TO THE NOTES

A. GENERAL RISKS RELATING TO THE NOTES AND THE MARKET

Set out below is a brief description of certain risks relating to the Notes generally:

Independent Review and Advice

Each prospective investor in the Notes must determine, based on its own independent review and such professional advice as it deems appropriate under the circumstances, that its acquisition of the Notes is fully consistent with its financial needs, objectives and condition, complies and is fully consistent with all investment policies, guidelines and restrictions applicable to it and is a fit, proper and suitable investment for it, notwithstanding the clear and substantial risks inherent in investing in or holding the Notes.

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each prospective investor should consult its legal advisers to determine whether and to what extent (i) Notes are legal investments for it, (ii) Notes can be used as collateral for various types of borrowing and (iii) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules. Prospective investors should also conduct such independent investigation and analysis regarding the Issuer, the Notes and all other relevant market and economic factors as they deem appropriate to evaluate the merits and risks of an investment in Notes.

A prospective investor may not rely on the Issuer, the Arranger or the Dealer(s) or any other member of the Group in connection with its determination as to the legality of its acquisition of the Notes or as to the other matters referred to above.

Assessment of Investment Suitability

Each prospective investor in the Notes must determine the suitability of that investment in light of its own financial circumstances and investment objectives, and only after careful consideration with its financial, legal, tax and other advisers. In particular, each prospective investor should:

- have sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes and the information contained in or incorporated by reference in this Base Prospectus or any applicable supplement;

- have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact the Notes will have on its overall investment portfolio;
- have sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes;
- understand thoroughly the terms of the Notes and be familiar with the behaviour of any relevant rates and financial markets;
- be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks; and
- be aware, in terms of legislation or regulatory regime applicable to such investor of the applicable restrictions on its ability to invest in the Notes and in any particular type of Notes.

Some Notes are complex financial instruments. Sophisticated institutional investors generally do not purchase complex financial instruments as stand-alone investments. They purchase complex financial instruments as a way to reduce risk or enhance yield with an understood, measured and appropriate addition of risk to their overall portfolios. A prospective investor should not invest in Notes unless it has the expertise (either alone or with a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of the Notes and the impact this investment will have on the prospective investor's overall investment portfolio. Some Notes may be redeemable at an amount below par in which case investors may lose the value of part or their entire investment.

Potential Conflicts of Interest

The Issuer may from time to time be engaged in transactions involving an index or related derivatives which may affect the market price, liquidity or value of the Notes and which could be deemed to be adverse to the interests of the Noteholders.

Potential conflicts of interest may also arise between the Calculation Agent, if any, for a Tranche of Notes and the Noteholders, including with respect to certain determinations and judgments that such Calculation Agent may make pursuant to the Terms and Conditions of the Notes that may influence the amount receivable upon redemption of the Notes.

The Issuer may appoint a Dealer as Calculation Agent in respect of an issuance of Notes under the Programme. In such a case, the Calculation Agent is likely to be a member of an international financial group that is involved, in the ordinary course of its business, in a wide range of banking activities out of which conflicting interests may arise. Whilst such a Calculation Agent will, where relevant, have information barriers and procedures in place to manage conflicts of interest, it may in its other banking activities from time to time be engaged in transactions involving an index or related derivatives which may affect amounts receivable by Noteholders during the term and on the maturity of the Notes or the market price, liquidity or value of the Notes and which could be deemed to be adverse to the interests of the Noteholders.

Legality of Purchase

None of the Issuer, the Arranger, the Dealer(s), Agents or any of their respective affiliates has or assumes responsibility for the lawfulness of the acquisition of the Notes by a prospective purchaser of the Notes, whether under the laws of the jurisdiction of its incorporation or the jurisdiction in which it operates (if different), or for compliance by that prospective purchaser with any law, regulation or regulatory policy applicable to it.

Legal investment considerations may restrict certain investments

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each prospective investor should consult its legal advisers

to determine whether and to what extent (i) Notes constitute legal investments for it, (ii) Notes can be used as collateral for various types of borrowing and (iii) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

Meeting of Noteholders, Modification of Terms and Conditions and waivers

The Terms and Conditions contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally (but if the relevant Final Terms in respect of a series of French Law Notes specify “No Masse”, Noteholders will not be grouped in a masse having legal personality governed by the provisions of the French *Code de commerce* and will not be represented by a representative of the *masse*), including without limitation the modification of the Terms and Conditions. These provisions permit in certain cases defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority and all Couponholders and Noteholders who did not respond to, or rejected the relevant Written Resolution.

French law and European legislation regarding the resolution of financial institutions may require the write-down or conversion to equity of the Notes or other resolution measures if the Issuer is deemed to meet the conditions for resolution

Directive 2014/59/EU of the European Parliament and of the Council of the European Union dated 15 May 2014 establishing a framework for the recovery and resolution of credit institutions and investment firms (the **BRRD**) entered into force on 2 July 2014. As a Directive, the BRRD is not directly applicable in France and had to be transposed into national legislation. The French *ordonnance* No. 2015-1024 of 20 August 2015 transposed the BRRD into French law and amended the French *Code monétaire et financier* for this purpose. The French *ordonnance* has been ratified by law no. 2016-1691 dated 9 December 2016 (*Loi n°2016-1691 du 9 décembre 2016 relative à la transparence, à la lutte contre la corruption et à la modernisation de la vie économique*) which also incorporates provisions which clarify the implementation of the BRRD.

The stated aim of the BRRD and Regulation (EU) No. 806/2014 of the European Parliament and of the Council of the European Union of 15 July 2014 (the **SRM Regulation**) is to provide for the establishment of an EU-wide framework for the recovery and resolution of credit institutions and investment firms. The regime provided for by the BRRD is, among other things, stated to be needed to provide the authority designated by each EU Member State (the **Resolution Authority**) with a credible set of tools to intervene sufficiently early and quickly in an unsound or failing institution so as to ensure the continuity of the institution’s critical financial and economic functions while minimizing the impact of an institution’s failure on the economy and financial system (including taxpayers’ exposure to losses).

Under the SRM Regulation, a centralized power of resolution is established and entrusted to the Single Resolution Board (the **SRB**) and to the national resolution authorities.

The powers provided to the Resolution Authority in the BRRD and the SRM Regulation include write-down/conversion powers to ensure that capital instruments (including subordinated debt instruments such as the Subordinated Notes) and eligible liabilities (including senior debt instruments such as the Senior Notes if junior instruments prove insufficient to absorb all losses) absorb losses of the issuing institution under resolution in accordance with a set order of priority (the **Bail-in Tool**). The conditions for resolution under the French *Code monétaire et financier* implementing the BRRD are deemed to be met when: (i) the Resolution Authority or the relevant supervisory authority determines that the institution is failing or is likely to fail, (ii) there is no reasonable prospect that any measure other than a resolution measure would prevent the failure within a reasonable timeframe, and (iii) a resolution measure is necessary for the achievement of the resolution objectives (in particular, ensuring the continuity of critical functions, avoiding a significant adverse effect on the financial system, protecting public funds by minimizing reliance on extraordinary public financial support, and protecting client

funds and assets) and winding up of the institution under normal insolvency proceedings would not meet those resolution objectives to the same extent.

Under the BRRD, the resolution authority may, when an institution is being considered to have reached the point of non-viability, commence resolution proceedings and exercise resolution tools and powers in respect of such institution when:

- (a) the institution is failing or likely to fail (as to which see (w) to (z) below);
- (b) there are no reasonable prospects that a private action would prevent the failure; and
- (c) a resolution action is necessary and in the public interest.

An institution will be considered as failing or likely to fail when: (w) it is, or is likely in the near future to be, in breach of its requirements for continuing authorisation; (x) its assets are, or are likely in the near future to be, less than its liabilities; (y) it is, or is likely in the near future to be, unable to pay its debts as they fall due; or (z) it requires extraordinary public financial support (except in limited circumstances).

The Resolution Authority could also, independently of a resolution measure or in combination with a resolution measure where the conditions for resolution are met, write-down or convert capital instruments (including subordinated debt instruments such as the Subordinated Notes) into equity when it determines that the institution or its group will no longer be viable unless such write-down or conversion power is exercised or when the institution requires extraordinary public financial support (except when extraordinary public financial support is provided in the form defined in Article L. 613-48 III, 1° to 3° of the French *Code monétaire et financier*).

The Bail-in Tool or the exercise of write-down/conversion powers by the Resolution Authority with respect to capital instruments (including subordinated debt instruments such as the Subordinated Notes) could result in the full (i.e., to zero) or partial write-down or conversion of the Notes into ordinary shares or other instruments of ownership, or the variation of the terms of the Notes (for example, the maturity and/or interest payable may be altered and/or a temporary suspension of payments may be ordered). Extraordinary public financial support should only be used as a last resort after having assessed and applied, to the maximum extent practicable, the resolutions measures, including the Bail-in Tool.

Certain powers, including the full or partial write-down of capital instruments, the dilution of capital instruments through the issuance of new equity, the full or partial write-down or conversion into equity of additional capital instruments qualifying as tier 1 and tier 2 (such as the Subordinated Notes), can also be exercised as a precautionary measure, outside of resolution proceedings and/or pursuant to the European Commission's State Aid framework if the institution requires exceptional public financial support.

In addition to the Bail-in Tool, the BRRD provides the Resolution Authority with broader powers to implement other resolution measures with respect to institutions that meet the conditions for resolution, which may include (without limitation) the sale of the institution's business, the creation of a bridge institution, the separation of assets, the replacement or substitution of the institution as obligor in respect of debt instruments, modifications to the terms of debt instruments (including altering the maturity and/or the amount of interest payable and/or imposing a temporary suspension on payments), removing management, appointing an interim administrator, and discontinuing the listing and admission to trading of financial instruments.

Before taking a resolution measure or exercising the power to write down or convert relevant capital instruments, the Resolution Authority must ensure that a fair, prudent and realistic valuation of the assets and liabilities of the institution is carried out by a person independent from any public authority.

Since 1 January 2016, French credit institutions (such as the Issuer) have to meet, at all times, a minimum requirement for own funds and eligible liabilities (**MREL**) pursuant to Article L. 613-44 of the French *Code monétaire et financier*. The MREL, which is expressed as a percentage of the total liabilities and own funds of the institution, aims at avoiding institutions to structure their liabilities in a

manner that impedes the effectiveness of the Bail-in Tool. From January 2019, G-SIBs (global systemically important banks) such as the Issuer will also have to comply with the total loss absorbing capacity (**TLAC**) requirements.

In accordance with the provisions of the SRM Regulation, when applicable, the SRB has replaced the national resolution authorities designated under the BRRD with respect to all aspects relating to the decision-making process and the national resolution authorities designated under the BRRD continue to carry out activities relating to the implementation of resolution schemes adopted by the SRB. The provisions relating to the cooperation between the SRB and the national resolution authorities for the preparation of the banks' resolution plans have applied since 1 January 2015 and the SRM has been fully operational since 1 January 2016.

The application of any resolution measure under the French provisions implementing BRRD or any suggestion of such application with respect to the Issuer or the Group could materially adversely affect the rights of Noteholders, the price or value of an investment in the Notes and/or the ability of the Issuer to satisfy its obligations under the Notes, and as a result investors may lose their entire investment.

Moreover, if the Issuer's financial condition deteriorates, the existence of the Bail-in Tool or the exercise of write-down/conversion powers by the Resolution Authority independently of a resolution measure with respect to capital instruments (including subordinated debt instruments such as the Subordinated Notes) or in combination with a resolution measure when it determines that the institution or its group will no longer be viable could cause the market price or value of the Notes to decline more rapidly than would be the case in the absence of such powers.

Taxation

Potential purchasers and sellers of the Notes should be aware that they may be required to pay taxes or other documentary charges or duties in accordance with the laws and practices of the country where the Notes are transferred or other jurisdictions. In some jurisdictions, no official statements of the tax authorities or court decisions may be available for financial instruments such as the Notes. Prospective investors are advised not to rely upon the tax overview contained in this Base Prospectus and any supplement thereto but to ask for their own tax adviser's advice on their individual taxation with respect to the acquisition, holding, sale and redemption of the Notes. Only these advisors are in a position to duly consider the specific situation of the prospective investor. This investment consideration has to be read in connection with the taxation sections of this Base Prospectus.

No legal and tax advice

Each prospective investor should consult its own advisers as to legal, tax and related aspects of an investment in the Notes. A Noteholder's effective yield on the Notes may be diminished by the tax on that Noteholder of its investment in the Notes.

A Noteholder's actual yield on the Notes may also be reduced from the stated yield by transaction costs.

Possible Foreign Account Tax Compliance Act (FATCA) withholding after 2018

Pursuant to certain provisions of the U.S. Internal Revenue Code of 1986, as amended, commonly known as FATCA, a "foreign financial institution" may be required to withhold on certain payments it makes ("foreign passthru payments") to persons that fail to meet certain certification, reporting, or related requirements. The Issuer is a foreign financial institution for these purposes. A number of jurisdictions (including France) have entered into, or have agreed in substance to, intergovernmental agreements with the United States to implement FATCA (the **IGAs**), which modify the way in which FATCA applies in their jurisdictions. A foreign financial institution in an IGA jurisdiction would generally not be required to withhold under FATCA or an IGA from payments that it makes. Certain aspects of the application of the FATCA provisions and IGAs to instruments such as the Notes, including whether withholding would ever be required pursuant to FATCA or an IGA with respect to payments on instruments such as the Notes, are uncertain and may be subject to change. Even if

withholding would be required pursuant to FATCA or an IGA with respect to payments on instruments such as the Notes, such withholding would not apply prior to 1 January 2019 and Notes issued on or prior to the date that is six months after the date on which final regulations defining “foreign passthru payments” are filed with the U.S. Federal Register generally would be “grandfathered” for purposes of FATCA withholding unless materially modified after such date. Holders should consult their own tax advisors regarding how these rules may apply to their investment in the Notes. In the event any withholding would be required pursuant to FATCA or an IGA with respect to payments on the Notes, no person will be required to pay additional amounts as a result of the withholding.

Transactions on the Notes could be subject to a future European financial transaction tax

On 14 February 2013, the European Commission has proposed a directive (the **Proposed Directive**) aiming for an enhanced cooperation with respect to the taxation of financial transactions, which if adopted would subject transactions involving financial institutions in securities such as the Notes to a financial transaction tax (the **FTT**). According to the Proposed Directive, the FTT was initially intended to enter into force on 1 January 2014 in eleven (11) Member States (Austria, Belgium, Estonia, France, Germany, Greece, Italy, Portugal, Slovenia, Slovakia and Spain) (the **Participating Member States**), subject to implementing legislation by each Participating Member State. However, Estonia has since stated that it will not participate.

Pursuant to the Proposed Directive, the FTT would apply to all financial transactions where at least one party to the transaction, or person acting for the account of one party to the transaction, is established in a Participating Member State. However, the FTT should not apply to transactions on the primary market referred to in Article 5(c) of EC Regulation 1287/2006 dated 10 August 2006, including the subscription and allocation of financial instruments upon issuance. The FTT would be payable by each financial institution established, or deemed to be established, in a Participating Member State as long as (i) it is party to a transaction, or acts for the account of a party to a transaction, or (ii) the transaction has been entered into for its own account. The taxation rate would be left to the discretion of each Member State but would not be less than 0.1 per cent. of the consideration or market value (if higher) for financial instruments other than derivative instruments.

If the Proposed Directive is adopted and implemented in local legislation, Noteholders may be exposed to increased transaction costs with respect to financial transactions carried out with respect to the Notes and the liquidity of the market for the Notes may be diminished.

The Proposed Directive is still being discussed by the Participating Member States. It may therefore be modified at any time prior to any implementation the timing of which remains uncertain. Additional EU Member States may decide to participate and/or other Participating Member States may decide to withdraw.

Prospective investors should consult their own tax advisers in relation to the consequences of the FTT associated with subscribing, purchasing, holding and disposing the Notes.

Change of law

The Terms and Conditions of the Notes (including any non-contractual obligations arising therefrom or connected therewith) are based on English law, with respect to English Law Notes (other than, in the case of English Law Notes, the Status Condition, which is subject to French law), and on French law, with respect to French Law Notes, in each case, in effect as at the date of this Base Prospectus. No assurance can be given as to the impact of any possible judicial decision or change to English law and/or French law, as applicable, or the official application or interpretation of such laws or administrative practices after the date of this Base Prospectus.

French Insolvency Law

Under French insolvency law, holders of debt securities are automatically grouped into a single assembly of holders (the **Assembly**) in order to defend their common interests if an accelerated safeguard procedure (*procédure de sauvegarde accélérée*), an accelerated financial safeguard procedure (*procédure de sauvegarde financière accélérée*), a safeguard procedure (*procédure de*

sauvegarde) or a judicial reorganisation procedure (*procédure de redressement judiciaire*) is opened in France with respect to the Issuer.

The Assembly comprises holders of all debt securities issued by the Issuer (including the Notes), whether or not under a debt issuance programme (such as a Euro Medium Term Note programme) and regardless of their governing law.

The Assembly deliberates on the draft accelerated safeguard plan (*projet de plan de sauvegarde accélérée*), draft safeguard plan (*projet de plan de sauvegarde*), draft accelerated financial safeguard plan (*projet de plan de sauvegarde financière accélérée*) or draft judicial reorganisation plan (*projet de plan de redressement*) applicable to the Issuer and may further agree to:

- increase the liabilities (*charges*) of holders of debt securities (including the Noteholders) by rescheduling and/or writing-off debts;
- establish an unequal treatment between holders of debt securities (including the Noteholders) as appropriate under the circumstances; and/or
- decide to convert debt securities (including the Notes) into securities that give or may give right to share capital.

Decisions of the Assembly will be taken by a two-third majority (calculated as a proportion of the debt securities held by the holders attending such Assembly or represented thereat). No quorum is required on convocation of the Assembly.

For the avoidance of doubt, the provisions relating to the representation of the Noteholders described in the Terms and Conditions of the French Law Notes will not be applicable to the extent they conflict with compulsory insolvency law provisions that apply in these circumstances.

Credit ratings may not reflect all risks

One or more independent credit rating agencies may assign credit ratings to the Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agencies at any time.

In general, European regulated investors are restricted under Regulation (EC) No 1060/2009 of the European Parliament and of the Council dated 16 September 2009, as amended (the **CRA Regulation**) from using credit ratings for regulatory purposes, unless such ratings are issued by a credit rating agency established in the European Union and registered under the CRA Regulation (and such registration has not been withdrawn or suspended), subject to transitional provisions that apply in certain circumstances. Such general restriction will also apply in the case of credit ratings issued by non-European Union credit rating agencies, unless the relevant credit ratings are endorsed by a European Union registered credit rating agency or the relevant non-European Union rating agency is certified in accordance with the CRA Regulation (and such endorsement action or certification, as the case may be, has not been withdrawn or suspended, subject to transitional provisions that apply in certain circumstances). The list of registered and certified rating agencies published by the European Securities and Markets Authority (the **ESMA**) on its website in accordance with the CRA Regulation is not conclusive evidence of the status of the relevant rating agency included in such list, as there may be delays between certain supervisory measures being taken against a relevant rating agency and the publication of the updated ESMA list.

Any decline in the Issuer's or in the Notes' credit ratings or changes in rating methodologies may affect the market value of the Notes

The Issuer's credit ratings are assessments made by rating agencies of the Issuer's ability to pay its obligations, including in relation to the Notes. Because many investors look at credit ratings in making their investment decisions, actual or anticipated declines in the Issuer's credit ratings may affect the market value of the Notes. Further, rating agencies may assign unsolicited ratings to the Notes. If

non-solicited ratings are assigned, there can be no assurance that such ratings will not differ from, or be lower than, the ratings sought by the Issuer.

English law Notes where denominations involve integral multiples: Definitive Bearer Notes

In relation to any issue of English Law Notes in bearer form which have denominations consisting of a minimum Specified Denomination plus one or more higher integral multiples of another smaller amount, it is possible that such Bearer Notes may be traded in amounts that are not integral multiples of such minimum Specified Denomination. In such a case, a holder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in his account with the relevant clearing system at the relevant time may not receive a Definitive Bearer Note in respect of such holding (should Definitive Bearer Notes be printed) and would need to purchase a principal amount of Bearer Notes such that its holding amounts to a Specified Denomination.

If Definitive Bearer Notes are issued, holders should be aware that Definitive Bearer Notes which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

Waiver of set-off

In Condition 19 of the English Law Conditions and 18 of the French Law Conditions, the Noteholders waive any right of or claims of set-off, netting, compensation, retention and counterclaim (and, for the avoidance of doubt, including all such rights, claims and liabilities arising under or in relation to any and all agreements or other instruments of any sort or any non-contractual obligations, in each case whether or not relating to the Notes) in relation to the Notes, to the extent permitted by applicable law.

Market value of the Notes

The market value of the Notes will be affected by the creditworthiness and/or the credit rating of the Issuer and a number of additional factors, including the market interest and yield rates and the time remaining to the maturity date.

The value of the Notes depends on a number of interrelated factors, including economic, financial, regulatory and political events in France and elsewhere, including factors affecting capital markets generally and the stock exchanges on which the Notes are traded. The price at which a Noteholder may sell the Notes prior to maturity may be at a discount, which could be substantial, from the issue price or the purchase price paid by such purchaser.

No active secondary market for the Notes

Notes may have no established trading market when issued, and one may never develop. If a market does develop, it may not be very liquid. Therefore, investors may not be able to sell their Notes easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Notes that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Notes generally would have a more limited secondary market and more price volatility than conventional debt securities. Illiquidity may have a severely adverse effect on the market value of Notes.

Moreover, although the Issuer can purchase Notes at any moment, this is not an obligation for the Issuer. Purchases made by the Issuer could affect the liquidity of the secondary market of the relevant Notes and thus the price and the conditions under which investors can negotiate these Notes on the secondary market.

If application is made for a Series of Notes issued under the Programme to be listed and admitted to trading on any regulated market and/or on any stock exchange, there is no assurance that any particular application will be accepted, that such Series of Notes will be so admitted or that an active trading market in respect of such Series will develop or that, once accepted and/or admitted, such admission and/or listing will not be suspended or terminated during the life of the Notes of such Series.

Exchange rate risks and exchange controls

The Issuer will pay principal and interest on the Notes in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the **Investor's Currency**) other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (1) the Investor's Currency-equivalent yield on the Notes, (2) the Investor's Currency-equivalent value of the principal payable on the Notes and (3) the Investor's Currency-equivalent market value of the Notes.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

Differences between the Notes and the bank's covered deposits in terms of yield, risk and liquidity

Prior to acquiring any Notes, investors should note that there are a number of key differences between the Notes and bank deposits, including without limitations:

- (i) claims in relation to the payment of principal and interest under the Notes rank below claims under the so-called "covered deposits" (being deposits below the €100,000 threshold benefiting from the protection of the deposit guarantee scheme in accordance with Directive 2014/49/EU of the European Parliament and of the Council of 16 April 2014);
- (ii) generally, demand deposits will be more liquid than financial instruments such as the Notes; and
- (iii) generally, the Notes will benefit from a higher yield than a covered deposit denominated in the same currency and having the same maturity. The higher yield usually results from the higher risk associated with the Notes.

B. RISKS RELATED TO THE STRUCTURE OF A PARTICULAR ISSUE OF NOTES

A wide range of Notes may be issued under the Programme. A number of these Notes may have features which present particular risks for prospective investors. Set out below is a description of the most common such features, which may increase the risk of investing in such Notes:

The Issuer is not prohibited from issuing further debt, which may rank pari passu with Senior Preferred Notes, Senior Non-Preferred Notes or Subordinated Notes, or senior to Senior Non-Preferred Notes or Subordinated Notes

There is no restriction on the amount of debt that the Issuer may issue that ranks senior to the Senior Non-Preferred Notes or the Subordinated Notes or on the amount of securities that it may issue that rank *pari passu* with the Senior Preferred Notes, the Senior Non-Preferred Notes or the Subordinated Notes. The issue of any such debt or securities may reduce the amount recoverable by investors upon the Issuer's liquidation. If the Issuer's financial condition were to deteriorate, the relevant Noteholders could suffer direct and materially adverse consequences, including suspension of interest and reduction of interest and principal and, if the Issuer were liquidated (whether voluntarily or involuntarily) or become subject to any resolution procedure, the relevant Noteholders could suffer loss of their entire investment.

Notes subject to optional redemption by the Issuer;

In certain circumstances or if so specified in the applicable Final Terms, Notes may be redeemed at the option of the Issuer, as described hereafter:

- 1) Upon the occurrence of certain events described in Condition 6 of the English Law Conditions and/or Condition 5 of the French Law Conditions, including, but not limited to, a Withholding Tax Event, a Special Tax Event, a Tax Deductibility Event (with respect to Subordinated

Notes), a Capital Event (with respect to Subordinated Notes), and/or, a Regulatory Event (unless otherwise specified in the applicable Final Terms with respect to Senior Notes), a MREL or TLAC Disqualification Event (with respect to Senior Non-Preferred Notes and, if so specified in the applicable Final Terms, with respect to Senior Preferred Notes), the Issuer may, at its option, subject as provided herein, in particular in the provisions of Condition 6 of the English Law Conditions or Condition 5 of the French Law Conditions (as applicable), redeem the Notes.

- 2) If so specified in the applicable Final Terms, the Issuer may, at its option, redeem in whole or in part the Notes prior to their Maturity Date through the exercise of the Redemption at the Option of the Issuer, and with respect to Senior Notes, the Make-Whole Redemption Option, the Residual Maturity Redemption Option or the Clean-up Redemption Option, as further described in the Conditions.

Redemption of (i) Senior Notes will be subject to the prior written consent of the Regulator and/or the Relevant Resolution Authority to the extent required at such date, as provided in Condition 6(h) of the English Law Conditions and Condition 5(g) of the French Law Conditions (*Additional conditions to redemption, purchase or cancellation of Notes prior to the Maturity Date*); and (ii) Subordinated Notes the proceeds of which constitute Tier 2 Capital, will be subject to certain conditions, including in particular the prior written consent of the Regulator, as provided in Condition 6(h) of the English Law Conditions and Condition 5(g) of the French Law Conditions (*Additional conditions to redemption, purchase or cancellation of Notes prior to the Maturity Date*).

Any optional redemption by the Issuer applicable to the Notes is likely to limit their market value. During any period when the Issuer may elect to redeem Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

The Issuer is not required to redeem the Notes in case of a Special Tax Event

There is uncertainty as to whether gross-up obligations in general, including those under the Terms and Conditions of the Notes, are legal under French law. If any payment obligation under the Notes, including any obligation to pay additional amounts under Condition 7(b) of the English Law Conditions or Condition 6(b) of the French Law Conditions, are held illegal under French law, the Issuer will have the right, but not the obligation, to redeem the Notes upon the occurrence of a Special Tax Event as described in Condition 6(b)(i) (*Redemption upon the occurrence of a Withholding Tax Event or a Special Tax Event*) of the English Law Conditions or Condition 5(b)(i) (*Redemption upon the occurrence of a Withholding Tax Event or a Special Tax Event*) of the French Law Conditions. Accordingly, if the Issuer does not redeem the Notes, Noteholders may receive less than the full amount due under the Notes, and the market value of the Notes will be adversely affected.

Reinvestment risks

The Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally may not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Prospective investors should consider reinvestment risk in light of other investments available at that time.

In addition, if the Terms and Conditions of the Notes provide for frequent interest payment dates, investors are exposed to reinvestment risk if market interest rates decline. That is, investors may reinvest the interest income paid to them only at the relevant lower interest rates then prevailing.

Interest rate risks

Investors in Fixed Rate Notes are exposed to the risk that if interest rates subsequently increase above the rate paid on the Fixed Rate Notes, this will adversely affect the value of the Notes.

As regards Floating Rate Notes, a key difference between Floating Rate Notes and Fixed Rate Notes is that interest income on Floating Rate Notes cannot be anticipated.

Due to varying interest income, investors are not able to determine a definite yield of Floating Rate Notes at the time they purchase them, and therefore their investment return cannot be compared with that of investments having longer fixed interest periods.

Floating Rate Notes with a multiplier

Notes with floating interest rates can be volatile investments. If they are structured to include multipliers, or caps or floors, or any combination of those features or other similar related features, their market values may be even more volatile than those for securities that do not include those features.

Fixed/Floating Rate Notes

Fixed/Floating Rate Notes may bear interest at a rate that converts from a fixed rate to a floating rate, from a floating rate to a fixed rate, from a fixed rate to another fixed rate or from a floating rate to another floating rate. Where the Issuer has the right to effect such a conversion, this will affect the secondary market and the market value of the Notes since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the Issuer converts from a fixed rate to a floating rate in such circumstances, the spread on the Fixed/Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes. If the Issuer converts from a floating rate to a fixed rate in such circumstances, the fixed rate may be lower than then prevailing rates on its Notes.

The value of Fixed Rate Notes may be adversely affected by movements in market interest rates

Investors in Fixed Rate Notes are exposed to the risk that, if interest rates subsequently increase above the rate paid on the Fixed Rate Notes, this will adversely affect the value of the Notes.

Resettable Notes

A holder of securities with a fixed interest rate that will be periodically reset during the term of the relevant securities, such as Fixed Rate Notes which are specified in the applicable Final Terms as Resettable Notes, is exposed to the risk of fluctuating interest rate levels and uncertain interest income. Such Notes have reset provisions pursuant to which the Notes will, in respect of an initial period, bear interest at an initial fixed rate of interest specified in the applicable Final Terms. Thereafter, the fixed rate of interest will be reset on one or more date(s) as specified in the applicable Final Terms by reference to a mid-market swap rate for the relevant Specified Currency, and for a period equal to the Reset Period, as adjusted for any applicable margin, in each case as may be specified in the applicable Final Terms.

Notes whose only Interest Payment Date falls on the Maturity Date

The final yield of Notes whose only Interest Payment Date falls on the Maturity Date, as specified in the applicable Final Terms, may be lower than that of comparable securities for which each coupon has been paid on periodic interest payment dates and reinvested under market interest rates.

Zero Coupon Notes and Notes issued at a substantial discount or premium

The market values of Notes issued at a substantial discount to or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the Notes, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

Risk relating to benchmark reforms and licensing

Interest rates and indices which are deemed to be “benchmarks” are the subject of recent national and international regulatory guidance and proposals for reform. Some of these reforms are already effective whilst others are still to be implemented. These reforms may cause such benchmarks to perform differently than in the past, to disappear entirely, or have other consequences which cannot be predicted. Any such consequence could have a material adverse effect on any Notes referencing such a benchmark.

The Regulation (EU) 2016/1011 of the European Parliament and of the Council of 8 June 2016 on indices used as benchmarks in financial instruments and financial contracts or to measure the performance of investment funds and amending Directives 2008/48/EC and 2014/17/EU and Regulation (EU) No 596/2014 (the **Benchmark Regulation**) was published in the Official Journal of the European Union on 29 June 2016 and entered into force on 30 June 2016. It applies across the European Union from 1 January 2018, with the exception of certain provisions (specified in article 59, mainly on critical benchmarks) that applied from 30 June 2016 and certain provisions which amend Regulation (EU) No 596/2014 on market abuse (the **Market Abuse Regulation**) and therefore became effective on the date of entry into force of the Market Abuse Regulation, 3 July 2016.

The purpose of the Benchmark Regulation is to regulate the risk of manipulating the value of indices and to reduce the risk of conflicts of interests arising. It aims at improving the quality (integrity and accuracy) of the input data and the transparency of the methodologies used by administrators and at improving governance and controls of both administrators' and contributors' activities.

The Benchmark Regulation will apply to "contributors", "administrators" and "users" of "benchmarks" in the EU, and will, among other things, (i) require benchmark administrators to be authorised or registered by the competent authority (or, if non-EU-based, to be subject to an equivalent regime or otherwise recognised or endorsed) and to comply with extensive requirements in relation to the administration of "benchmarks" and (ii) prevent certain uses by EU supervised entities of "benchmarks" of administrators that are not authorised/registered (or, if non-EU-based, deemed equivalent or otherwise recognised or endorsed). The scope of the Benchmark Regulation is wide and will apply to many interest rate indices, as well as equity, commodity and foreign exchange rate indices and other indices (including "proprietary" indices or strategies) which are referenced in certain financial instruments where used to determine the amount payable under or the value or performance of certain financial instruments traded on a trading venue or via a "systematic internaliser", financial contracts and investment funds.

In order to provide a proportionate response to the risks that different benchmarks pose, the Benchmark Regulation distinguishes different types of "benchmark" depending on quantitative and qualitative criteria and subjects these different types of benchmarks to more or less stringent requirements.

The Benchmark Regulation could have a material impact on any Notes traded on a trading venue or via a "systematic internaliser" linked to a "benchmark" index, including in any of the following circumstances:

- (i) an index which is a "benchmark" could not be used as such if its administrator does not obtain the required authorisation, registration or if it is based in a non-EU jurisdiction, the equivalence conditions or recognitions and the Notes could be adjusted, redeemed prior to maturity or otherwise impacted in accordance with the applicable Terms and Conditions of the Notes; and
- (ii) the methodology or other terms of the "benchmark" could be changed in order to comply with the terms of the Benchmark Regulation, and such changes could have the effect of reducing or increasing the level or affecting the volatility of the published level, and could lead to adjustments pursuant to the Terms and Conditions of the Notes.

The Benchmark Regulation (and further guidance in relation to it) could increase the costs and risks of administering or otherwise participating in the setting of a "benchmark" and complying with any such regulations or requirements.

Such factors may have the effect of discouraging market participants from continuing to administer or contribute to certain "benchmarks", trigger changes in the rules or methodologies used in certain "benchmarks" or lead to the disappearance of certain "benchmarks". The disappearance of a "benchmark" or changes in the manner of administration of a "benchmark" could result in adjustments to the Notes in accordance with the Terms and Conditions of the Notes, including early redemption of

the Notes. Any such consequence could have a material adverse effect on the value of and return on the Notes.

More broadly, any of the international or national reforms, or the general increased regulatory scrutiny of benchmarks, could increase the costs and risks of administering or otherwise participating in the setting of a benchmark and complying with any such regulations or requirements. For example, on 27 July 2017, the U.K. Financial Conduct Authority announced that it will no longer persuade or compel banks to submit rates for the calculation of the London interbank offered rate (**LIBOR**) benchmark after 2021 (the **FCA Announcement**). The FCA Announcement indicated that the continuation of LIBOR on the current basis cannot and will not be guaranteed after 2021. The potential elimination of the LIBOR benchmark or any other benchmark, or changes in the manner of administration of any benchmark, could require an adjustment to the terms and conditions, or result in other consequences, in respect of any Notes referencing such benchmark (including but not limited to floating rate Notes whose interest rates reference LIBOR). Such factors may have the effect, amongst other things, of: (i) discouraging market participants from continuing to administer or contribute to a benchmark; (ii) triggering changes in the rules or methodologies used in the benchmark or (iii) leading to the disappearance of the benchmark. Any of the above changes or any other consequential changes as a result of international or national reforms or other initiatives or investigations, could have a material adverse effect on the value of and return on any Notes referencing a benchmark.

C. ADDITIONAL RISKS RELATED TO SENIOR PREFERRED NOTES

These specific risk factors relating to Senior Preferred Notes described below should be read together with the general risk factors relating to the Notes and the market, and the risk factors relating to the structure of a particular issue of Notes, described above.

There will be limited event of defaults or, if so specified in the applicable Final Terms, no event of defaults in respect of Senior Preferred Notes

The terms and conditions of the Senior Preferred Notes provide for events of default allowing for the acceleration of the Notes if certain events occur. A holder of any such Senior Preferred Note may only give notice that such Senior Preferred Note is immediately due and repayable in a limited number of events. Such events of default do not include, for example, a cross-default of the Issuer's other debt obligations.

If so specified in the applicable Final Terms, there will be no event of default in respect of the Senior Preferred Notes and the Senior Preferred Noteholders will not be able to accelerate the maturity of such Notes. Accordingly, if the Issuer fails to meet any obligations under such Notes, investors will not have the right of acceleration of principal. Upon a payment default, the sole remedy available to Noteholders and, where applicable, Couponholders for recovery of amounts owing in respect of any payment of principal or interest on the Senior Preferred Notes will be the institution of judicial proceedings to enforce such payment. Notwithstanding the foregoing, the Issuer will not, by virtue of the institution of any such proceedings, be obliged to pay any sum or sums sooner than the same would otherwise have been payable by it.

There is a significant degree of regulatory uncertainty regarding the potential occurrence of a MREL or TLAC Disqualification Event in respect of the Senior Preferred Notes

If so specified in the applicable Final Terms, MREL or TLAC Disqualification Event will apply in respect of the Senior Preferred Notes. The implementation of MREL under the BRRD is subject to the implementation of additional regulation at the European level and may therefore be subject to change. Whilst there are a number of similarities between the MREL requirements and the FSB's final principles regarding TLAC, there are certain differences, including the timescales for implementation. As such, the degree of convergence or alignment between the two regimes remains to be seen and the requirements for an instrument to be TLAC eligible and MREL-eligible may not ultimately converge or be consistent under the final European laws and regulations. The Issuer is currently unable to predict whether all or part of the Senior Preferred Notes may cease to comply with the minimum requirements for own funds and eligible liabilities and/or total loss absorbing capacity

requirements applicable to the Issuer and/or the Group and thus be excluded fully or partially from the MREL or TLAC Requirements, and therefore a MREL or TLAC Disqualification Event would occur.

If so specified in the applicable Final Terms, the Senior Preferred Notes governed by English law will be subject to substitution and variation, without Noteholder consent

If so specified in the applicable Final Terms, with respect to a Series of English Law Senior Preferred Notes, subject as provided herein, in particular to the provisions of Condition 6(g)(i), the Issuer may, at its option and without the consent or approval of the Noteholders, elect either to (i) substitute all (but not some only) of such Series of Senior Preferred Notes or (ii) vary the terms of all (but not some only) of such Series of Senior Preferred Notes, so that they become or remain Qualifying Senior Notes.

Qualifying Senior Notes are securities issued by the Issuer that have, inter alia, terms not materially less favourable to the Noteholders than the terms of the Senior Preferred Notes (provided that the Issuer shall have delivered a certificate to that effect to the Fiscal Agent). There can be no assurance that, due to the particular circumstances of each Noteholder, any Qualifying Senior Notes will be as favourable to each Noteholder in all respects or that, if it were entitled to do so, a particular Noteholder would make the same determination as the Issuer as to whether the terms of the relevant Qualifying Senior Notes are not materially less favourable to Noteholders than the terms of the Senior Preferred Notes.

D. ADDITIONAL RISKS RELATED TO SENIOR NON-PREFERRED NOTES

These specific risk factors relating to Senior Non-Preferred Notes described below should be read together with the general risk factors relating to the Notes and the market, and the risk factors relating to the structure of a particular issue of Notes, described above.

Senior Non-Preferred Notes are complex financial instruments with limited trading history and may not be a suitable investment for certain investors

Prior to the entry into force of the law n°2016-1691 dated 9 December 2016, French issuers were not able to issue securities with a senior non-preferred ranking. Accordingly, there is a limited trading history for securities of French banks with this ranking. Market participants are in the initial stages of evaluating the risks associated with senior non-preferred obligations. Therefore, the value of Senior Non-Preferred Notes is subject to a higher risk of price volatility than the Senior Preferred Notes, as the market becomes more familiar with them.

Each potential investor in the Senior Non-Preferred Notes should determine the suitability of such investment in light of its own circumstances and have sufficient financial resources and liquidity to bear the risks of an investment in the Senior Non-Preferred Notes, including the possibility that the entire principal amount of the Senior Non-Preferred Notes could be lost.

The credit rating of Senior Non-Preferred Notes by one or more credit rating agencies might be lower than the Issuer's long-term ratings to reflect the increased risk of loss

The Senior Non-Preferred Notes, upon issue, are expected to be rated by one or more credit rating agencies lower than the Issuer's and Senior Preferred Notes' credit ratings, reflecting the increased risk of loss in the event of the Issuer's insolvency and the fact that they can be bailed-in before the Senior Preferred Notes in the event of resolution under the BRRD. The credit ratings assigned to the Senior Non-Preferred Notes may change as the rating agencies refine their approaches and become more familiar with them. It is possible that, over time, the credit ratings and value of senior non-preferred securities such as the Senior Non-Preferred Notes will be lower than those expected by investors at the time of issuance of the relevant Senior Non-Preferred Notes. If so, investors may incur losses in respect of their investments in the Senior Non-Preferred Notes.

Senior Non-Preferred Notes constitute obligations ranking junior to the Senior Preferred Notes

Senior Non-Preferred Notes including, where applicable, any related Coupons, will constitute direct, unconditional, unsecured and senior obligations of the Issuer ranking as senior non-preferred obligations (as provided for in Article L. 613-30-3-I-4 of the French *Code Monétaire et Financier*) and

therefore will rank junior in priority of payment to the senior preferred obligations of the Issuer (including the Senior Preferred Notes), as more fully described herein.

In the event any judgment is rendered by any competent court declaring the judicial liquidation of the Issuer or if the Issuer is liquidated for any other reason, the rights of payment of the holders of Senior Non-Preferred Notes including, where applicable any related Coupons, shall be subordinated to the payment in full of all present or future senior preferred creditors and holders of, or creditors in respect of, senior preferred obligations (within the meaning of Article L. 613-30-3-I-3 of the French *Code Monétaire et Financier*) expressed by their terms to rank in priority to the Senior Non-Preferred Notes (collectively, **Senior Preferred Creditors**).

Subject to such payment in full, holders of Senior Non-Preferred Notes and, where applicable, any related Coupons shall be paid in priority to any subordinated obligations of the Issuer and any obligations ranking junior to subordinated obligations.

In the event of incomplete payment of Senior Preferred Creditors, the obligations of the Issuer in connection with the Senior Non-Preferred Notes and, where applicable, any related Coupons will be terminated. The holders of Senior Non-Preferred Notes and, where applicable, any related Coupons shall be responsible for taking all necessary steps for the orderly accomplishment of any such liquidation of the Issuer in relation to any claims they may have against the Issuer.

Since there is a substantial risk that investors in Senior Non-Preferred Notes will lose all or some of their investment should the Issuer become (i) subject to any resolution procedure under the BRRD or (ii) insolvent, the Senior Non-Preferred Notes may pay a higher rate of interest than Senior Preferred Notes.

Absence of event of defaults or if so specified in the applicable Final Terms, limited events of default in respect of Senior Non-Preferred Notes

Senior Non-Preferred Notes, unless provided for in the applicable Final Terms, do not contain any events of default. The Noteholders will not be able to accelerate the maturity of such Notes. Accordingly, if the Issuer fails to meet any obligations under such Notes, investors will not have the right of acceleration of principal. Upon a payment default, the sole remedy available to Noteholders and, where applicable, Couponholders for recovery of amounts owing in respect of any payment of principal or interest on the Senior Non-Preferred Notes will be the institution of judicial proceedings to enforce such payment. Notwithstanding the foregoing, the Issuer will not, by virtue of the institution of any such proceedings, be obliged to pay any sum or sums sooner than the same would otherwise have been payable by it.

If the applicable Final Terms provide that the Senior Non-Preferred Notes will contain events of default, a holder of any such Senior Non-Preferred Note may only give notice that such Senior Non-Preferred Note is immediately due and repayable in a limited number of events. Such events of default do not include, for example, a cross-default of the Issuer's other debt obligations.

There is a significant degree of regulatory uncertainty regarding the potential occurrence of a MREL or TLAC Disqualification Event in respect of the Senior Non-Preferred Notes

The implementation of MREL under the BRRD is subject to the implementation of additional regulation at the European level and may therefore be subject to change. Whilst there are a number of similarities between the MREL requirements and the FSB's final principles regarding TLAC, there are certain differences, including the timescales for implementation. As such, the degree of convergence or alignment between the two regimes remains to be seen and the requirements for an instrument to be TLAC eligible and MREL-eligible may not ultimately converge or be consistent under the final European laws and regulations. The Issuer is currently unable to predict whether all or part of the Senior Non-Preferred Notes may cease to comply with the minimum requirements for own funds and eligible liabilities and/or total loss absorbing capacity requirements applicable to the Issuer and/or the Group and thus be excluded fully or partially from the MREL or TLAC Requirements, and therefore a MREL or TLAC Disqualification Event would occur.

Substitution and variation of the Senior Non-Preferred Notes governed by English law without Noteholder consent

With respect to a Series of English Law Senior Non-Preferred Notes, subject as provided herein, in particular to the provisions of Condition 6(g)(i), the Issuer may, at its option and without the consent or approval of the Noteholders, elect either to (i) substitute all (but not some only) of such Series of Senior Non-Preferred Notes or (ii) vary the terms of all (but not some only) of such Series of Senior Non-Preferred Notes, so that they become or remain Qualifying Senior Notes.

Qualifying Senior Notes are securities issued by the Issuer that have, inter alia, terms not materially less favourable to the Noteholders than the terms of the Senior Non-Preferred Notes (provided that the Issuer shall have delivered a certificate to that effect to the Fiscal Agent). There can be no assurance that, due to the particular circumstances of each Noteholder, any Qualifying Senior Notes will be as favourable to each Noteholder in all respects or that, if it were entitled to do so, a particular Noteholder would make the same determination as the Issuer as to whether the terms of the relevant Qualifying Senior Notes are not materially less favourable to Noteholders than the terms of the Senior Non-Preferred Notes.

The obligation of the Issuer to pay additional amounts in respect of any withholding or deduction of taxes is limited to payments of interest under the Senior Non-Preferred Notes

The obligation of the Issuer to pay additional amounts in respect of any withholding or deduction of taxes imposed under the laws of France under Condition 7 of the English Law Conditions or Condition 6 of the French Law Conditions apply only to payments of interest and not to payments of principal due under the Senior Non-Preferred Notes. As such, the Issuer is not required to pay any additional amounts under Condition 7 of the English Law Conditions or Condition 6 of the French Law Conditions to the extent any withholding or deduction applies to payments of principal under the Senior Non-Preferred Notes. Accordingly, if any such withholding or deduction were to apply to any payments of principal under the Senior Non-Preferred Notes, Senior Non-Preferred Noteholders may receive less than the full amount due under the Senior Non-Preferred Notes.

E. ADDITIONAL RISKS RELATED TO SUBORDINATED NOTES

These specific risk factors relating to Subordinated Notes described below should be read together with the general risk factors relating to the Notes and the market, and the risk factors relating to the structure of a particular issue of Notes, described above.

Subordinated Notes are complex financial instruments and may not be a suitable investment for certain investors

The Subordinated Notes, upon issue, are expected to be rated by one or more credit rating agencies lower than the Issuer's and Senior Preferred Notes' credit ratings, and the Senior Non-Preferred Notes reflecting the increased risk of loss in the event of the Issuer's insolvency and the fact that they can be bailed-in before the Senior Notes in the event of resolution under the BRRD. Each potential investor in the Subordinated Notes should determine the suitability of such investment in light of its own circumstances and have sufficient financial resources and liquidity to bear the risks of an investment in the Subordinated Notes, including the possibility that the entire principal amount of the Subordinated Notes could be lost.

Subordinated Notes constitute subordinated obligations ranking junior to the Senior Notes

The Issuer's obligations under the Subordinated Notes including, where applicable any related Coupons, are unsecured and subordinated and will rank junior in priority of payment to other creditors (including depositors) of the Issuer, as more fully described herein. Subordinated Notes are issued pursuant to the provisions of Article L.228-97 of the French *Code de commerce*.

In the event any judgment is rendered by any competent court declaring the judicial liquidation of the Issuer or if the Issuer is liquidated for any other reason, the rights of payment of the Subordinated Noteholders and, where applicable, any related Coupons shall be subordinated to the payment in full of all present or future senior creditors and holders of, or creditors in respect of, subordinated

obligations expressed by their terms to rank in priority to the Subordinated Notes and of those preferred by mandatory and/or overriding provisions of law (collectively, **Senior Creditors**) and, subject to such payment in full, the Subordinated Noteholders and, where applicable, any related Coupons shall be paid in priority to any *prêts participatifs* granted to the Issuer, any *titres participatifs* issued by it and any deeply subordinated obligations of the Issuer (*engagements dits "super subordonnés"*, i.e. *engagements subordonnés de dernier rang*). In the event of incomplete payment of Senior Creditors, the obligations of the Issuer in connection with the Subordinated Notes and, where applicable, any related Coupons will be terminated. The Subordinated Noteholders and, where applicable, any related Coupons shall be responsible for taking all necessary steps for the orderly accomplishment of any such liquidation of the Issuer in relation to any claims they may have against the Issuer.

Although the Subordinated Notes may pay a higher rate of interest than comparable notes that are not subordinated, there is a substantial risk that investors in subordinated notes such as the Subordinated Notes will lose all or some of their investment should the Issuer become insolvent or become subject to any resolution procedure. Subordinated Noteholders face an increased risk compared to holders of Senior Notes.

Law n°2016-1691 dated 9 December 2016 creating a priority between Senior Preferred Notes and Senior Non-Preferred Notes issued by credit institutions and which rank senior to subordinated obligations

Law n°2016-1691 dated 9 December 2016 has modified the ranking among creditors of credit institutions in case of judicial liquidation (*liquidation judiciaire*) or resolution (*résolution*), introducing a priority among senior (*chirographaires*) securities between senior preferred securities and senior non-preferred securities (such as the Senior Preferred Notes and the Senior Non-Preferred Notes), without modifying the ranking between senior securities and subordinated securities, so that the rights of payment of the holders of Subordinated Notes would be subordinated to the payment in full of all present and future holders of such securities as well as to any other holders of securities ranking senior to the Subordinated Notes regarding the order of priority. Thus, there is no restriction on the amount of debt that the Issuer may issue that ranks senior to the Subordinated Notes.

Absence of events of default in respect of Subordinated Notes

Subordinated Notes do not contain any events of default. The Noteholders will not be able to accelerate the maturity of such Notes. Accordingly, if the Issuer fails to meet any obligations under such Notes, investors will not have the right of acceleration of principal. Upon a payment default, the sole remedy available to Noteholders and, where applicable, Couponholders for recovery of amounts owing in respect of any payment of principal or interest on the Subordinated Notes will be the institution of judicial proceedings to enforce such payment. Notwithstanding the foregoing, the Issuer will not, by virtue of the institution of any such proceedings, be obliged to pay any sum or sums sooner than the same would otherwise have been payable by it.

Substitution and variation of the Subordinated Notes governed by English law without Noteholder consent

With respect to a Series of English Law Subordinated Notes, subject as provided herein, in particular to the provisions of Condition 6(g)(ii), the Issuer may, at its option and without the consent or approval of the Noteholders, elect either to (i) substitute all (but not some only) of such Series of Subordinated Notes or (ii) vary the terms of all (but not some only) of such Series of Subordinated Notes, so that they become or remain Qualifying Tier 2 Notes.

Qualifying Tier 2 Notes are securities issued by the Issuer that have, inter alia, terms not materially less favourable to the Noteholders than the terms of the Subordinated Notes (provided that the Issuer shall have delivered a certificate to that effect to the Fiscal Agent). There can be no assurance that, due to the particular circumstances of each Noteholder, any Qualifying Tier 2 Notes will be as favourable to each Noteholder in all respects or that, if it were entitled to do so, a particular Noteholder would make the same determination as the Issuer as to whether the terms of the relevant

Qualifying Tier 2 Notes are not materially less favourable to Noteholders than the terms of the Subordinated Notes.

The obligation of the Issuer to pay additional amounts in respect of any withholding or deduction of taxes is limited to payments of interest under the Subordinated Notes

The obligation of the Issuer to pay additional amounts in respect of any withholding or deduction of taxes imposed under the laws of France under Condition 7 of the English Law Conditions or Condition 6 of the French Law Conditions apply only to payments of interest and not to payments of principal due under the Subordinated Notes. As such, the Issuer is not required to pay any additional amounts under Condition 7 of the English Law Conditions or Condition 6 of the French Law Conditions to the extent any withholding or deduction applies to payments of principal under the Subordinated Notes. Accordingly, if any such withholding or deduction were to apply to any payments of principal under the Subordinated Notes, Subordinated Noteholders may receive less than the full amount due under the Subordinated Notes.

Redemption of Subordinated Notes prior to the Maturity Date is subject to the prior approval of the Regulator

Upon the occurrence of certain events described in Condition 6 of the English Law Conditions and/or Condition 5 of the French Law Conditions, including, but not limited to, a Withholding Tax Event, a Special Tax Event, a Tax Deductibility Event, a Capital Event or a Redemption at the Option of the Issuer (if so specified in the applicable Final Terms), the Issuer may in any case, subject to the prior approval of the Regulator, redeem the Subordinated Notes before their Maturity Date, in whole but not in part, at their Early Redemption Amount together with accrued interest. The early redemption of the Subordinated Notes may not occur should the Regulator refuse to give its approval, and if so, market value of the Subordinated Notes may be affected negatively and investors may incur losses in respect of their investments in the Subordinated Notes.

F. ADDITIONAL RISKS RELATED TO ENGLISH LAW NOTES DENOMINATED IN CNY

These specific risk factors relating to English Law Notes Denominated in CNY described below should be read together with the general risk factors relating to the Notes and the market, and the risk factors relating to the structure of a particular issue of Notes, described above.

English Law Notes denominated in CNY (**CNY Notes**) may be issued under the Programme. CNY Notes contain particular risks for potential investors, including the following:

CNY is not freely convertible.

The PRC government continues to regulate conversion between CNY and foreign currencies, including the Hong Kong Dollar, despite the significant reduction over the years by the PRC government of its control over routine foreign exchange transactions under current accounts.

On the other hand, remittance of CNY by foreign investors into the PRC for the settlement of capital account items, such as capital contributions, is generally only permitted upon obtaining specific approvals from, or completing specific registrations or filings with, the relevant authorities on a case-by-case basis and is subject to a strict monitoring system.

Although CNY was added to the Special Drawing Rights basket created by the International Monetary Fund on 1 October 2016, there can be no assurance that the PRC government will continue to gradually liberalise its control over cross-border CNY remittances in the future, that the schemes for CNY cross-border utilisation will not be discontinued or that new PRC regulations will not be promulgated in the future which have the effect of restricting or eliminating the remittance of CNY outside the PRC in CNY. In the event that funds cannot be repatriated out of the PRC in CNY, this may affect the overall availability of CNY outside of the PRC and the ability of the Issuer to finance its obligations under the CNY Notes.

There is only limited availability of CNY outside of the PRC, which may affect the liquidity of the CNY Notes and the Issuer's ability to source CNY outside of the PRC to service the CNY Notes

The People's Bank of China (**PBOC**) has established a CNY clearing and settlement system for participating banks in Hong Kong pursuant to a settlement agreement relating to the clearing of CNY business between PBOC and financial institutions in a number of financial centres and cities (**CNY Clearing Banks**), including but not limited to Bank of China (Hong Kong) and are in the process of establishing CNY clearing and settlement mechanisms in several other jurisdictions (each, an **Settlement Arrangement**). However, the current size of CNY and CNY denominated financial assets in Hong Kong is limited, and its growth is subject to many constraints which are directly affected by PRC laws and regulations on foreign exchange and may adversely affect the liquidity of the Notes.

CNY business participating banks do not have direct CNY liquidity support from the PBOC. The relevant CNY Clearing Bank only has access to onshore liquidity support from the PBOC for the purpose of squaring open positions of participating banks for limited types of transactions, including open positions resulting from conversion services for corporations relating to cross border trade settlement. The relevant CNY Clearing Bank is not obliged to square for participating banks any open positions as a result of other foreign exchange transactions or conversion services and the participating banks will need to source CNY from outside the PRC to square such open positions.

Although it is expected that the offshore CNY market will continue to grow in depth and size, its growth is subject to many constraints as a result of PRC laws and regulations on foreign exchange. There is no assurance that new PRC regulations will not be promulgated or the Settlement Arrangements will not be terminated or amended in the future which will have the effect of restricting availability of CNY offshore. The limited availability of CNY outside of the PRC may affect the liquidity of the CNY Notes. To the extent the Issuer is required to source CNY in the offshore market to service the CNY Notes, there is no assurance that the Issuer will be able to source such CNY on satisfactory terms, if at all.

CNY currency risk

All payments of CNY under the Notes to the Noteholders will be made solely by transfer to a CNY bank account maintained in Hong Kong in accordance with the prevailing rules and regulations and in accordance with the Terms and Conditions of the Notes. The Issuer cannot be required to make payment by any other means (including in bank notes or by transfer to a bank account in the PRC or anywhere else outside Hong Kong). CNY is not freely convertible at present, and conversion of CNY into other currencies through banks in Hong Kong is subject to certain restrictions. In particular, for personal investors, currently conversions of CNY conducted through CNY deposit accounts are subject to a daily limit, and investors may have to allow time for conversion of CNY from/to another currency of an amount exceeding such daily limit.

In addition, there can be no assurance that access to CNY for the purposes of making payments under the Notes or generally may remain or will not become restricted. If it becomes impossible to convert CNY from/to another freely convertible currency, or transfer CNY between accounts in Hong Kong, or the general CNY exchange market in Hong Kong becomes illiquid, any payment of CNY under the Notes may be delayed or the relevant Issuer may make such payments in another currency selected by the relevant Issuer using an exchange rate determined by the Calculation Agent, or the relevant Issuer may redeem the Notes by making payment in another currency.

CNY exchange rate risk

The value of CNY against the Hong Kong dollar and other foreign currencies fluctuates and is affected by changes in the PRC and international political and economic conditions and by many other factors. In August 2015, the PBOC implemented changes to the way it calculates the CNY's daily mid-point against the U.S. dollar to take into account market-maker quotes before announcing such daily mid-point. This change, and others that may be implemented, may increase the volatility in the value of the CNY against foreign currencies. The relevant Issuer will make all CNY payments under the Notes in CNY (subject to the second paragraph under the heading "CNY currency risk" above). As a result, the

value of such payments in CNY (in Hong Kong dollar or other applicable foreign currency terms) may vary with the prevailing exchange rates in the marketplace. If the value of CNY depreciates against the Hong Kong dollar or other foreign currencies, the value of an investor's investment in Hong Kong dollar or other applicable foreign currency terms will decline.

CNY interest rate risk

The PRC government has gradually liberalised the regulation of interest rates in recent years. Further liberalisation may increase interest rate volatility. Where applicable, the value of CNY payments under the Notes may be subject to interest rate fluctuations, including Chinese CNY Repo Rates and/or the Shanghai inter-bank offered rate (SHIBOR).

IMPORTANT INFORMATION RELATING TO NON-EXEMPT OFFERS OF NOTES

1. CONSENT GIVEN IN ACCORDANCE WITH ARTICLE 3.2 OF THE PROSPECTUS DIRECTIVE (RETAIL CASCADES)

Certain Tranches of Notes with a denomination of less than €100,000 (or, if the Notes are denominated in a currency other than euro, the equivalent amount in such currency on the issue date of the relevant Tranche) may be offered in one or more Member States of the EEA in circumstances where there is no exemption from the requirement to publish a prospectus (a **Non-exempt Offer**) under Prospectus Directive. This Base Prospectus has been prepared on a basis that permits Non-exempt Offers, provided the following provisions are complied with and, as applicable, the following conditions are satisfied.

In the context of a Non-exempt Offer, the Issuer accepts responsibility, in each member state of the EEA for which it has given its consent (each a **Public Offer Jurisdiction**), for the content of this Base Prospectus, as supplemented from time to time, and of the applicable Final Terms (together the **Prospectus**) in relation to any person (an **Investor**) to whom any offer of Notes is made by any financial intermediary to whom the Issuer has given its consent to the use of the Prospectus (an **Authorised Offeror**) where the offer is made (i) during the period for which that consent is given (the **Offer Period**), (ii) in a Public Offer Jurisdiction for which that consent is given and (iii) is in compliance with any other conditions, as detailed in paragraphs 2 and 3 below and supplemented in the applicable Final Terms.

However, none of the Issuer or any of the Dealers has responsibility for any of the actions of any Authorised Offeror, including non-compliance by an Authorised Offeror with applicable conduct of business rules or other local regulatory requirements or other securities law requirements in relation to such offer.

In the case of a Non-exempt Offer, none of the Issuer or any of the Dealers authorises the use of the Prospectus in a Member State of the EEA other than a Public Offer Jurisdiction, nor by a financial intermediary other than an Authorised Offeror. Such unauthorised Non-exempt Offers are not made by or on behalf of the Issuer and the Issuer accepts no responsibility for the actions of any person making such offers and the related consequences.

Save as provided below, the Issuer has not authorised the making of any Non-exempt Offer in circumstances that require the Issuer to publish a prospectus or a supplement to this Base Prospectus for such offer.

 - (iv) ensure that it does not, directly or indirectly, cause the Issuer or any of the relevant Dealers to breach any Rule or any requirement to obtain or make any filing, authorisation or consent in any jurisdiction;

- (v) comply with the conditions to the consent referred to under paragraph "*Common conditions to the consent*" together with any other condition specified under the clause "*Other conditions to consent*" in the applicable Final Terms; and

English Law Notes

Each Tranche of English Law Notes will be either Bearer Notes (with or without interest coupons attached), Registered Notes (without interest coupons attached) or Uncertificated SIS Notes, in each case issued outside the United States in reliance on the exemption from registration provided by Regulation S.

Bearer Notes (other than SIS Notes)

Each Tranche of Bearer Notes will on issue be initially represented by a Temporary Global Note or, if so specified in the applicable Final Terms, a Permanent Global Note which, in either case, will:

- (i) if the Global Notes are intended to be issued in NGN form, as stated in the applicable Final Terms, be delivered on or prior to the Issue Date of the relevant Tranche to the Common Safekeeper for Euroclear and Clearstream; and
- (ii) if the Global Notes are not intended to be issued in NGN Form, be delivered on or prior to the Issue Date of the relevant Tranche to the Common Depository for Euroclear and Clearstream.

Notes represented by Bearer Global Notes will only be transferable in accordance with the rules and procedures for the time being of Euroclear or Clearstream as the case may be.

The Bearer Notes of each Tranche may not be offered or sold in the United States or to, or for the benefit or account of, a U.S. Person, and such Bearer Notes will bear a legend regarding such restrictions on transfer. Any future transfer, resale, pledge or delivery of such Bearer Notes or any interest therein may only be made in compliance with the resale provisions set forth in Regulation S. Additional restrictions apply if the Notes are Permanently Restricted Notes.

In the event that a Bearer Global Note held on behalf of Euroclear and/or Clearstream (or any part thereof) has become due and repayable in accordance with the Conditions or that the Maturity Date has occurred and, in either case, payment in full of the amount due has not been made to the bearer in accordance with the Conditions, then the Bearer Global Note will become void. At the same time, accountholders with Euroclear and/or Clearstream having such Notes (other than Definitive Bearer Notes, as defined under "*Terms and Conditions of the English Law Note*") credited to their accounts will become entitled to the rights contained in, including to proceed directly against the Issuer, on the basis of statements of account provided by Euroclear and/or Clearstream, and under the terms of, a deed of covenant (the **Deed of Covenant**, which expression includes the same as it may be modified and/or supplemented and/or restated from time to time) dated 14 March 2016 and executed by the Issuer.

Registered Notes

The Registered Notes of each Tranche offered and sold in reliance on Regulation S, which will be sold to non-U.S. persons outside the United States, will initially be represented by a Regulation S Global Note or a Non-U.S. Registered Global Note (each a **Registered Global Note**). Beneficial interests in, or in any Registered Notes represented by, a Regulation S Global Note may not be offered or sold to, or for the account or benefit of, a U.S. Person and prior to the expiry of the Distribution Compliance Period (as defined in the English Law Agency Agreement) may not be held otherwise than through Euroclear or Clearstream and such Regulation S Global Note will bear a legend regarding such restrictions on transfer.

Non-U.S. Registered Notes, or any interest therein, may not at any time be offered, sold, resold, traded, pledged, redeemed, transferred or delivered, directly or indirectly, in the United States or to, or for the account or benefit of, a U.S. Person and any offer, sale, resale, trade, pledge, redemption, transfer or delivery made, directly or indirectly, within the United States or to, or for the account or benefit of, a U.S. Person will not be recognised. legend regarding such restrictions on transfer. Registered Global Notes (being Regulation S Global Notes or Non-U.S. Registered Global Notes) will be registered in the name of a nominee for, deposited with, a Common Depositary or Common Safekeeper, as the case may be, for Euroclear and Clearstream, as specified in the applicable Final Terms. Persons holding beneficial interests in Registered Global Notes will be entitled or required, as the case may be, under the circumstances described below, to receive physical delivery of Definitive Registered Notes (as defined under "*Terms and Conditions of the English Law Notes*").

Payments of principal, interest and any other amount in respect of the Registered Global Notes will, in the absence of any provision to the contrary, be made to the person shown on the Register (as defined in Condition 5(d) (see "*Terms and Conditions of the English Law Notes*")) as the registered holder of the Registered Global Notes. None of the Issuer or any Agent will have any responsibility or liability for any aspect of the records relating to or payments or deliveries made on account of beneficial ownership interests in the Registered Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Payments of principal, interest or any other amount in respect of Definitive Registered Notes will, in the absence of any provision to the contrary, be made to the persons shown on the Register on the relevant Record Date (as defined in Condition 5(d) (see "*Terms and Conditions of the English Law Notes*")) immediately preceding the due date for payment in the manner provided in that Condition.

SIS Notes

Each Tranche of SIS Notes will be issued either as (i) Bearer SIS Notes or as (ii) Uncertificated SIS Notes, which in each case, are, or are intended to be, deposited or registered with and cleared through SIS or any other clearing institution in Switzerland recognised for such purposes by SIX Swiss Exchange (SIS or any other such intermediary, the **Intermediary**). The applicable Final Terms will indicate whether SIS Notes are CHF SIS Notes, Other SIS Notes or Uncertificated SIS Notes.

SIS Notes may not be offered or sold in the United States or to, or for the benefit or account of, a U.S. Person, and such SIS Notes will bear a legend regarding such restrictions on transfer. Any future transfer, resale, pledge or delivery of such SIS Notes or any interest therein may only be made in compliance with the resale provisions set forth in Regulation S.

SIS Notes designated in the applicable Final Terms as Permanently Restricted Notes, or any interest therein, may not at any time be offered, sold, resold, traded, pledged, redeemed, transferred or delivered, directly or indirectly, in the United States or to, or for the account or benefit of, a U.S. Person and any offer, sale, resale, trade, pledge, redemption, transfer or delivery made, directly or indirectly, within the United States or to, or for the account or benefit of, a U.S. Person will not be recognised. Permanently Restricted Notes may not be legally or beneficially owned at any time by any U.S. Person and accordingly are being offered and sold outside the United States to persons that are not U.S. Persons in reliance on Regulation S.

Bearer SIS Notes

Each Tranche of Bearer SIS Notes will be represented by a permanent global Note (**Permanent Global SIS Note**) which will be deposited with the Intermediary on or prior to the issue date of the Tranche. Once the Permanent Global SIS Note has been deposited with the Intermediary and the Bearer SIS Notes represented thereby have been entered into the accounts of one or more participants of the Intermediary, such Bearer SIS Notes will constitute intermediated securities (*Bucheffekten*) (**Intermediated Securities**) within the meaning of the Swiss Federal Intermediated Securities Act (*Bucheffektengesetz*).

Each holder of Bearer SIS Notes shall have a quotal co-ownership interest (*Miteigentumsanteil*) in the Permanent Global SIS Note representing such Bearer SIS Notes to the extent of its claim against the Issuer, provided that, for so long as the Permanent Global SIS Note remains deposited with the Intermediary, the co-ownership interest shall be suspended and such Bearer SIS Notes may only be transferred by the entry of the transferred Bearer SIS Notes in a securities account (*Effektenkonto*) of the transferee.

The records of the Intermediary will determine the number of Bearer SIS Notes held through each participant of the Intermediary. The holders of Bearer SIS Notes constituting Intermediated Securities will be the persons holding such Bearer SIS Notes in a securities account (*Effektenkonto*) that is in their name or, in the case of intermediaries (*Verwahrungsstellen*), the intermediaries holding such Bearer SIS Notes for their own account in a securities account that is in their name (and the terms "**Noteholder**" and "**holder of Notes**" and, where applicable "**Couponholder**" and "**holder of Coupons**" and related expressions shall be construed accordingly).

CHF SIS Notes are Bearer SIS Notes benefiting from a limited exception to the non-US beneficial ownership certification requirement of the TEFRA D Rules. Other SIS Notes may be subject to additional selling restrictions and additional U.S. tax disclosure as set out in the applicable Final Terms.

Special procedures must be followed for CHF SIS Notes in order for such Notes to be exempt from the non-US beneficial ownership certification requirement of the TEFRA D Rules. Each of the relevant Dealers must have represented and agreed in the Programme Agreement that (a) it will comply with U.S. selling restrictions in so far as they apply to CHF SIS Notes and (b) the offering and sale of the CHF SIS Notes has been and will be conducted in accordance with Swiss laws and regulations. The following criteria must be fulfilled in order for the limited exception to the non-US beneficial ownership certification requirement of the TEFRA D Rules to apply:

- (i) the interest on, and the principal of, the CHF SIS Notes are denominated only in Swiss Francs;
- (ii) the interest on, and the principal of, the CHF SIS Notes are payable only in Switzerland;
- (iii) the CHF SIS Notes are offered and sold in accordance with Swiss customary practice and documentation;
- (iv) the relevant Dealers agree to use reasonable efforts to sell the CHF SIS Notes within Switzerland;
- (v) the CHF SIS Notes are not listed, or subject to an application for listing, on an exchange located outside Switzerland;
- (vi) the issuance of the CHF SIS Notes complies with any guidelines or restrictions imposed by Swiss governmental, banking or securities authorities from time to time; and
- (vii) more than 80 per cent. by value of the CHF SIS Notes included in the offering of which they are part are offered and sold to non-Dealers by Dealers maintaining an office located in Switzerland.

Bearer SIS Notes and any related Coupons and any non-contractual obligations arising out of or in connection with such Notes and Coupons will be governed by English law.

Uncertificated SIS Notes

Each Tranche of Uncertificated SIS Notes will be entered into the main register (*Hauptregister*) of the Intermediary on or prior to their issue date. Once the Uncertificated SIS Notes are registered in the main register of the Intermediary, the Uncertificated SIS Notes will constitute Intermediated Securities.

So long as the Uncertificated SIS Notes constitute Intermediated Securities, they may only be transferred by the entry of the transferred Uncertificated SIS Notes in a securities account of the transferee in accordance with the rules and procedures of the Intermediary.

The records of the Intermediary will determine the number of Uncertificated SIS Notes held through each participant in the Intermediary. In respect of Uncertificated SIS Notes held in the form of Intermediated Securities, the holders of such Uncertificated SIS Notes will be the persons holding such Uncertificated SIS Notes in a securities account (*Effektenkonto*) that is in their name, or, in case of intermediaries (*Verwahrungsstellen*), the intermediaries holding such Uncertificated SIS Notes for their own account in a securities account that is in their name (and the terms "**Noteholder**" and "**holder of Notes**" and where applicable, "**Couponholder**" and "**holder of Coupons**" and related expressions shall be construed accordingly).

No holder of Uncertificated SIS Notes will at any time have the right to effect or demand the exchange of such Uncertificated SIS Notes into, or the delivery of, a Permanent Global SIS Note or Definitive Bearer SIS Notes.

Uncertificated SIS Notes and any non-contractual obligations arising out of or in connection with the Notes will be governed by English law, except in respect of their form, title and transfer, as set out in Condition 1 (*Form, Denomination, Title and Redenomination*), which shall be governed by Swiss law and particularly the laws applicable to SIS or any other clearing institution in Switzerland recognized for such purposes by SIX Swiss Exchange.

French Law Notes

French Law Notes will be either Dematerialised Notes or Materialised Notes, as specified in the applicable Final Terms.

Dematerialised Notes, which are designated in the applicable Final Terms as Permanently Restricted Notes, or any interest therein, may not at any time be offered, sold, resold, traded, pledged, redeemed, transferred or delivered, directly or indirectly, in the United States or to, or for the account or benefit of, a U.S. Person and any offer, sale, resale, trade, pledge, redemption, transfer or delivery made, directly or indirectly, within the United States or to, or for the account or benefit of, a U.S. Person will not be recognised. Permanently Restricted Notes may not be legally or beneficially owned at any time by any U.S. Person and accordingly are being offered and sold outside the United States to persons that are not U.S. Persons in reliance on Regulation S.

Dematerialised Notes which are not designated as Permanently Restricted Notes and Materialised Notes, or, in each case any interest therein, may not be offered or sold in the United States or to, or for the account or benefit of, U.S. Persons except pursuant to an exemption from the registration requirements of the Securities Act.

Dematerialised Notes

Title to Dematerialised Notes will be evidenced in accordance with Articles L.211-3 *et seq.* and R.211-1 *et seq.* of the French *Code monétaire et financier* by book entries (*inscriptions en compte*). No physical document of title (including *certificats représentatifs* pursuant to Article R.211-7 of the French *Code monétaire et financier*) will be issued in respect of Dematerialised Notes.

Dematerialised Notes may, at the option of the Issuer, be in (i) bearer form (*au porteur*), in which case they will be inscribed as of the issue date of the relevant Tranche of Dematerialised Notes in the books of Euroclear France (**Euroclear France**), acting as central depository, which shall credit the accounts of the Euroclear France Account Holders (as defined in "*Terms and Conditions of the French Law Notes*") including Euroclear, the depository bank for Clearstream and, in the case of French Law Notes listed on SIX Swiss Exchange, the depository banks for SIS or (ii) registered form (*au nominatif*) and, in such latter case, at the option of the relevant Noteholder (as defined in "*Terms and Conditions of the French Law Notes – Form, Denomination(s) and Title*"), in either (x) fully registered form (*au nominatif pur*), in which case they will be inscribed in an account in the books of Euroclear France maintained by the Issuer or by a registration agent (designated in the applicable Final Terms) acting on behalf of the Issuer, or (y) administered registered form (*au nominatif administré*) in which case they will be inscribed in the accounts of the Euroclear France Account Holders designated by the relevant Noteholders.

One Paris business day before the Issue Date of each Tranche of Dematerialised Notes, the *Lettre Comptable* relating to such Tranche shall be deposited with Euroclear France as central depository.

Materialised Notes

Materialised Notes will be in bearer form only and may only be issued outside France.

A temporary global certificate in bearer form without interest coupons attached (a **Temporary Global Certificate**) will initially be issued in connection with each Tranche of Materialised Notes. Such Temporary Global Certificate will be exchanged for definitive Materialised Notes in bearer form with, where applicable, Coupons for interest attached on or after a date expected to be on or about the 40th

calendar day after the issue date of the Notes (subject to postponement) upon certification as to non-U.S. beneficial ownership as more fully described below. Materialised Notes are serially numbered and are issued with Coupons (and, where appropriate, a Talon) attached, save in the case of Zero Coupon Notes in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons are not applicable.

Upon the initial deposit of such Temporary Global Certificate with the Common Depositary, Euroclear or Clearstream (or, if a subscriber holds an account with a clearing system other than Euroclear or Clearstream which holds an account directly or indirectly in Euroclear or Clearstream, such other clearing system) will credit the account of each holder of the Notes related to such Temporary Global Certificate with a nominal amount of such Notes equal to the nominal amount thereof for which it has subscribed and paid.

The Materialised Notes of each Tranche may not be offered, sold or delivered within the United States or its possessions or to, or for the benefit or account of, a U.S. Person, except in certain transactions permitted by U.S. Treasury Regulations, and such Materialised Notes and any related Coupons will bear a legend regarding such restrictions on transfer.

Certification as to non-U.S. beneficial ownership

Bearer Notes

Whilst any Bearer Note (other than Bearer SIS Notes) is represented by a Temporary Global Note, payments of principal, interest (if any) and any other amount payable in respect of the Notes due prior to the Exchange Date (as defined below) will be made (against presentation of the Temporary Global Note if the Temporary Global Note is not intended to be issued in NGN form) only to the extent that certification (in a form to be provided) to the effect that the beneficial owners of interests in such Note are not U.S. Persons or persons who have purchased for resale to any U.S. Person (hereinafter **Certification**), as required by U.S. Treasury Regulations, (i) has been received by Euroclear and/or Clearstream and Euroclear and/or Clearstream, as applicable, has given a like certification (based on the Certifications it has received) to the Fiscal Agent or, (ii) in the case of a Temporary Global Note or Temporary Global Certificate held otherwise than on behalf of Euroclear and/or Clearstream, from the holder thereof.

On and after the Exchange Date, interests in the Temporary Global Note will be exchangeable (free of charge) upon a request as described therein either for, as applicable, (i) interests in a Permanent Global Note, subject to postponement as provided in the Temporary Global Note or (ii) Definitive Bearer Notes of the same Series with, where applicable, Coupons and Talons attached (as indicated in the applicable Final Terms and subject, in the case of Definitive Bearer Notes, to such notice period as is specified in the Permanent Global Note), in accordance with the terms of the Temporary Global Note against Certification as to non-US beneficial ownership as described above and as required by U.S. Treasury regulations unless such Certification has already been given pursuant to the provisions set forth above. Exchange of a Temporary Global Note for interests in a Permanent Global Note will only be made if Definitive Bearer Notes have not already been issued. If Definitive Bearer Notes have already been issued, the Temporary Global Note may only thereafter be exchanged for Definitive Bearer Notes pursuant to the terms thereof. The holder of a Temporary Global Note will not be entitled to collect any payment of interest, principal or any other amount due on or after the Exchange Date unless, upon due Certification, exchange of the Temporary Global Note for an interest in a Permanent Global Note or, in the case of Bearer Notes, for Definitive Bearer Notes is improperly withheld or refused.

Payments of principal, interest (if any) or any other amounts on a Permanent Global Note (including Permanent Global SIS Notes) will be made through Euroclear and/or Clearstream, as applicable, to or to the order of the holder thereof (against presentation or surrender (as the case may be) of the Permanent Global Note if the Permanent Global Note is not intended to be issued in NGN form) without any requirement for Certification.

Materialised Notes

Materialised Notes in respect of which a Temporary Global Certificate has been issued will be exchangeable in whole, but not in part, free of charge to the holder, on or after the Exchange Date for Materialised Notes in definitive form (any such Notes, **Definitive Materialised Notes**), with, where applicable, Coupons and Talons attached:

- (i) if the applicable Final Terms indicates that such Temporary Global Certificate is issued in compliance with the C Rules or in a transaction to which TEFRA is not applicable; and
- (ii) otherwise, upon certification as to non-U.S. beneficial ownership in the form set out in the French Law Agency Agreement (as defined under "*Terms and Conditions of the French Law Notes*" below) for Definitive Materialised Notes.

On or after the Exchange Date, the holder of a Temporary Global Certificate may surrender such Temporary Global Certificate to or to the order of the Fiscal Agent (as defined in the French Law Agency Agreement). In exchange for any Temporary Global Certificate, the Issuer will deliver, or procure the delivery of, duly executed and authenticated Definitive Materialised Notes with, where applicable, Coupons and Talons attached. Definitive Materialised Notes and any related Coupons and Talons will be security printed at the expense of the Issuer in accordance with any applicable legal and stock exchange requirements in or substantially in the form set out in the French Law Agency Agreement.

For the purposes of this section ("*Certification as to non-U.S. beneficial ownership*"), the **Exchange Date** shall be the date (subject to postponement) on or after the later of (i) 40 calendar days after the Temporary Global Note or, as the case may be, Temporary Global Certificate is issued and (ii) 40 calendar days after the completion of the distribution of the relevant Tranche, as certified by the relevant Dealer (in the case of a non-syndicated issue) or the relevant lead manager (in the case of a syndicated issue).

Deed of Covenant

If any Bearer Global Note (other than Permanent Global SIS Notes) has become due and repayable in accordance with its Terms and Conditions or if the Maturity Date of such Note has occurred and payment in full of the amount due has not been made in accordance with the provisions of the Bearer Global Note, then the Bearer Global Note will become void at 8.00 p.m. (London time) on such day. At the same time, holders of interests in such Bearer Global Note credited to their accounts with Euroclear and/or Clearstream, as the case may be, will become entitled to the rights contained in, including to proceed directly against the Issuer, on the basis of statements of account provided by Euroclear and/or Clearstream in and subject to the terms of, the Deed of Covenant.

Exchange upon the occurrence of an Exchange Event

The applicable Final Terms with respect to any English Law Notes issued in global form (except Permanent Global SIS Notes) will specify if the relevant Permanent Global Note or Registered Global Note (as applicable) will be exchangeable (free of charge), in whole but not in part, for Definitive Bearer Notes with, where applicable, Coupons and Talons attached, or, as the case may be, Definitive Registered Notes, in which case such exchange will occur upon not less than 60 calendar days' written notice to the Fiscal Agent from or on behalf of, as the case may be, Euroclear and/or Clearstream acting on the instructions of any holder of an interest in the Permanent Global Note or Registered Global Note as described therein (unless otherwise specified in the applicable Final Terms) or, in the case of a Permanent Global Note, if such Note is held otherwise than on behalf of Euroclear or Clearstream, the bearer thereof, in the event of the occurrence of any of the circumstances described in (i), (ii), (iii) or (iv) below (each, an **Exchange Event**) or by the Issuer in the event of the occurrence of the circumstances described in (iv) below: (i) an Event of Default (as defined in Condition 9 of the Terms and Conditions of the English Law Notes) has occurred and is continuing; (ii) in the case of a Permanent Global Note or a Registered Global Note registered in the name of, or a nominee for, a common depositary for Euroclear and/or Clearstream, the Issuer has been notified that both Euroclear and Clearstream have been closed for business for a continuous

period of 14 calendar days (other than by reason of holiday, statutory or otherwise) or announce an intention permanently to cease business or have in fact done so and no successor clearing system is available; (iii) on the occasion of the next payment in respect of any Bearer Notes, the Issuer would be required to pay additional amounts as referred to in Condition 7 and such payment would not be required were the Notes in definitive form; or (iv) in the case of Registered Notes, the Issuer has or will become subject to adverse tax consequences which would not be suffered were such Registered Notes represented by a Registered Definitive Note. The Issuer will promptly give notice to Noteholders and where applicable, Couponholders in accordance with Condition 13 (see "*Terms and Conditions of the English Law Notes*") if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, Euroclear and/or Clearstream (acting on the instructions of any holder of an interest in such Registered Global Note) may give notice to the Fiscal Agent or, as the case may be, the Registrar requesting exchange and, in the event of the occurrence of an Exchange Event as described in (iv) above, the Issuer may also give notice to the Registrar requesting exchange. Any such exchange shall occur not later than 10 calendar days after the date of receipt of the first relevant notice by the Registrar.

No holder of Bearer SIS Notes will at any time have the right to effect or demand the exchange of the Permanent Global SIS Note representing such Bearer SIS Notes into, or the delivery of, Bearer SIS Notes in definitive form (**Definitive Bearer SIS Notes**) or uncertificated and dematerialised book-entry form. A Permanent Global SIS Note will only be exchangeable for Definitive Bearer SIS Notes, in whole, but not in part, if the Principal Swiss Paying Agent or the relevant Dealer, as applicable, deems (i) the printing of definitive Notes, Receipts or Coupons to be necessary or useful, or (ii) the presentation of definitive Notes, Receipts or Coupons to be required by Swiss or foreign laws in connection with the enforcement of rights (including in cases of bankruptcy, consolidation or reorganisation of the Issuer) (in respect of Bearer SIS Notes, each such circumstance a **Bearer SIS Notes Exchange Event**).

Upon the occurrence of a Bearer SIS Notes Exchange Event, the Principal Swiss Paying Agent (in case of SIS Notes that are not listed on SIX Swiss Exchange) or the relevant Dealer (in case of SIS Notes that are listed on SIX Swiss Exchange), as the case may be, shall provide for the printing of Definitive Bearer SIS Notes together with any related Coupons without cost to the holders of the relevant Bearer SIS Notes and any such Coupons. If Definitive Bearer SIS Notes and any such Coupons are delivered, the relevant Permanent Global SIS Note will immediately be cancelled by the Principal Swiss Paying Agent (in case of SIS Notes that are not listed on SIX Swiss Exchange) or the relevant Dealer (in case of SIS Notes that are listed on SIX Swiss Exchange), as the case may be, and the Definitive Bearer SIS Notes and any such Coupons shall be delivered to the relevant holders against cancellation of the relevant Bearer SIS Notes in such holders' securities accounts.

These Conditions will be incorporated by reference into each global Note and will be endorsed upon or attached to each definitive Note. The applicable Final Terms in relation to any Tranche (as defined below) of Notes (or the relevant provisions thereof) will be endorsed on, attached to or incorporated by reference in, each Temporary Global Note, Permanent Global Note and definitive Note.

Subject to this, to the extent permitted by applicable law and/or regulation, the Final Terms in respect of any Tranche of English Law Notes may complete any information in this Base Prospectus.

All capitalised terms used but not defined in these Terms and Conditions will have the meanings given to them in the applicable Final Terms. References in the Terms and Conditions to the "**Notes**" are to the English Law Notes of one Series only, not to all English Law Notes that may be issued under the Programme and shall mean:

The form of the Swiss Paying Agency Agreement is scheduled to the English Law Agency Agreement.

Any reference herein to "Coupons" or "coupons" shall, unless the context otherwise requires, be deemed to include a reference to "Talons" or "talons". Global Notes do not have Coupons or Talons attached on issue.

Any references in these Terms and Conditions to "Coupons" or "Talons" shall not apply to Registered Notes. Any reference herein to **Couponholders** shall mean the holders of the Coupons and shall, unless the context requires otherwise, include the holders of Talons.

The specific terms of each Tranche of Notes will be determined by the Issuer and the relevant Dealer(s) at the time of the issue and will be set out in the final terms of such Tranche (the **Final Terms**) that are endorsed on, attached to, or incorporated by reference in the relevant Tranche of Notes and which complete these terms and conditions (the **Terms and Conditions** or **Conditions**). References herein to the **applicable Final Terms** are to the Final Terms (or other relevant provisions thereof) and, if applicable, any schedules to the Final Terms, which Final Terms are endorsed on, attached to, or incorporated by reference in this Note.

As used herein, **Tranche** means Notes which are identical in all respects and **Series** means a Tranche of Notes together with any further Tranche or Tranches of Notes which are (a) expressed to be consolidated and form a single Series and (b) identical in all respects except for their principal amount, their respective Issue Dates, Interest Commencement Dates and/or Issue Prices, as specified in the applicable Final Terms.

Agreement (where applicable), the Deed of Covenant and the applicable Final Terms. The statements in the Conditions include summaries of, and are subject to, the detailed provisions of the English Law Agency Agreement and the Swiss Paying Agency Agreement (where applicable). Words and expressions defined in the English Law Agency Agreement or used in the applicable Final Terms shall have the same meanings where used in these Terms and Conditions unless the context otherwise requires or unless otherwise stated and provided that, in the event of any inconsistency between the English Law Agency Agreement, the Swiss Paying Agency Agreement (where applicable), and the applicable Final Terms, the applicable Final Terms will prevail.

In relation to Notes (other than SIS Notes) held on behalf of Euroclear and/or Clearstream and/or another clearing system, the Noteholders and the Couponholders are entitled to the benefit of the deed of covenant dated 14 March 2016 (the **Deed of Covenant**, which expression includes the same as it may be modified and/or supplemented and/or restated from time to time) and made by the Issuer. The original of the Deed of Covenant is held by the common depositary for Euroclear and Clearstream.

1. Form, Denomination, Title and Redenomination

(a) Form and Denomination

The Notes, except for Notes in registered form (**Registered Notes**) or Uncertificated SIS Notes, are in bearer form (**Bearer Notes**), and, in the case of Definitive Bearer Notes, serially numbered, in the Specified Currency and the Specified Denomination(s) specified in the applicable Final Terms. Notes of one Specified Denomination may not be exchanged for Notes of another Specified Denomination. The minimum denomination of each Note admitted to trading on Euronext Paris and/or the regulated market of the Luxembourg Stock Exchange and/or offered to the public in France and/or in Luxembourg in circumstances which require the publication of a prospectus under the Prospectus Directive will be at least such amount as may be allowed or required from time to time by the relevant central bank (or equivalent body) or any laws or regulations applicable to the Specified Currency.

A SIS Note is either in bearer form (a **Bearer SIS Note**) or in uncertificated and dematerialised book entry form (an **Uncertificated SIS Note**), which is, or is intended to be, deposited or registered with and cleared through SIS or any other clearing institution in Switzerland recognised for such purposes by SIX Swiss Exchange (SIS or any such intermediary, the **Intermediary**). SIS Notes may be denominated in Swiss Francs or other currencies approved by the Intermediary. The applicable Final Terms will indicate whether SIS Notes are CHF SIS Notes, Other SIS Notes (each as defined below) or Uncertificated SIS Notes.

Bearer SIS Notes are represented by a permanent global Note (**Permanent Global SIS Note**) without interest coupons attached that will be deposited with the Intermediary on or prior to the issue date of the Tranche. Once the Permanent Global SIS Note representing the Bearer SIS Notes has been deposited with the Intermediary and entered into the accounts of one or more participants of the Intermediary, such Bearer SIS Notes will constitute intermediated securities (*Bucheffekten*) within the meaning of the Swiss Federal Intermediated Securities Act (*Bucheffektengesetz*) (**Intermediated Securities**). Bearer SIS Notes denominated in Swiss Francs benefit from a limited exception to the non-US beneficial ownership certification requirement of the TEFRA D Rules, if such Bearer SIS Notes fulfil the relevant requirements set out below. Bearer SIS Notes denominated in Swiss Francs which fulfil these requirements are hereinafter referred to as **CHF SIS Notes**. Bearer SIS Notes denominated in Swiss Francs that do not fulfil these requirements and Bearer SIS Notes denominated in a currency approved by the Intermediary other than Swiss Francs are hereinafter referred to as **Other SIS Notes**.

The following criteria must be fulfilled in order for the limited exception to the certification requirement of the TEFRA D Rules to apply:

- (i) the interest on, and the principal of, the CHF SIS Notes are denominated only in Swiss Francs;
- (ii) the interest on, and the principal of, the CHF SIS Notes are payable only in Switzerland;

- (iii) the CHF SIS Notes are offered and sold in accordance with Swiss customary practice and documentation;
- (iv) the relevant Dealer(s) agree to use reasonable efforts to sell the CHF SIS Notes within Switzerland;
- (v) the CHF SIS Notes are not listed, or subject to an application for listing, on an exchange located outside Switzerland;
- (vi) the issuance of the CHF SIS Notes complies with any guidelines or restrictions imposed by Swiss governmental, banking or securities authorities from time to time; and
- (vii) more than 80 per cent. by value of the CHF SIS Notes included in the offering of which they are part are offered and sold to non-Dealers by the relevant Dealer(s) maintaining an office located in Switzerland.

Uncertificated SIS Notes will be entered into the main register (*Hauptregister*) of the Intermediary on or prior to their issue date. Once the Uncertificated SIS Notes are registered in the main register (*Hauptregister*) of the Intermediary, such Uncertificated SIS Notes will constitute Intermediated Securities.

In the case of SIS Notes, no printing of definitive Notes, Receipts or Coupons will occur (except as provided herein with respect to Bearer SIS Notes only). No Holder of Bearer SIS Notes shall at any time have the right to effect or demand the exchange of the Permanent Global SIS Note representing such Bearer SIS Notes into, or the delivery of, Bearer SIS Notes in definitive form (**Definitive Bearer SIS Notes**) or uncertificated and dematerialised book-entry form. If (i) the relevant Dealer (in the case of any Bearer SIS Notes that are listed on SIX Swiss Exchange) or the Principal Swiss Paying Agent (in the case of any Bearer SIS Notes not listed as aforesaid) deems the printing of definitive Notes, Receipts or Coupons to be necessary or useful, or (ii) the presentation of definitive Notes, Receipts or Coupons is required by Swiss or foreign laws in connection with the enforcement of rights (including in cases of bankruptcy, consolidation or reorganisation of the Issuer) (each such circumstance, in respect of Bearer SIS Notes, a **Bearer SIS Notes Exchange Event**), the relevant Dealer (in the case of any Bearer SIS Notes which are listed on SIX Swiss Exchange) or the Principal Swiss Paying Agent (in the case of any Bearer SIS Notes not listed as aforesaid) will provide for the printing of such definitive Notes, Receipts and Coupons at the expense of the Issuer and without cost to the relevant Noteholders. The Issuer irrevocably authorises the relevant Dealer (in the case of any Bearer SIS Notes that are listed on SIX Swiss Exchange) or the Principal Swiss Paying Agent (in the case of any Bearer SIS Notes that are not listed as aforesaid) to provide for such printing on its behalf. If Definitive Bearer SIS Notes are delivered, the relevant Permanent Global SIS Note will immediately be cancelled by the Principal Swiss Paying Agent or the relevant Dealer, as the case may be, and the Definitive Bearer SIS Notes shall be delivered to the relevant holders against cancellation of the relevant Bearer SIS Notes in such holders' securities accounts.

The Notes may be Fixed Rate Notes, Floating Rate Notes, Fixed/Floating Rate Notes or Zero Coupon Notes or a combination of any of the foregoing, all depending upon the Interest/Payment/Redemption Basis specified in the applicable Final Terms.

Definitive Bearer Notes are issued with Coupons attached, unless they are Zero Coupon Notes in which case references to Coupons and Couponholders in these Terms and Conditions are not applicable.

(b) *Title*

Subject as set out below, title to Bearer Notes and Coupons will pass by delivery. Subject as set out below, the Issuer and any Paying Agent will (except as otherwise required by law) deem and treat the bearer of any Bearer Note or Coupon as the absolute owner thereof (whether or not overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any global Note, without prejudice to the provisions set out in the next succeeding paragraph.

For so long as any of the Bearer Notes (other than SIS Notes) or the Registered Notes is represented by a global note held on behalf of, or in the case of Registered Notes, by a Common Depositary (as defined below) or in the case of New Global Notes and Registered Global Notes held under the NSS (as defined below), a Common Safekeeper (the **Common Safekeeper**), on behalf of, Euroclear Bank S.A./N.V. (**Euroclear**) and/or Clearstream Banking, S.A. (**Clearstream**), each person (other than Euroclear or Clearstream) who is for the time being shown in the records of Euroclear and/or Clearstream as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream as to the nominal amount of Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, any Paying Agent and the Registrar as the holder of such nominal amount of the Notes for all purposes other than with respect to the payment of principal or interest on such nominal amount of such Notes, for which purpose the bearer of the relevant global note or, as applicable, the registered holder of the relevant Registered Global Note shall be treated by the Issuer and any Paying Agent as the holder of such nominal amount of such Notes in accordance with and subject to the terms of the relevant global Note (and the expressions **Noteholder** and **holder of Notes** and related expressions shall be construed accordingly).

In the case of Bearer SIS Notes, each holder thereof shall have a quotal co-ownership interest (*Miteigentumsanteil*) in the Permanent Global SIS Note representing such Bearer SIS Notes to the extent of his claim against the Issuer, provided that, for so long as the Permanent Global SIS Note remains deposited with the Intermediary, the co-ownership interest shall be suspended and the Bearer SIS Notes may only be transferred by the entry of the transferred Bearer SIS Notes in a securities account of the transferee held with a participant of the Intermediary. Uncertificated SIS Notes may also only be transferred by the entry of the transferred Uncertificated SIS Notes in a securities account of the transferee held with a participant of the Intermediary. The records of the Intermediary will determine the number of SIS Notes held through each participant of the Intermediary. In respect of SIS Notes held in the form of Intermediated Securities (*Bucheffekten*), the holders of such SIS Notes will be the persons holding such SIS Notes in a securities account (*Effektenkonto*) that is in their name held with a participant of the Intermediary, or, in the case of intermediaries (*Verwahrungsstellen*), the intermediaries (*Verwahrungsstellen*) holding such SIS Notes for their own account in a securities account (*Effektenkonto*) that is in their name (and the expressions "Noteholder" and "holder of Notes" and, where applicable, "Couponholder" and "holder of Coupons" and related expressions shall be construed accordingly).

Bearer Global Notes (other than Permanent Global SIS Notes) which are not issued in new global note (**NGN**) form or Registered Global Notes which are not held under the new safekeeping structure (**NSS**) will be delivered on or prior to the original issue date of the Tranche to a common depositary (the **Common Depositary**), and in the case of Registered Global Notes registered in the name of any nominee, for Euroclear and Clearstream. Bearer Global Notes which are stated in the applicable Final Terms to be issued in NGN form or Registered Global Notes which are held under the NSS will be delivered on or prior to the original issue date of the Tranche to a Common Safekeeper. For the purposes of payment of principal or interest on the nominal amount of Notes standing to the account of any person, the bearer of the relevant global Note or, as applicable, the registered holder of the relevant Registered Global Note, shall be treated by the Issuer and any Paying Agent as the holder of such nominal amount of such Notes in accordance with and subject to the terms of the relevant global Note (and the expressions **Noteholder** and **holder of Notes** and, where applicable, "Couponholder" and "holder of Coupons" and related expressions shall be construed accordingly).

If the Bearer Global Note is a NGN, each person (other than Euroclear or Clearstream) who is for the time being shown in the records of Euroclear and/or Clearstream as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream as to the nominal amount of Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer and any Paying Agent as the holder of such nominal amount of the Notes for all purposes.

Notes which are represented by a global Note held on behalf of Euroclear or Clearstream will be

transferable only in accordance with the rules and procedures for the time being of Euroclear or Clearstream, as the case may be.

(c) *Redenomination of Notes*

- (i) The Issuer may (if so specified in the applicable Final Terms), on any Interest Payment Date, without the consent of the Noteholders or Couponholders, by giving at least 30 calendar days' prior notice in accordance with Condition 13 and 14, as the case may be, and on or after the date on which (i) the Member State of the European Union in whose national currency the Notes are denominated has become a participating Member State in the third stage of the European Economic and Monetary Union (as provided in the Treaty establishing the European Community (the **EC**), as amended from time to time (the **Treaty**)) or (ii) events have occurred which have substantially the same effects, redenominate all, but not some only, of the Notes of any Series denominated in such national currency into Euro and adjust the aggregate nominal amount of the issue and the Denomination(s) set out in the applicable Final Terms accordingly, as described below. The date on which such redenomination becomes effective shall be referred to in these Terms and Conditions as the **Redenomination Date**.
- (ii) The redenomination of the Notes pursuant to the above paragraph shall be made by converting the aggregate nominal amount of the issue and the Denomination(s) of each Note from the relevant national currency into Euro using the fixed relevant national currency Euro conversion rate established by the Council of the European Union pursuant to Article 123 (4) of the Treaty and rounding the resultant figure to the nearest 0.01 Euro (with 0.005 Euro being rounded upwards). If the Issuer so elects, the figure resulting from conversion of the principal amount of each Note using the fixed relevant national currency Euro conversion rate shall be rounded down to the nearest Euro. The Euro denominations of the Notes so determined shall be notified to Noteholders and Couponholders in accordance with Condition 13. Any balance remaining from the redenomination with a denomination higher than 0.01 Euro shall be paid by way of cash adjustment rounded to the nearest 0.01 Euro (with 0.005 Euro being rounded upwards). Such cash adjustment will be payable in Euros on the Redenomination Date in the manner notified to Noteholders by the Issuer.
- (iii) Upon redenomination of the Notes, any reference hereon to the relevant national currency shall be construed as a reference to Euro.
- (iv) The Issuer may, with prior approval of the Redenomination Agent and Consolidation Agent, in connection with any redenomination pursuant to this Condition or any consolidation pursuant to Condition 16, without the consent of the Noteholders or Couponholders, make any changes or additions to these Conditions which it reasonably believes to be necessary or desirable to give effect to the provisions of this Condition or Condition 16 (including, without limitation, any change to any applicable business day definition, business day convention, principal financial centre of the country of the Specified Currency, interest accrual basis or benchmark), taking into account market practice in respect of redenominated euromarket debt obligations and which it believes are not prejudicial to the interests of the Noteholders or Couponholders. Any such changes or additions shall, in the absence of manifest error, be binding on the Noteholders, Coupons and Talons and shall be notified to Noteholders and Couponholders in accordance with Condition 13 as soon as practicable thereafter.
- (v) Neither the Issuer nor any Paying Agent shall be liable to any Noteholder or Couponholder or other person for any commissions, costs, losses or expenses in relation to or resulting from the credit or transfer of Euro or any currency conversion or rounding effected in connection therewith.

2. Transfers of Registered Notes

(a) Transfers of interests in Registered Global Notes

Transfers of beneficial interests in Registered Global Notes will be effected by Euroclear or Clearstream, as the case may be, and, in turn, by other participants and, if appropriate, indirect participants in such clearing systems acting on behalf of direct and indirect transferors and transferees of such beneficial interests. A beneficial interest in a Registered Global Note will, subject to compliance with all applicable legal and regulatory restrictions, be exchangeable for Definitive Registered Notes only in the Specified Denominations set out in the applicable Final Terms and only in accordance with the rules and operating procedures for the time being of Euroclear or Clearstream, as the case may be, and in accordance with the terms and conditions specified in the English Law Agency Agreement.

(b) Transfers of Definitive Registered Notes

Subject as provided in paragraph (e), upon the terms and subject to the conditions set forth in the English Law Agency Agreement, a Definitive Registered Note may be transferred in whole or in part in the Specified Denominations set out in the applicable Final Terms. In order to effect any such transfer (i) the holder or holders must (A) surrender the Definitive Registered Note for registration of the transfer of the Definitive Registered Note (or the relevant part of the Definitive Registered Note) at the specified office of the Registrar or any Transfer Agent, with the form of transfer thereon duly executed by the holder or holders thereof or his or their attorney or attorneys duly authorised in writing and (B) complete and deposit such other certifications as may be required by the Registrar or, as the case may be, the relevant Transfer Agent and (ii) the Registrar or, as the case may be, the relevant Transfer Agent must, after due and careful enquiry, be satisfied with the documents of title and the identity of the person making the request. Any such transfer will be subject to such reasonable regulations as the Issuer and the Registrar may from time to time prescribe (the initial regulations being set out in Schedule 6 to the English Law Agency Agreement). Subject as provided above, the Registrar or, as the case may be, the relevant Transfer Agent will, within three business days (being for this purpose a day on which banks are open for business in the city where the specified office of the Registrar or, as the case may be, the relevant Transfer Agent is located) of the request (or such longer period as may be required to comply with any applicable fiscal or other laws or regulations), authenticate and deliver, or procure the authentication and delivery of, at its specified office to the transferee or (at the risk of the transferee) send by uninsured mail, to such address as the transferee may request, a new Definitive Registered Note of a like aggregate nominal amount to the Definitive Registered Note (or the relevant part of the Definitive Registered Note) transferred. In the case of the transfer of part only of a Definitive Registered Note, a new Definitive Registered Note in respect of the balance of the Definitive Registered Note not transferred will be so authenticated and delivered or (at the risk of the transferor) sent to the transferor by uninsured mail to such address as the transferor may request.

(c) Registration of transfer upon partial redemption

In the event of a partial redemption of Notes under Condition 6, the Issuer shall not be required to register the transfer of any Registered Note, or part of a Registered Note, called for partial redemption.

(d) Costs of registration

Noteholders will not be required to bear the costs and expenses of effecting any registration of transfer as provided above, except for any costs or expenses of delivery other than by regular uninsured mail and except that the Issuer may require the payment of a sum sufficient to cover any stamp duty, tax or other governmental charge that may be imposed in relation to the registration.

Transfers of a Non-U.S. Registered Global Note or a beneficial interest therein, or any Registered Note represented thereby, may not at any time be made to a transferee in the United States or to, or

for the account or benefit of, a U.S. Person and any offer, sale, resale, trade, pledge, redemption, transfer or delivery thereof made, directly or indirectly, within the United States or to, or for the account or benefit of, a U.S. Person will not be recognised.

(e) *Exchanges and transfers of Registered Notes generally*

Holders of Definitive Registered Notes may exchange such Notes for interests in a Registered Global Note of the same type at any time.

3. Status of the Notes

The obligations of the Issuer under the Notes may either be senior (**Senior Notes**) or subordinated (**Subordinated Notes**), as specified in the applicable Final Terms.

(a) *Senior Notes*

The Senior Notes may be either senior preferred notes (**Senior Preferred Notes**) or senior non-preferred notes (**Senior Non-Preferred Notes**), as specified in the applicable Final Terms.

For the avoidance of doubt, all "unsubordinated notes" issued by the Issuer under the €50,000,000,000 Euro Medium Term Note – Paris Registered Programme prior to the date of entry into force of the law n°2016-1691 dated 9 December 2016 (the **Law**) on 11 December 2016 constitute Senior Preferred Notes.

A. Senior Preferred Notes

Senior Preferred Notes, including where applicable any related Coupons, will constitute direct, unconditional, unsecured and senior obligations of the Issuer ranking as senior preferred obligations, as provided for in Article L. 613-30-3-I-3° of the French *Code Monétaire et Financier* (the **Code**).

Such Senior Preferred Notes including where applicable any related Coupons rank and will rank equally and rateably without any preference or priority among themselves and:

- (i) *pari passu* with all other direct, unconditional, unsecured and senior obligations of the Issuer outstanding as of the date of entry into force of the Law on 11 December 2016;
- (ii) *pari passu* with all other present or future direct, unconditional, unsecured and senior preferred obligations (as provided for in Article L. 613-30-3-I-3° of the Code) of the Issuer issued after the date of entry into force of the Law on 11 December 2016;
- (iii) junior to all present or future claims of the Issuer benefiting from statutorily preferred exceptions; and
- (iv) senior to all present or future senior non-preferred obligations (as provided for in Article L. 613-30-3-I-4° of the Code) of the Issuer.

B. Senior Non-Preferred Notes

Senior Non-Preferred Notes including, where applicable any related Coupons, will constitute direct, unconditional, unsecured and senior obligations of the Issuer ranking as senior non-preferred obligations (as provided for in Article L. 613-30-3-I-4° of the Code).

Such Senior Non-Preferred Notes, including, where applicable any related Coupons rank and will rank equally and rateably without any preference or priority among themselves and:

- (i) *pari passu* with all other present or future direct, unconditional, unsecured and senior non-preferred obligations of the Issuer (as provided for in Article L. 613-30-3-I-4° of the Code) issued after the date of entry into force of the Law on 11 December 2016;

- (ii) junior to all present or future direct, unconditional, unsecured and senior obligations of the Issuer ranking as senior preferred obligations (as provided for in Article L. 613-30-3-I-3° of the Code); and
- (iii) senior to all present or future subordinated obligations of the Issuer.

In the event any judgment is rendered by any competent court declaring the judicial liquidation of the Issuer or if the Issuer is liquidated for any other reason, the rights of payment of the Senior Non-Preferred Notes and, where applicable, any related Coupons shall be subordinated to the payment in full of all present or future senior preferred creditors and holders of, or creditors in respect of, obligations expressed by their terms to rank in priority to the Senior Non-Preferred Notes and of those preferred by mandatory and/or overriding provisions of law (collectively, **Senior Preferred Creditors**) and, subject to such payment in full, the holders of Senior Non-Preferred Notes and, where applicable, any related Coupons shall be paid in priority to any present or future subordinated obligations of the Issuer. In the event of incomplete payment of Senior Preferred Creditors, the obligations of the Issuer in connection with the Senior Non-Preferred Notes and, where applicable, any related Coupons will be terminated. The holders of Senior Non-Preferred Notes and, where applicable, any related Coupons shall be responsible for taking all necessary steps for the orderly accomplishment of any such liquidation of the Issuer in relation to any claims they may have against the Issuer.

(b) *Subordinated Notes*

The Subordinated Notes, including, where applicable any related Coupons, constitute direct, unconditional, unsecured and subordinated obligations of the Issuer and rank and will rank equally and rateably without any preference or priority among themselves and:

- (i) *pari passu* with all other present or future subordinated obligations of the Issuer, with the exception of subordinated obligations referred to in (ii) and (iii) below;
- (ii) senior to all present or future *prêts participatifs* granted to the Issuer, *titres participatifs* issued by the Issuer and any deeply subordinated obligations of the Issuer (*engagements dits "super subordonnés"*, i.e. *engagements subordonnés de dernier rang*);
- (iii) junior to all present or future (x) subordinated obligations expressed by their terms to rank in priority to the Subordinated Notes and, where applicable, any related Coupons and (y) subordinated obligations preferred by mandatory and/or overriding provisions of law; and
- (iv) junior to all present or future (x) senior obligations and (y) senior obligations preferred by mandatory and/or overriding provisions of law.

In the event any judgment is rendered by any competent court declaring the judicial liquidation of the Issuer or if the Issuer is liquidated for any other reason, the rights of payment of the Subordinated Noteholders and, where applicable, any related Coupons shall be subordinated to the payment in full of all present or future senior creditors and holders of, or creditors in respect of, subordinated obligations expressed by their terms to rank in priority to the Subordinated Notes and those preferred by mandatory and/or overriding provisions of law (collectively, **Senior Creditors**) and, subject to such payment in full, the Subordinated Noteholders and, where applicable, any related Coupons shall be paid in priority to any *prêts participatifs* granted to the Issuer, any *titres participatifs* issued by it and any deeply subordinated obligations of the Issuer (*engagements dits "super subordonnés"*, i.e. *engagements subordonnés de dernier rang*). In the event of incomplete payment of Senior Creditors, the obligations of the Issuer in connection with the Subordinated Notes and, where applicable, any related Coupons will be terminated. The Subordinated Noteholders and, where applicable, any related Coupons shall be responsible for taking all necessary steps for the orderly accomplishment of any such liquidation of the Issuer in relation to any claims they may have against the Issuer.

Subordinated Notes are issued pursuant to the provisions of Article L. 228-97 of the French *Code de Commerce*.

4. Interest

Interest on Notes (other than Zero Coupon Notes) will be payable on one or more Interest Payment Date(s) as defined and as provided below.

(a) *Interest on Fixed Rate Notes*

The applicable Final Terms contain provisions applicable to the determination of any fixed coupon amount (the **Fixed Coupon Amount**) and must be read in conjunction with this Condition 4 for full information on the manner in which interest is calculated on Fixed Rate Notes.

Adjusted Fixed Rate Note means a Fixed Rate Note in respect of which the Interest Amount and any related Interest Payment Date are subject to modification in accordance with the provisions of Condition 4(a)(ii).

Fixed Rate Note means a Note which bears a fixed rate of interest which may be either an Adjusted Fixed Rate Note or an Unadjusted Fixed Rate Note.

Unadjusted Fixed Rate Note means a Fixed Rate Note in respect of which the Interest Amount and any related Interest Payment Date remain, for the purposes of this Condition (and without prejudice to the provisions of Condition 5(h)), unchanged and are calculated in accordance with the provisions of Condition 4(a)(i).

(i) *Unadjusted Fixed Rate Notes*

Each Unadjusted Fixed Rate Note bears interest on its outstanding principal amount from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest.

If the Fixed Rate Notes are specified in the applicable Final Terms as Resetable Notes, the Rate of Interest will initially be a fixed rate and will then be resettable as provided below:

The Rate of Interest in respect of an Interest Period, will be as follows:

- (i) for each Interest Period, falling in the period from (and including) the Interest Commencement Date to (but excluding) the First Reset Date, the Initial Rate of Interest;
- (ii) for each Interest Period, falling in the period from (and including) the First Reset Date to (but excluding) the Second Reset Date or, if none, the Maturity Date, the First Reset Rate of Interest; and
- (iii) for each Interest Period, in any Subsequent Reset Period thereafter, the Subsequent Reset Rate of Interest in respect of the relevant Subsequent Reset Period.

Interest will be payable in arrear on the Interest Payment Date(s) up to (and including) the Maturity Date (as specified in the applicable Final Terms).

If the Notes are in definitive form, the amount of interest payable on each Interest Payment Date in respect of the Interest Period ending on such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified (the **Broken Amount**).

Except in the case of Notes which are Definitive Bearer Notes where an applicable Fixed Coupon Amount or Broken Amount is specified in the applicable Final Terms, interest shall be calculated in respect of any period by applying the Rate of Interest to:

- (1) in the case of Fixed Rate Notes which are represented by a global Note, the aggregate outstanding nominal amount of the Notes of the relevant Series; or
- (2) in the case of Fixed Rate Notes which are Definitive Bearer Notes or Definitive Registered Notes, the Calculation Amount,

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit (defined below) of the relevant Specified Currency, half of any such sub-unit being rounded upwards.

Where the Specified Denomination of a Fixed Rate Note which is a Definitive Bearer Note or a Definitive Registered Note is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the number by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

(ii) Adjusted Fixed Rate Notes

Each Adjusted Fixed Rate Note bears interest from (and including) the Interest Commencement Date specified in the applicable Final Terms.

If the Adjusted Fixed Rate Notes are specified in the applicable Final Terms as Resetable Notes, the Rate of Interest will initially be a fixed rate and will then be resettable as provided below:

The Rate of Interest in respect of an Interest Period will be as follows:

- (i) for each Interest Period, falling in the period from (and including) the Interest Commencement Date to (but excluding) the First Reset Date, the Initial Rate of Interest;
- (ii) for each Interest Period, falling in the period from (and including) the First Reset Date to (but excluding) the Second Reset Date or, if none, the Maturity Date, the First Reset Rate of Interest; and
- (iii) for each Interest Period, in any Subsequent Reset Period thereafter, the Subsequent Reset Rate of Interest in respect of the relevant Subsequent Reset Period.

Interest will be payable in respect of each Interest Period, and in arrear on the Interest Payment Date(s) specified in the applicable Final Terms; provided that (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then:

- (1) if the applicable Final Terms specify that the clause "Business Day Convention" is stated as being "**Following Business Day Convention**", such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day; or
- (2) if the applicable Final Terms specify that the clause "Business Day Convention" is stated as being "**Modified Following Business Day Convention**", such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date (or other date) shall be brought forward to the immediately preceding Business Day; or
- (3) if the applicable Final Terms specify that the clause "Business Day Convention" is stated as being "**Preceding Business Day Convention**", such Interest Payment Date (or other date) shall be brought forward to the immediately preceding Business Day,

and the expression "Interest Payment Date" shall be construed accordingly.

The Calculation Agent will calculate the amount of interest (the **Adjusted Fixed Rate Interest Amount**) payable on the Adjusted Fixed Rate Notes for the relevant Interest Period, by applying the Rate of Interest to:

- (1) in the case of Adjusted Fixed Rate Notes which are represented by a global Note, the aggregate outstanding nominal amount of the Notes of the relevant Series; or
- (2) in the case of Adjusted Fixed Rate Notes which are Definitive Bearer Notes or Definitive Registered Notes, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit (defined below) of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of an Adjusted Fixed Rate Note which is a Definitive Bearer Note or a Definitive Registered Note is a multiple of the Calculation Amount, the Adjusted Fixed Rate Interest Amount payable in respect of such Note shall be the product of the amount (determined in the

manner provided above) for the Calculation Amount and the number by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

The Calculation Agent will cause the Adjusted Fixed Rate Interest Amount for each Interest Period, and the relevant Interest Payment Date to be notified to the Issuer and any stock exchange on which the relevant Adjusted Fixed Rate Notes are for the time being listed and notice thereof to be published in accordance with Condition 13 as soon as possible after the calculation or determination thereof (provided that, in the case of notification to any stock exchange, such notice will be given by no later than the first day of the relevant Interest Period, or, if that is impossible due to the date fixed for such determination or calculation, as soon as practicable on or after such date). Each Adjusted Fixed Rate Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange on which the relevant Fixed Rate Notes are for the time being listed and to the Noteholders in accordance with Condition 13.

(b) *Interest on Floating Rate Notes*

(i) Interest Payment Dates

Each Floating Rate Note bears interest from (and including) the Interest Commencement Date specified in the applicable Final Terms, and such interest will be payable in respect of each Interest Period and in arrear on either:

- (A) the Interest Payment Date(s) in each year specified in the applicable Final Terms; or
- (B) if no Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with each Interest Payment Date specified in the applicable Final Terms an **Interest Payment Date**) which falls the number of months or any other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (A) in any case where Specified Periods are specified in accordance with Condition 4(b)(i)(B), the **Floating Rate Convention**, such Interest Payment Date (a) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (ii) below shall apply *mutatis mutandis* or (b) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (i) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (ii) each subsequent Interest Payment Date shall be the last Business Day in the month which falls within the Specified Period after the preceding applicable Interest Payment Date occurred or
- (B) the **Following Business Day Convention**, such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day; or
- (C) the **Modified Following Business Day Convention**, such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date (or other date) shall be brought forward to the immediately preceding Business Day; or
- (D) the **Preceding Business Day Convention**, such Interest Payment Date (or other date) shall be brought forward to the immediately preceding Business Day.

Notwithstanding the foregoing, where the applicable Final Terms specifies that the relevant Business Day Convention is to be applied on an **unadjusted** basis, the Interest Amount payable on any date shall not be affected by the application of such Business Day Convention.

In this Condition 4, **Business Day** means a day which is both:

- (A) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in each Additional Business Centre(s) specified in the applicable Final Terms; and
- (B) either (x) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in the principal financial centre(s) of the country of the relevant Specified Currency (if other than any Additional Business Centre and which if the Specified Currency is Australian dollars, shall be Sydney, if the Specified Currency is Canadian dollars, shall be Montreal and, if the Specified Currency is Renminbi, shall be Hong Kong) or (y) in relation to any sum payable in euro, a day on which the TARGET2 System is open (a **TARGET2 Business Day**). In these Terms and Conditions, **TARGET2 System** means the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET2) System.

(ii) Rate of Interest

The Rate of Interest payable from time to time in respect of the Floating Rate Notes will be determined in the manner specified in the applicable Final Terms, which may be:

(A) ISDA Determination

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this subparagraph (A), **ISDA Rate** for an Interest Period means a rate equal to the Floating Rate that would be determined by the Fiscal Agent or any other person specified in the applicable Final Terms, under an interest rate swap transaction if the Fiscal Agent or that other person were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions (as defined below) and under which:

- (1) the Floating Rate Option is as specified in the applicable Final Terms;
- (2) the Designated Maturity is a period specified in the applicable Final Terms; and
- (3) the relevant Reset Date is the first day of that Interest Period.

For purposes of this subparagraph, **Floating Rate**, **Calculation Agent**, **Floating Rate Option**, **Designated Maturity**, **Reset Date** and **Euro-zone** have the meanings given to those terms in the 2006 ISDA Definitions published by the International Swaps and Derivatives Association, Inc. (the **ISDA Definitions**) and as amended and updated as at the Issue Date of the Notes of the relevant Series.

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, unless a higher Minimum Rate of Interest is specified in the applicable Final Terms, the Minimum Rate of Interest shall be deemed to be zero.

In the applicable Final Terms, when the paragraph "Floating Rate Option" specifies that the rate is determined by linear interpolation, in respect of an Interest Period, the Rate of Interest for such Interest Period shall be calculated by the Calculation Agent by straight line linear interpolation by reference to two rates based on the relevant Floating Rate Option, one of which shall be determined as if the Designated Maturity were the period of time for which rates are available of next shorter length before the length of the relevant Interest Period, and the other of which shall be determined as

if the maturity were the period of time for which rates are available of next longer length after the length of the relevant Interest Period.

(B) Screen Rate Determination

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (1) the offered quotation; or
- (2) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate *per annum*), for the Reference Rate(s) which appears or appear, as the case may be, on the Relevant Screen Page as at the Specified Time indicated in the applicable Final Terms (which will be 11.00 a.m., London time, in the case of the London interbank offered rate (**LIBOR**), 11.00 a.m., Brussels time, in the case of the Euro-zone interbank offered rate (**EURIBOR**) or the Specified Time in the principal financial centre of the jurisdiction of the relevant Reference Rate) on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Fiscal Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Fiscal Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

If the Relevant Screen Page is not available or if in the case of paragraph (1) above, no such offered quotation appears or, in the case of paragraph (2) above, fewer than three such offered quotations appear, in each case as at the Specified Time, the Fiscal Agent shall request the principal office of each of the Reference Banks (as defined below) to provide the Fiscal Agent with its offered quotation (expressed as a percentage rate *per annum*) for the Reference Rate at approximately the Specified Time on the Interest Determination Date in question. If two or more of the Reference Banks provide the Fiscal Agent with such offered quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of such offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Fiscal Agent.

If on any Interest Determination Date one only or none of the Reference Banks provides the Fiscal Agent with an offered quotation as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate *per annum* which the Fiscal Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Fiscal Agent by the Reference Banks or any two or more of them, at which such banks were offered, at approximately the Specified Time on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the relevant inter-bank market (which will be the London inter-bank market if the Reference Rate is LIBOR or the Euro-zone inter-bank market if the Reference Rate is EURIBOR) plus or minus (as appropriate) the Margin (if any) or, if fewer than two of the Reference Banks provide the Fiscal Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, at approximately the Specified Time on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer and the Fiscal Agent suitable for such purpose) informs the Fiscal Agent it is quoting to leading banks in the relevant inter-bank market (which will be the London inter-bank market if the Reference Rate is LIBOR or the Euro-zone inter-bank market if the Reference Rate is EURIBOR) (or, as the case may be, the quotations of such bank or banks to the Fiscal Agent) plus or minus (as appropriate) the Margin (if any), provided that, if the Rate of Interest cannot be determined in accordance with the

foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period in place of the Margin relating to that last preceding Interest Period).

Reference Banks means, the office in the principal centre of the jurisdiction of the Relevant Reference Rate of four major banks in the relevant inter-bank market (which will be the principal London office of four major banks in the London inter-bank market in the case of a determination of LIBOR, and, the principal Euro-zone office of four major banks in the Euro-zone inter-bank market in the case of a determination of EURIBOR) in each case selected by the Fiscal Agent or as specified in the applicable Final Terms.

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, unless a higher Minimum Rate of Interest is specified in the applicable Final Terms, the Minimum Rate of Interest shall be deemed to be zero.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Final Terms as being other than LIBOR or, as the case may be, EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Final Terms.

In the applicable Final Terms, when the paragraph "Reference Rate" specifies that the rate is determined by linear interpolation, in respect of an Interest Period, the Rate of Interest for such Interest Period shall be calculated by the Calculation Agent by straight line linear interpolation by reference to two rates based on the relevant Reference Rate, one of which shall be determined as if the maturity were the period of time for which rates are available of next shorter length before the length of the relevant Interest Period, and the other of which shall be determined as if the maturity were the period of time for which rates are available of next longer length after the length of the relevant Interest Period.

(iii) Minimum and/or Maximum Rate of Interest and/or Rate Multiplier

Subject to the provisions of Condition 4(b)(ii)(A), if the applicable Final Terms specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of any such Interest Period determined in accordance with the provisions of paragraph (ii) is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Final Terms specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of any such Interest Period determined in accordance with the provisions of paragraph (ii) is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

If the applicable Final Terms specifies a Rate Multiplier for any Interest Period, then the Rate of Interest in respect of any such Interest Period shall be multiplied by the relevant Rate Multiplier, subject always to the Minimum and/or Maximum Rate of Interest as described above.

If n/N or n_b/N_b is specified as the Rate Multiplier in the applicable Final Terms, the following definitions shall apply:

n means the number of calendar days in the relevant Interest Period in respect of which the Benchmark was equal to or greater than the Lower Limit and equal to or lower than the Upper Limit, in each case as determined by the Calculation Agent.

N means the total number of calendar days within the relevant Interest Period.

n_b means the number of Business Days in the relevant Interest Period in respect of which the Benchmark was equal to or greater than the Lower Limit and equal to or lower than the Upper Limit, in each case as determined by the Calculation Agent.

N_b means the total number of Business Days within the relevant Interest Period.

Lower Limit means, in respect of the relevant Interest Period, the limit specified in the applicable Final Terms.

Benchmark means, in respect of any calendar day (in respect of the definition of **n**) or, as applicable, Business Day (in respect of the definition of **n_b**) of the relevant Interest Period:

- if **USD-LIBOR** is specified as the applicable Benchmark in the Final Terms, the rate equal to the Floating Rate for such day that would be determined by the Calculation Agent under an interest rate swap transaction if it were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which the Floating Rate Option is "USD-LIBOR-BBA" (as defined in the ISDA Definitions) for a period of the Designated Maturity as specified in the applicable Final Terms (without reference to any Reset Date). If on any Benchmark Day, such rate does not appear on Reuters Screen LIBOR01 Page, USD-LIBOR will be determined by the Calculation Agent as aforesaid in accordance with the Floating Rate Option "USD-LIBOR-Reference Banks" (as defined in the ISDA Definitions) for a period of the Designated Maturity as specified in the applicable Final Terms (without reference to any Reset Date).
- if **GBP-LIBOR** is specified as the applicable Benchmark in the Final Terms, the rate equal to the Floating Rate for such day that would be determined by the Calculation Agent under an interest rate swap transaction if it were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which the Floating Rate Option is "GBP-LIBOR-BBA" (as defined in the ISDA Definitions) for a period of the Designated Maturity as specified in the applicable Final Terms (without reference to any Reset Date). If on any Benchmark Day, such rate does not appear on Reuters Screen LIBOR01 Page, GBP-LIBOR will be determined by the Calculation Agent as aforesaid in accordance with the Floating Rate Option "GBP-LIBOR-Reference Banks" (as defined in the ISDA Definitions) for a period of the Designated Maturity as specified in the applicable Final Terms (without reference to any Reset Date).
- if **EURIBOR** is specified as the applicable Benchmark in the Final Terms, the rate equal to the Floating Rate for such day that would be determined by the Calculation Agent under an interest rate swap transaction if it were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which the Floating Rate Option is "EUR-EURIBOR-Reuters" (as defined in the ISDA Definitions) for a period of the Designated Maturity as specified in the applicable Final Terms (without reference to any Reset Date). If on any Benchmark Day, such rate does not appear on Reuters Screen EURIBOR01 Page, EURIBOR will be determined by the Calculation Agent as aforesaid in accordance with the Floating Rate Option "EUR-EURIBOR-Reference Banks" (as defined in the ISDA Definitions) for a period of the Designated Maturity as specified in the applicable Final Terms (without reference to any Reset Date).
- if **EUR-CMS** is specified as the applicable Benchmark in the Final Terms, the rate equal to the Floating Rate for such day that would be determined by the Calculation Agent under an interest rate swap transaction if it were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which the Floating Rate Option is "EUR-ISDA-EURIBOR Swap Rate-11:00" (as defined in the ISDA Definitions) for a period of the Designated Maturity as specified in the applicable Final Terms (without reference to any Reset Date), and appearing on Reuters Screen ISDAFIX2 Page as at 11.00 a.m. (Frankfurt time) under the heading "EURIBOR BASIS – FRF" and above the caption "11:00 AM FRANKFURT". If on any Benchmark Day, such rate does not appear on Reuters Screen ISDAFIX2 Page, EUR-CMS will be determined by the Calculation Agent as aforesaid in accordance with the Floating Rate Option "EUR-Annual Swap Rate-Reference Banks" (as defined in the ISDA Definitions) for a period of the Designated Maturity specified in the applicable Final Terms (without reference to any Reset Date).

- if **USD-CMS** is specified as the applicable Benchmark in the Final Terms, the rate equal to the Floating Rate for such day that would be determined by the Calculation Agent under an interest rate swap transaction if it were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which the Floating Rate Option is "USD-ISDA-Swap Rate" (as defined in the ISDA Definitions) for a period of the Designated Maturity as specified in the applicable Final Terms (without reference to any Reset Date), and appearing on Reuters Screen ISDAFIX1 Page as at 11.00 a.m. (New York time). If on any Benchmark day, such rate does not appear on Reuters Screen ISDAFIX1 Page, USD-CMS will be determined by the Calculation Agent as aforesaid in accordance with the Floating Rate Option "USD-CMS-Reference Banks" (as defined in the ISDA Definitions) for a period of the Designated Maturity as specified in the applicable Final Terms (without reference to any Reset Date).

For the purposes hereof, (i) the value of the Benchmark on any calendar day of the relevant Interest Period which is not a Benchmark Day shall be deemed to be the value ascribed to the Benchmark on the first preceding Benchmark Day and (ii) the value of the Benchmark on each of the last four TARGET2 Business Days of any Interest Period shall be deemed to be the value ascribed to the Benchmark on the fifth TARGET2 Business Day (or the Benchmark Day immediately preceding such fifth TARGET2 Business Day if such fifth TARGET2 Business Day is not a Benchmark Day) preceding the Interest Payment Date relating to such Interest Period.

Benchmark Day means, if the relevant Benchmark is:

- USD-LIBOR or GBP-LIBOR, any days (other than a Saturday or Sunday) on which banks are open for business (including dealings in foreign exchange and deposit in USD) in London;
- EURIBOR or EUR-CMS, any days (other than a Saturday or Sunday) on which the TARGET2 System is operating; and

- (iv) Determination of Rate of Interest and calculation of Interest Amount in respect of Floating Rate Notes

The Calculation Agent will at or as soon as practicable after each time at which the Rate of Interest is to be determined in respect of a Floating Rate Note, determine the Rate of Interest for the relevant Interest Period. The Calculation Agent will notify the Fiscal Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same (but in no event later than the first Business Day after such calculation).

The Fiscal Agent will calculate the amount of interest (the **Interest Amount**) payable on the Floating Rate Notes in respect of each Note for the relevant Interest Period by applying the Rate of Interest to:

- (A) in the case of Floating Rate Notes which are represented by a global Note, the aggregate outstanding nominal amount of the Notes of the relevant Series; or
- (B) in the case of Floating Rate Notes which are Definitive Bearer Notes or Definitive Registered Notes, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit (defined below) of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Floating Rate Note which is a Definitive Bearer Note or a Definitive Registered Note is a multiple of the Calculation Amount, the Interest Amount payable in respect of such Note shall be the product of the amount (determined in the manner provided above)

for the Calculation Amount and the number by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

(v) Notification of Rate of Interest and Interest Amount

The Fiscal Agent will cause the Rate of Interest and the Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer and any stock exchange on which the relevant Floating Rate Notes are for the time being listed and notice thereof to be published in accordance with Condition 13 as soon as possible after the calculation or determination thereof (provided that, in the case of notification to any stock exchange, such notice will be given by no later than the first day of the relevant Interest Period or, if that is impossible due to the date fixed for such determination or calculation, as soon as practicable on or after such date). Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange on which the relevant Floating Rate Notes are for the time being listed and to the Noteholders in accordance with Condition 13.

(vi) Provisions specific to SHIBOR rate

SHIBOR means the Shanghai Interbank Offered Rate as published on <http://www.shibor.org>, by China Foreign Exchange Trade System & National Interbank Funding Centre under the authorisation of the People's Bank of China, at around 11.30 a.m., Beijing time on each business day, including 8 critical terms, i.e. O/N, 1W, 2W, 1M, 3M, 6M, 9M, 1Y, each representing the rate for the corresponding period.

If Reference Rate is specified in the applicable Final Terms as SHIBOR, "SHIBOR" will be the rate determined by the Issuer acting by and through its Hong Kong Branch (or, if one is specified in the applicable Final Terms, the Calculation Agent instead of the Issuer acting by and through its Hong Kong Branch) on the following basis:

- (i) if, at or around 11:30 a.m. (Beijing time) on the Interest Determination Date, a relevant SHIBOR is published on <http://www.shibor.org>, then the relevant SHIBOR will be that rate; and for the purposes of these Conditions, the relevant SHIBOR means SHIBOR in a critical term corresponding to the relevant Interest Period.
- (ii) if for any reason the relevant SHIBOR is not published in respect of a certain Interest Determination Date, the relevant SHIBOR in respect of the business day immediately preceding that Interest Determination Date shall be applied in place thereof.

(c) *Fixed/Floating Rate Notes*

Fixed/Floating Rate Notes may bear interest at a rate that will automatically change from a fixed rate to a floating rate, from a floating rate to a fixed rate, from a fixed rate to another fixed rate or from a floating rate to another floating rate on the date set out in the applicable Final Terms.

(d) *Zero Coupon Notes*

This Condition 4(d) applies if the Final Terms specify that the clause "*Zero Coupon Note Provisions*" is "Applicable".

The applicable Final Terms will specify the accrual yield (the **Accrual Yield**), the reference price (the **Reference Price**) and the Day Count Fraction in relation to Early Redemption Amounts and late payment (pursuant to the provisions of Conditions 6(j) and 6(m)).

Where a Zero Coupon Note becomes due and repayable and is not paid when due, the amount due and repayable (the **Amortised Face Amount**) shall be an amount equal to:

- (A) the Reference Price; and

- (B) the product of the Accrual Yield (compounded annually) being applied to the Reference Price from the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and notified in accordance with Condition 13 and 14, *mutatis mutandis*.

(e) *Accrual of Interest*

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if applicable) from the due date for its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to be calculated and to accrue (both before and after judgement) at the relevant Rate of Interest until whichever is the earlier of:

- (i) the date on which all amounts due in respect of such Note have been paid; and
- (ii) five calendar days after the date on which the full amount of the moneys payable in respect of such Note has been received by the Fiscal Agent and notice to that effect has been given to the Noteholders in accordance with Condition 13.

Such payments will be made by transfer to the Designated Account (as defined below) of the holder (or the first named of joint holders) of the Registered Note appearing in the register of holders of the Registered Notes maintained by the Registrar (the **Register**) at the close of business on the third business day (being for this purpose a day on which banks are open for business in the city where the specified office of the Registrar is located) before the relevant due date. Notwithstanding the previous sentence, if (i) a holder does not have a Designated Account or (ii) the principal amount of the Notes held by a holder is less than U.S.\$250,000 (or its approximate equivalent in any other Specified Currency), payment will instead be made by a cheque in the Specified Currency drawn on a Designated Bank (as defined below). For these purposes, **Designated Account** means the account maintained by a holder with a Designated Bank and identified as such in the Register and **Designated Bank** means (in the case of payment in a Specified Currency other than euro) a bank in the principal financial centre of the country of such Specified Currency (which if the Specified Currency is Australian dollars, shall be Sydney, if the Specified Currency is Canadian dollars shall be Montreal and, if the Specified Currency is Renminbi shall be Hong-Kong) and (in the case of a payment in euro) any bank which processes payments in euro.

Payments of interest in respect of each Registered Note (whether or not in global form) will be made by a cheque in the Specified Currency drawn on a Designated Bank and mailed by uninsured mail on the business day in the city where the specified office of the Registrar is located immediately preceding the relevant due date to the holder (or the first named of joint holders) of the Registered Note appearing in the Register at the close of business on, in the case of Registered Notes in definitive form only, the fifteenth day (whether or not such fifteenth day is a business day) before the relevant due date (the **Record Date**) at such holder's address shown in the Register on the Record Date and at his risk. Upon application of the holder to the specified office of the Registrar not less than three business days in the city where the specified office of the Registrar is located before the due date for any payment of interest in respect of a Registered Note, the payment may be made by transfer on the due date in the manner provided in the preceding paragraph. Any such application for transfer shall be deemed to relate to all future payments of interest (other than interest due on redemption) in respect of the Registered Notes which become payable to the holder who has made the initial application until such time as the Registrar is notified in writing to the contrary by such holder. Payment of the interest due in respect of each Registered Note on redemption will be made in the same manner as payment of the principal amount of such Registered Note. Notwithstanding the above, in respect of Registered Global Notes, the Record Date will be the Clearing System Business Day immediately prior to the date for payment, where **Clearing System Business Day** means Monday to Friday inclusive except 25 December and 1 January.

Holders of Registered Notes will not be entitled to any interest or other payment for any delay in receiving any amount due in respect of any Registered Note as a result of a cheque posted in accordance with this Condition arriving after the due date for payment or being lost in the post. No commissions or expenses shall be charged to such holders by the Registrar in respect of any payments of principal or interest in respect of the Registered Notes.

None of the Issuer or the Agents will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Registered Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

(e) *Payments in respect of SIS Notes, and any other English Law Notes listed on SIX Swiss Exchange*

Notwithstanding any other provision in this Condition 5, in the case of SIS Notes, or other English Law Notes listed on SIX Swiss Exchange, the relevant Swiss Paying Agency Agreement shall supplement and modify the English Law Agency Agreement for the purposes of the relevant Notes, including providing for the appointment of a Principal Swiss Paying Agent (which, in the case of Notes listed on SIX Swiss Exchange, shall at all times be a bank or securities dealer that is subject to supervision by the Swiss Financial Market Supervisory Authority FINMA (**FINMA**)) that will perform certain duties including, inter alia, those which relate to Swiss capital market customs and payment instructions.

The Issuer shall make all payments of principal and interest due under the SIS Notes to the Principal Swiss Paying Agent in accordance with the Swiss Paying Agency Agreement and the Terms and Conditions of the Notes. Payments of principal and interest in respect of any SIS Notes denominated in Swiss Francs shall be made in freely disposable Swiss Francs, and in the case of SIS Notes denominated in a currency other than Swiss Francs in such other currency, which shall also be freely disposable, without collection costs and whatever the circumstances may be, irrespective of the nationality, domicile or residence of the holder of any SIS Notes and without requiring any certification, affidavit or the fulfilment of any other formality. The receipt by the Principal Swiss Paying Agent of the due and punctual payment of such funds in Switzerland shall discharge the Issuer's obligations under (i) the Permanent Global SIS Note or (ii) the Definitive Bearer SIS Notes, Receipts and Coupons, if printed, or (iii) the Uncertificated SIS Notes, as the case may be, with respect to the payment of, as the case may be, principal, interest, costs and additional amounts on the Notes and the paying agency fees, in each case to the extent of the funds received.

(f) *General provisions applicable to payments*

The holder of a global Note shall be the only person entitled to receive payments in respect of Notes represented by such global Note and the payment obligations of the Issuer will be discharged by payment to, or to the order of, the holder of such global Note in respect of each amount so paid. Each of the persons shown in the records of Euroclear or Clearstream as the beneficial holder of a particular nominal amount of Notes represented by a global Note must look solely to Euroclear or Clearstream, as the case may be, for his share of each payment so made by the Issuer to, or to the order of, the holder of such global Note. No person other than the holder of such global Note shall have any claim against the Issuer in respect of any payments due on that global Note.

Notwithstanding the foregoing, U.S. dollar payments of principal and/or interest in respect of Bearer Notes (if any) will be made at the specified office of a Paying Agent in the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)) if:

- (i) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest on the Bearer Notes and any related Coupons in the manner provided above when due;

- (ii) payment of the full amount of such principal and interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or any other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (iii) such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

(g) *Payments Subject to Fiscal Laws*

All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives in any jurisdiction (whether by operation of law or agreement of the Issuer or its Agents) and the Issuer will not be liable for any taxes or duties of whatever nature imposed or levied by such laws, regulations, directives or agreements, but without prejudice to the provisions of Condition 7.

No commission or expenses shall be charged to the Noteholders or Couponholders in respect of such payments.

(h) *Payment Business Day*

If the date for payment of any amount in respect of any Note or Coupon is not a Payment Business Day, the holder thereof shall instead be entitled to payment on the next following Payment Business Day in the relevant place. In the event that any adjustment is made to the date for payment in accordance with this Condition 5(h), the relevant amount due in respect of any Note or Coupon shall not be affected by any such adjustment, unless otherwise specified in the applicable Final Terms. For these purposes and except as specified in Condition 5(d), **Payment Business Day** means any day which is:

- (i) subject to the provisions of the English Law Agency Agreement, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:
 - (A) the relevant place of presentation; and
 - (B) each Additional Financial Centre specified in the applicable Final Terms;
- (ii) either (A) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than the place of presentation and any Additional Financial Centre and which if the Specified Currency is Australian dollars, shall be Sydney, if the Specified Currency is Canadian dollars shall be Montreal and, if the Specified Currency is Renminbi, shall be Hong Kong) or (B) in relation to any sum payable in euro, a day on which the TARGET2 System is open; and

(i) *Interpretation of Principal and Interest*

Any reference in these Terms and Conditions to "**principal**" in respect of the Notes shall be deemed to include, as applicable:

- (i) any additional amounts which may be payable with respect to principal under Condition 7;
- (ii) the Final Redemption Amount of the Notes;
- (iii) the Early Redemption Amount of the Notes;
- (iv) the Optional Redemption Amount(s) (if any) of the Notes;
- (v) in relation to Zero Coupon Notes, the Amortised Face Amount (as defined in Condition 6(j)); and
- (vi) any premium and any other amounts (other than interest) which may be payable by the Issuer under or in respect of the Notes.

Any reference in these Terms and Conditions to "**interest**" in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 7.

(j) *Currency unavailability*

This paragraph shall apply when payment is due to be made in respect of any Note or Coupon in the Specified Currency and the Specified Currency is not available to the Issuer due to the imposition of exchange controls, the Specified Currency's replacement or disuse or any other circumstances beyond the control of the Issuer (**Currency Unavailability**). In the event of Currency Unavailability, the Issuer will be entitled to satisfy its obligations to the holder of such Note or Coupon by making payment in euro or U.S. dollars on the basis of the spot exchange rate at which the Specified Currency is offered in exchange for euro or U.S. dollars (as applicable) in an appropriate inter-bank market at noon, Paris time, four Business Days prior to the date on which payment is due or, if such spot exchange rate is not available on that date, as of the most recent prior practicable date. Any payment made in euro or U.S. dollars (as applicable) in accordance with this paragraph will not constitute an Event of Default.

(k) *Provisions specific to CNY currency event*

If "CNY Currency Event" is specified in the applicable Final Terms and a CNY Currency Event, as determined by the Calculation Agent in its sole and absolute discretion, exists on a date for payment of any amount in respect of any Note or Coupon, the Issuer may determine one or more of the following, and require the Calculation Agent to take such action or make such determination accordingly, in its sole and absolute discretion:

- (i) the relevant payment of the Issuer be postponed to 10 Business Days after the date on which the CNY Currency Event ceases to exist or, if that would not be possible (as determined by the Issuer acting in good faith) as soon as reasonably practicable thereafter;
- (ii) that the Issuer's obligation to make a payment in CNY under the terms of the Notes be replaced by an obligation to pay such amount in the Relevant Currency (converted at the Alternate Settlement Rate determined by the Calculation Agent as of a time selected in good faith by the Calculation Agent); and
- (iii) by giving notice to the Noteholders and the Couponholders in accordance with the Conditions, the Issuer, in its sole and absolute discretion, may redeem the Notes in whole but not in part, each Note being redeemed at its Early Redemption Amount.

Upon the occurrence of a CNY Currency Event, the Issuer shall give notice, as soon as practicable, to the Noteholders and the Couponholders in accordance with the Conditions stating the occurrence of the CNY Currency Event, giving brief details thereof and the action proposed to be taken in relation thereto.

For the purpose of this Condition 5(k):

Alternate Settlement Rate means the spot rate between CNY and the Relevant Currency determined by the Calculation Agent, taking into consideration all available information which the Calculation Agent deems relevant (including, but not limited to, the pricing information obtained from the CNY non-deliverable market outside the PRC and/or the CNY exchange market inside the PRC).

CNY Currency Events means any one of CNY Illiquidity, CNY Non-Transferability and CNY Inconvertibility.

CNY Illiquidity means the general CNY exchange market in Hong Kong becomes illiquid as a result of which the Issuer and/or any of its affiliates cannot obtain sufficient CNY in order to make a payment or perform any other of its obligations under the Notes, as determined by the Calculation Agent in good faith and in a commercially reasonable manner.

CNY Inconvertibility means the occurrence of any event that makes it impossible, impracticable or illegal for the Issuer and/or any of its affiliates to convert any amount into or from CNY as may be

required to be paid by the Issuer under the Notes on any payment date or such other amount as may be determined by the Calculation Agent in its sole and absolute discretion at the general CNY exchange market in Hong Kong, other than where such impossibility, impracticability or illegality is due solely to the failure of the Issuer and/or the relevant affiliate to comply with any law, rule or regulation enacted by any Governmental Authority (unless such law, rule or regulation is enacted after the Issue Date of the relevant Series of Notes and it is impossible for the Issuer and/or any of its affiliates, due to an event beyond the control of the Issuer or the relevant affiliate, to comply with such law, rule or regulation).

CNY Non-Transferability means the occurrence of any event that makes it impossible, impracticable or illegal for the Issuer and/or any of its affiliates to deliver CNY between accounts inside Hong Kong or from an account inside Hong Kong to an account outside Hong Kong, other than where such impossibility, impracticability or illegality is due solely to the failure of the Issuer and/or the relevant affiliate to comply with any law, rule or regulation enacted by any Governmental Authority (unless such law, rule or regulation is enacted after the Issue Date and it is impossible for the Issuer and/or any of its affiliates, due to an event beyond the control of the Issuer and/or the relevant affiliate, to comply with such law, rule or regulation).

Governmental Authority means any *de facto* or *de jure* government (or any agency or instrumentality thereof), court, tribunal, administrative or other governmental authority or any other entity (private or public) charged with the regulation of the financial markets (including the central bank) of Hong Kong.

Relevant Currency means US Dollar, Hong Kong Dollar or such other currency as may be specified in the applicable Final Terms.

6. Redemption and Purchase

(a) *Redemption at maturity*

Unless previously redeemed or purchased and cancelled as provided below, each Note will be redeemed by the Issuer on the Maturity Date at its final redemption amount as specified in the applicable Final Terms in the relevant Specified Currency (which, in the case of Subordinated Notes the proceeds of which constitute Tier 2 Capital, shall be at least five (5) years after the Issue Date of the relevant Tranche) (the **Final Redemption Amount**). The Notes cannot be undated Notes.

The Final Redemption Amount shall be determined in accordance with one of the following paragraphs:

- Final Redemption Amount: at par
- Final Redemption Amount: a fixed amount per Specified Denomination or Calculation Amount.

(b) *Redemption upon the occurrence of a Tax Event*

(i) **Redemption upon the occurrence of a Withholding Tax Event or a Special Tax Event**

- (x) Upon the occurrence of a Withholding Tax Event (as defined below), the Issuer may, at any time, at its option (subject to the provisions of paragraph (h)(iii) with respect to Subordinated Notes the proceeds of which constitute Tier 2 Capital, or paragraph (h)(ii) with respect to Senior Non-Preferred Notes or paragraph (h)(i) with respect to Senior Preferred Notes, as the case may be) and having given not less than thirty (30) nor more than forty-five (45) calendar days' prior irrevocable notice to the Fiscal Agent, the Noteholders and the Couponholders, in accordance with Condition 13, redeem the outstanding Notes in whole but not in part at their Early Redemption Amount, as provided in Condition 6(j), together, if appropriate, with accrued interest to (but excluding) the date of redemption, provided that such notice shall be given no

earlier than ninety (90) calendar days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Notes then due.

For the purposes of these Terms and Conditions:

A **Withholding Tax Event** means that the Issuer has or will become obliged to pay additional amounts as provided in Condition 7 as a result of any change in, or amendment to, the laws or regulations of a Tax Jurisdiction (as defined in Condition 7) or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the Issue Date of any such Notes (and such obligation cannot be avoided by the Issuer taking reasonable measures available to it).

- (y) Upon the occurrence of a Special Tax Event (as defined below) the Issuer may, at any time, at its option (subject to the provisions of paragraph (h)(iii) with respect to Subordinated Notes the proceeds of which constitute Tier 2 Capital, or paragraph (h)(ii) with respect to Senior Non-Preferred Notes or paragraph (h)(i) with respect to Senior Preferred Notes, as the case may be) and having given not less than seven (7) nor more than forty-five (45) calendar days' prior irrevocable notice to the Fiscal Agent, the Noteholders and the Couponholders, in accordance with Condition 13, redeem the outstanding Notes in whole but not in part at their Early Redemption Amount, as provided in Condition 6(j), together, if appropriate, with accrued interest to (but excluding) the date of redemption, provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable date upon which the Issuer could make such payment without withholding for such taxes.

For the purposes of these Terms and Conditions:

A **Special Tax Event** means that the Issuer would, on the occasion of the next payment of (i) in the case of Senior Preferred Notes, principal or interest or (ii) in the case of Senior Non-Preferred Notes or Subordinated Notes, interest only, in respect of the Notes and/or the Coupons, be prevented by the law of a Tax Jurisdiction from causing payment to be made to the Noteholders or the Couponholders of the full amount then due and payable, notwithstanding the undertaking to pay additional amounts as provided in Condition 7.

(ii) Redemption upon the occurrence of a Tax Deductibility Event with respect to Subordinated Notes

Upon the occurrence of a Tax Deductibility Event (as defined below) with respect to Subordinated Notes the proceeds of which constitute Tier 2 Capital, the Issuer may, at any time, at its option (subject to the provisions of paragraph (h)(iii)) and having given not less than thirty (30) nor more than forty-five (45) calendar days' prior irrevocable notice to the Fiscal Agent, the Noteholders and the Couponholders, in accordance with Condition 13, redeem the outstanding Subordinated Notes in whole but not in part at their Early Redemption Amount, as provided in Condition 6(j), together, if appropriate, with accrued interest to (but excluding) the date for redemption, provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable date on which the Issuer could make such payment with interest payable being tax deductible for French corporate income tax (*impôts sur les bénéfices des sociétés*).

For the purposes of these Terms and Conditions:

A **Tax Deductibility Event** means that if by reason of any change in, or amendment to, the laws or regulations of a Tax Jurisdiction or any change in the application or official interpretation of such laws or regulations, or any other change in the tax treatment of the Subordinated Notes, which change or amendment becomes effective on or after the Issue Date of the Subordinated Notes, any interest payment under the Subordinated Notes was but is no longer (whether in whole or in part) tax-deductible by the Issuer for French corporate income tax (*impôts sur les bénéfices des sociétés*) purposes or the amount which was deductible by the Issuer on any interest payment under the Notes for French corporate income tax purposes, is reduced.

For the purposes of these Terms and Conditions, a Tax Deductibility Event, a Withholding Tax Event and a Special Tax Event are each referred to as a Tax Event.

(c) *Redemption upon the occurrence of a Capital Event with respect to Subordinated Notes*

Upon the occurrence of a Capital Event (as defined below) with respect to Subordinated Notes the proceeds of which constitute Tier 2 Capital, the Issuer may, at any time, at its option (subject to the provisions of paragraph (h)(iii)) and having given not less than thirty (30) nor more than forty-five (45) calendar days' prior irrevocable notice to the Fiscal Agent, the Noteholders and the Couponholders, in accordance with Condition 13, redeem the outstanding Subordinated Notes in whole but not in part at their Early Redemption Amount, as provided in Condition 6(j), together, if appropriate, with accrued interest to (but excluding) the date of redemption.

For the purposes of these Terms and Conditions:

BRRD means the Directive (2014/59/EU) of the European Parliament and of the Council establishing a framework for the recovery and resolution of credit institutions and investment firms of 15 May 2014 and published in the Official Journal of the European Union on 12 June 2014 as amended or replaced from time to time;

Capital Event means that, by reason of a change in the regulatory classification of the Notes under the Relevant Rules that was not reasonably foreseeable by the Issuer at the Issue Date of the Subordinated Notes, the Subordinated Notes are fully or partially excluded from the Tier 2 Capital of the Issuer, provided that such exclusion is not as a result of any applicable limits on the amount of Tier 2 Capital;

CRD IV means the Directive (2013/36/EU) of the European Parliament and of the Council on prudential requirements for credit institutions and investment firms dated 26 June 2013 and published in the Official Journal of the European Union on 27 June 2013, as amended or replaced from time to time, and the Regulation (2013/575) of the European Parliament and of the Council on prudential requirements for credit institutions and investment firms dated 26 June 2013 and published in the Official Journal of the European Union on 27 June 2013, as amended or replaced from time to time (**CRR**);

Regulator means the European Central Bank and any successor or replacement thereto, or other authority having primary responsibility for the prudential oversight and supervision of the Issuer;

Relevant Rules means the capital rules from time to time as applied by the Regulator and as amended from time to time including the implementation of the CRD IV and/or the BRRD;

Special Event means any of a Capital Event, a Withholding Tax Event, a Tax Deductibility Event or a Special Tax Event;

Tier 2 Capital means capital which is treated as a constituent of Tier 2 by the then current requirements of the Regulator for the purposes of the Issuer as defined in Article 62 of the CRR, and as amended by Part 10 of the CRR (Article 484 *et seq.* on grandfathering).

(d) *Redemption applying only with respect to Senior Notes*

(i) **Redemption upon the occurrence of a MREL or TLAC Disqualification Event**

This Condition 6(d)(i) applies with respect to Senior Non-Preferred Notes. This Condition 6(d)(i) applies with respect to Senior Preferred Notes, if "*MREL or TLAC Disqualification Event in respect of Senior Preferred Notes*" is specified as applicable in the Final Terms.

Upon the occurrence of a MREL or TLAC Disqualification Event (as defined below) with respect to Senior Notes, the Issuer may, at any time, at its option (subject to the provisions of paragraph (h)(ii) with respect to Senior Non-Preferred Notes or paragraph (h)(i) with respect to Senior Preferred Notes, as the case may be) and having given not less than thirty (30) nor more than forty-five (45)

calendar days' prior irrevocable notice to the Fiscal Agent, the Noteholders and the Couponholders, in accordance with Condition 13, redeem the outstanding Senior Notes in whole but not in part at their Early Redemption Amount, as provided in Condition 6(j), together, if appropriate, with accrued interest to (but excluding) the date of redemption.

For the purposes of these Terms and Conditions:

MREL or TLAC Disqualification Event means that, by reason of a change in the regulatory classification of the Notes under the MREL or TLAC Requirements as implemented in French law and regulations and/or EU regulations and/or as set out in policies and/or principles of the Financial Stability Board (the **FSB**), as the case may be, that was not reasonably foreseeable by the Issuer at the Issue Date of the Senior Notes, the Senior Notes are fully or partially excluded from the eligible liabilities available to meet the MREL or TLAC Requirements (as called or defined by the then applicable regulations or MREL or TLAC criteria applicable to the Issuer). For the avoidance of doubt, the exclusion of a Series of Senior Notes from the eligible liabilities available to meet the MREL or TLAC Requirements due to the remaining maturity of such Senior Notes being less than any period prescribed thereunder, does not constitute a MREL or TLAC Disqualification Event.

MREL or TLAC Requirements means the minimum requirements for own funds and eligible liabilities and/or total loss-absorbing capacity requirements applicable to the Issuer and/or the Group referred to in the BRRD, or any other EU laws and regulations implemented in French laws and regulations as the case may be, and/or as per the FSB TLAC Term Sheet dated 9 November 2015, as amended from time to time.

(ii) Redemption upon the occurrence of a Regulatory Event

Upon the occurrence of a Regulatory Event (as defined below) with respect to Senior Notes, unless the Final Terms specify that such Regulatory Event is not applicable, the Issuer may, at any time, at its option (subject to the provisions of paragraph (h)(ii) with respect to Senior Non-Preferred Notes or paragraph (h)(i) with respect to Senior Preferred Notes, as the case may be) and having given not less than thirty (30) nor more than forty-five (45) calendar days' prior irrevocable notice to the Fiscal Agent, the Noteholders and the Couponholders, in accordance with Condition 13, redeem the outstanding Senior Notes in whole but not in part at their Early Redemption Amount, as provided in Condition 6(j), together, if appropriate, with accrued interest to (but excluding) the date of redemption, if one or more of the following events (each, a **Regulatory Event**) occurs:

- (i) the adoption of, or any change in, any applicable law or regulation after the Issue Date of the first Tranche of a Series of Notes, or promulgation of, or any change in, the interpretation by any court, tribunal or regulatory authority with competent jurisdiction of any applicable law or regulation after the Issue Date of the first Tranche of a Series of Notes, and with applicable law or regulation for this purpose meaning any similar, related or analogous law, regulation or rule to those in Dodd-Frank, FATCA, AIFMD or EMIR (all as defined below) or any law or regulation that imposes a financial transaction tax or other similar tax which has, or may have, a material adverse effect on the Issuer or the Regulatory Event Counterparty (as defined below) as a result of, or in connection with, the issuance of the Senior Notes;
- (ii) any regulation or rule under Dodd-Frank, FATCA, AIFMD or EMIR or under any law or regulation that imposes a financial transaction tax or other similar tax which, in each case, was either not in force as at the Issue Date of the first Tranche of a Series of Notes or was in force at the Issue Date of the first Tranche of a Series of Notes but the manner of its application was not known at the Issue Date is implemented, promulgated or otherwise made known, and such implementation, promulgation or application has, or may have, a material adverse effect on the Issuer or the Regulatory Event Counterparty as a result of, or in connection with, the issuance of the Senior Notes;
- (iii) the Issuer or the Regulatory Event Counterparty is required to be regulated by any additional or alternative regulatory authority which has, or may have, a material adverse effect on the Issuer

or the Regulatory Event Counterparty as a result of, or in connection with, the issuance of the Senior Notes;

 - (B) required to provide collateral or any form of initial or variation margin to the other in addition to that (if any) contemplated on the Issue Date.

For the purposes of these Terms and Conditions:

(iii) Make-Whole Redemption Option

If a Make-Whole Redemption Option is specified as applicable in the Final Terms with respect to Senior Notes, the Issuer may, at its option (subject to the provisions of paragraph (h)(ii) with respect to Senior Non-Preferred Notes or paragraph (h)(i) with respect to Senior Preferred Notes, as the case may be), at any time (the **Make-Whole Redemption Date**) and having given not less than fifteen (15) nor more than thirty (30) calendar days' prior irrevocable notice (or such other notice period as specified in the applicable Final Terms) to the Fiscal Agent, the Noteholders and the Couponholders, in accordance with Condition 13, redeem the outstanding Senior Notes in whole but not in part, at their Make-Whole Redemption Amount (as defined below).

For the purposes of these Terms and Conditions:

Make-Whole Redemption Amount means an amount calculated by the Calculation Agent (or such other person specified in the applicable Final Terms) and equal to the greater of (x) 100 per cent. of the principal amount of the Notes so redeemed and (y) the sum of the then present values of the remaining scheduled payments of principal and interest on such Notes (excluding any interest accrued on the Notes to, but excluding, the relevant Make-Whole Redemption Date) discounted to the relevant Make-Whole Redemption Date on an annual basis at the Make-Whole Redemption Rate plus a Make-Whole Redemption Margin, plus in each case, any interest accrued on the Notes to, but excluding, the Make-Whole Redemption Date.

The Make-Whole Redemption Rate will be published by the Issuer in accordance with Condition 13.

Reference Dealers means each of the four banks selected by the Calculation Agent (or such other person specified in the applicable Final Terms) which are primary European government security dealers, and their respective successors, or market makers in pricing corporate bond issues, or such other banks or method of selection of such banks as specified in the applicable Final Terms.

Reference Screen Rate means the screen rate as specified in the applicable Final Terms.

Reference Security means the security as specified in the applicable Final Terms.

Similar Security means a reference bond or reference bonds issued by the same issuer as the Reference Security having an actual or interpolated maturity comparable with the remaining term of the Notes that would be used, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the Notes.

The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent (or such other person specified in the applicable Final Terms) shall (in the absence of manifest error) be final and binding upon all parties.

(iv) Residual Maturity Redemption Option

If a Residual Maturity Redemption Option is specified as applicable in the Final Terms with respect to Senior Notes, the Issuer may, at its option (subject to the provisions of paragraph (h)(ii) with respect to Senior Non-Preferred Notes or paragraph (h)(i) with respect to Senior Preferred Notes, as the case may be), at any time, on or after the Optional Redemption Date and having given not less than fifteen (15) nor more than thirty (30) calendar days' prior irrevocable notice (or such other notice period as may be specified in the applicable Final Terms) to the Fiscal Agent, the Noteholders and the Couponholders, in accordance with Condition 13, redeem the outstanding Senior Notes, in whole but not in part, at their Optional Redemption Amount, as provided in Condition 6(i) together, if appropriate, with accrued interest to (but excluding) the date of redemption.

All Notes in respect of which any such notice is given shall be redeemed on the date specified in such notice in accordance with this Condition.

(v) Clean-up Redemption Option

If a Clean-up Redemption Option is specified as applicable in the Final Terms with respect to Senior Notes, and if 80 per cent. or any higher percentage specified in the applicable Final Terms (the

Clean-up Percentage) of the initial aggregate nominal amount of Senior Notes of the same Series (which for the avoidance of doubt includes, any additional Notes issued subsequently and forming a single series with the first Tranche of a particular Series of Notes) have been redeemed or purchased by, or on behalf of, the Issuer or any of its subsidiaries and, in each case, cancelled, the Issuer may, at any time, at its option, (subject to the provisions of paragraphs (h)(ii) with respect to Senior Non-Preferred Notes or paragraph (h)(i) with respect to Senior Preferred Notes as the case may be) and having given not less than fifteen (15) nor more than thirty (30) calendar days' prior irrevocable notice (or such other notice period as may be specified in the applicable Final Terms), in accordance with Condition 13, to the Fiscal Agent, the Noteholders and the Couponholders, redeem the outstanding Notes, in whole but not in part, at their Optional Redemption Amount, as provided in Condition 6(i) together, if appropriate, with accrued interest to (but excluding) the date of redemption.

All Notes in respect of which any such notice is given shall be redeemed on the date specified in such notice in accordance with this Condition.

(e) Redemption at the Option of the Issuer

If a Redemption at the Option of the Issuer is specified as applicable in the Final Terms (subject to the provisions of paragraph (h)(iii) with respect to Subordinated Notes the proceeds of which constitute Tier 2 Capital, or paragraph (h)(ii) with respect to Senior Non-Preferred Notes or paragraph (h)(i) with respect to Senior Preferred Notes as the case may be), the Issuer may, at its option on any Optional Redemption Date and having given not less than fifteen (15) nor more than thirty (30) calendar days' prior irrevocable notice (or such other notice period as may be specified in the applicable Final Terms) to the Fiscal Agent, the Noteholders and the Couponholders, in accordance with Condition 13, redeem the outstanding Notes, in whole but not in part, at their Optional Redemption Amount, as provided in Condition 6(i) together, if appropriate, with accrued interest to (but excluding) the Optional Redemption Date(s). Any such redemption must be of a nominal amount not less than the Minimum Redemption Amount and nor more than the Maximum Redemption Amount, both as specified in the applicable Final Terms.

In case of a redemption of some only of the Notes, the Notes to be redeemed (**Redeemed Notes**) will be selected individually by lot (in the case of Redeemed Notes represented by Notes in definitive form) and in accordance with the rules of Euroclear and/or Clearstream in the case of Redeemed Notes represented by a global Note held on behalf of Euroclear and/or Clearstream (to be reflected in the records of Euroclear and/or Clearstream as either a pool factor or a reduction in nominal amount, at their discretion) and in accordance with the rules of the relevant securities depository and any relevant provisions in the applicable Final Terms (in the case of Registered Notes), in each case not more than thirty (30) calendar days prior to the Optional Redemption Date(s) (such date of selection being hereinafter called the **Selection Date**).

In the case of Redeemed Notes represented by Notes in definitive form, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 13 not less than fifteen (15) calendar days prior to the Optional Redemption Date(s). No exchange of the relevant global Note will be permitted during the period from and including the Selection Date to and including the date fixed for redemption pursuant to this paragraph and notice to that effect shall be given by the Issuer to the Noteholders and the Couponholders in accordance with Condition 13 at least ten (10) calendar days prior to the Selection Date.

With respect to any Senior Preferred Note, any notice given by the Issuer pursuant to this Condition 6(e) shall be void and of no effect in relation to that Senior Preferred Note if, prior to the giving of such notice by the Issuer, the holder of such Senior Preferred Note had already delivered a Put Notice in relation to that Senior Preferred Note in accordance with Condition 6(f).

(f) Redemption at the Option of the Noteholders with respect to Senior Preferred Notes

If a Redemption at the Option of the Noteholders is specified as applicable in the Final Terms with respect to Senior Preferred Notes (subject to the provisions of paragraph (h)(i) as the case may be),

the holders of Senior Preferred Notes may at their option, on the Optional Redemption Date(s) having given not less than fifteen (15) nor more than thirty (30) calendar days' prior irrevocable notice (or such other notice period as may be specified in the applicable Final Terms), to the Issuer in accordance with Condition 13, require the redemption of such Senior Preferred Notes.

Upon the expiry of such notice, the Issuer will redeem, in whole but not in part, such Senior Preferred Notes on the Optional Redemption Date at their Optional Redemption Amount, as provided in Condition 6(i) together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date.

Before the exercise of a Redemption at the Option of the Noteholders with respect to Senior Preferred Notes certain conditions and/or circumstances will need to be satisfied.

To exercise the right to require the redemption of Senior Preferred Notes, the holder of such Senior Preferred Note must, if the Senior Preferred Note is in definitive form and held outside Euroclear and Clearstream, deliver, at the specified office of any Paying Agent (in case of Bearer Notes) or the Registrar (in case of Registered Notes) at any time during normal business hours of such Paying Agent or, as the case may be, the Registrar falling within the notice period, a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent or, as the case may be, the Registrar (a **Put Notice**) and in which the holder must specify a bank account (or, if payment is required to be made by cheque, an address) to which payment is to be made under this Condition and, in the case of Registered Notes, the nominal amount thereof to be redeemed and, if less than the full nominal amount of the Registered Notes so surrendered is to be redeemed, an address to which a new Registered Note in respect of the balance of such Registered Notes is to be sent in accordance with Condition 13. If this Senior Preferred Note is in definitive form, the Put Notice must be accompanied by this Senior Preferred Note (together with all unmatured Coupons and unexchanged Talons if applicable) or evidence satisfactory to the Paying Agent concerned that this Senior Preferred Note (together with any such unmatured Coupons and Talons) will, following delivery of the Put Notice, be held to the order or under its control. If the Senior Preferred Note is represented by a global Note or is in definitive form and held through Euroclear or Clearstream, to exercise the right to require redemption of the Senior Preferred Note the holder of the Senior Preferred Note must, within the notice period, give notice to the Fiscal Agent of such exercise in accordance with the standard procedures of Euroclear and Clearstream (which may include notice being given on his instruction by Euroclear or Clearstream or any common depository or common safekeeper, as the case may be, for them to the Fiscal Agent by electronic means) in a form acceptable to Euroclear and Clearstream from time to time and, if the Senior Preferred Note is represented by a global Note, at the same time present or procure the presentation of the relevant global Note to the Fiscal Agent for notation accordingly.

Any Put Notice given by a holder of any Senior Preferred Note pursuant to this paragraph shall be:

- (i) irrevocable except where prior to the Optional Redemption Date an Event of Default (if any) has occurred and is continuing in which event such holder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this paragraph and instead to declare such Senior Preferred Note forthwith due and payable pursuant to Condition 9; and
- (ii) void and of no effect in relation to such Senior Preferred Note if, prior to the giving of such Put Notice by the relevant holder: (A) such Senior Preferred Note constituted a Redeemed Note, or (B) the Issuer had notified the Noteholders and the Couponholders of its intention to redeem all of the Senior Preferred Notes in a Series then outstanding, in each case pursuant to Condition 6(d)(iii), Condition 6(d)(iv), Condition 6(d)(v) or Condition 6(e).

(g) *Substitution and Variation of the Notes*

(i) Substitution and variation with respect to Senior Notes

This Condition 6 (g)(i) applies to Senior Non-Preferred Notes or with respect to Senior Preferred Notes, if "*Substitution and Variation in respect of Senior Preferred Notes*" is specified as applicable in the Final Terms.

The Issuer may at any time (subject to the provisions of paragraph (h)(ii) with respect to Senior Non-Preferred Notes or (ii) paragraph (h)(i) with respect to Senior Preferred Notes, as the case may be) having given not less than thirty (30) nor more than forty-five (45) calendar days' prior irrevocable notice to the Fiscal Agent, the Noteholders and the Couponholders, in accordance with Condition 13, substitute all (but not some only) of the Senior Notes or vary the terms of all (but not some only) of the Senior Notes, without any requirement for the consent or approval of the Noteholders or the Couponholders, so that they become or remain Qualifying Senior Notes.

For the purposes of these Terms and Conditions:

Qualifying Senior Notes means securities issued by the Issuer, that have terms not materially less favourable to the Noteholders and the Couponholders than the terms of the Senior Notes, as reasonably determined by the Issuer, and provided that the Issuer shall have delivered a certificate to that effect signed by two (2) of its duly authorised representatives to the Fiscal Agent (and copies thereof will be available at the specified office of the Fiscal Agent during its normal business hours) not less than five (5) Business Days prior to (x) in case of a substitution of the Senior Notes, the issue date of the relevant securities or (y) in case of a variation of the Senior Notes, the date such variation becomes effective, provided that such securities shall:

- (A) contain terms which comply with the then applicable MREL or TLAC Requirements (which, for the avoidance of doubt, may result in the relevant securities not including, or restricting for a period of time the application of the MREL or TLAC Disqualification Event which are included in the Senior Notes);
The rules under MREL and/or TLAC may be modified from time to time after the date of issuance of the Senior Notes
- (B) carry the same rate of interest from time to time applying to the Senior Notes prior to the relevant substitution or variation;
- (C) rank at least senior to, or *pari passu* with, the ranking of the Senior Non-Preferred Notes or the Senior Preferred Notes, as the case may be, prior to the substitution or variation;
- (D) not be immediately subject to a Tax Event;
- (E) be listed or admitted to trading on any recognised stock exchange (including, without limitation, a Regulated Market), in either case as selected by the Issuer if (i) the Senior Notes were listed or admitted to trading on a Regulated Market immediately prior to the relevant substitution or variation or (ii) the Senior Notes were listed or admitted to trading on a recognised stock exchange other than a Regulated Market immediately prior to the relevant substitution or variation; and
- (F) have a solicited published rating ascribed to them or expected to be ascribed to them if the Senior Notes had a solicited published rating from a rating agency immediately prior to such substitution or variation.

(ii) Substitution and variation with respect to Subordinated Notes

The Issuer may at any time (subject to the provisions of paragraph (h)(iii)) and having given not less than thirty (30) nor more than forty-five (45) calendar days' prior irrevocable notice to the Fiscal Agent, the Noteholders and the Couponholders, in accordance with Condition 13, if a Capital Event or Tax Event has occurred and is continuing, substitute all (but not some only) of the Subordinated Notes or vary the terms of all (but not some only) of the Subordinated Notes, without any requirement for the

consent or approval of the Noteholders or the Couponholders, so that they become or remain Qualifying Tier 2 Notes.

For the purposes of these Terms and Conditions:

Qualifying Tier 2 Notes means securities issued by the Issuer, that, subject as required by the provisions of this definition, have terms not materially less favourable to the Noteholders and the Couponholders than the terms of the Subordinated Notes, as reasonably determined by the Issuer, provided that such securities shall:

- (A) contain terms which comply with the then current requirements of the Regulator in relation to Tier 2 Capital (which, for the avoidance of doubt, may result in the relevant securities not including, or restricting for a period of time the application of, one or more of the Special Event redemption events which are included in the Subordinated Notes);
- (B) carry the same rate of interest from time to time applying to the Subordinated Notes prior to the relevant substitution or variation pursuant to this paragraph (g)(ii);
- (C) rank senior to, or *pari passu* with, the ranking of the Subordinated Notes prior to the substitution or variation pursuant to this paragraph (g)(ii);
- (D) not be immediately subject to a Special Event;
- (E) be listed or admitted to trading on any recognised stock exchange (including, without limitation, a Regulated Market), in either case as selected by the Issuer if (i) the Subordinated Notes were listed or admitted to trading on a Regulated Market immediately prior to the relevant substitution or variation or (ii) the Subordinated Notes were listed or admitted to trading on a recognised stock exchange other than a Regulated Market immediately prior to the relevant substitution or variation; and
- (F) have a solicited published rating ascribed to them or expected to be ascribed to them if the Subordinated Notes had a solicited published rating from a rating agency immediately prior to such substitution or variation.

(ii) With respect to Senior Non-Preferred Notes

The Senior Non-Preferred Notes may only be redeemed, purchased, cancelled, substituted, varied or modified (as applicable) pursuant to:

as the case may be subject to the prior written approval of the Regulator and/or the Relevant Resolution Authority (as defined in Condition 18) (to the extent required at such date), to such redemption, purchase, cancellation, substitution, variation or modification (as applicable) in the circumstances in which it is entitled to do so.

(iii) With respect to Subordinated Notes

The Subordinated Notes the proceeds of which constitute Tier 2 Capital may only be redeemed, purchased, cancelled, substituted, varied or modified (as applicable) pursuant to:

- Condition 6(b) (*Redemption upon the occurrence of a Tax Event*),
- Condition 6(c) (*Redemption upon the occurrence of a Capital Event with respect to Subordinated Notes*),
- Condition 6(e) (*Redemption at the Option of the Issuer*),
- Condition 6(g)(ii) (*Substitution and Variation with respect to Subordinated Notes*),
- Condition 6(k) (*Purchases*) and
- Condition 6(l) (*Cancellation*),

as the case may be, if all of the following conditions are met:

- (i) the Regulator has given its prior written approval to such redemption, purchase, cancellation, substitution, variation or modification (as applicable) to the extent required at such date.

The rules under CRD IV prescribe certain conditions for the granting of permission by the Regulator to a request by the Issuer to reduce, repurchase, call or redeem subordinated notes.

In this respect, the CRR provides that the Regulator shall grant permission to a reduction, repurchase, call or redemption of subordinated notes provided that either of the following conditions is met:

- (A) on or before such reduction, repurchase, call or redemption of subordinated notes, the institution (i.e. the Issuer) replaces said subordinated notes with own funds instruments

of equal or higher quality on terms that are sustainable for the Issuer's income capacity;
or

- (B) the Issuer has demonstrated to the satisfaction of the Regulator that its own funds would, following such reduction, repurchase, call or redemption, exceed the capital ratios required under CRD IV by a margin that the Regulator may consider necessary on the basis set out in CRD IV for it to determine the appropriate level of capital of an institution.

In addition, the rules under CRD IV provide that the Regulator may only permit the Issuer to redeem subordinated notes before five years after the date of issuance of said subordinated notes if:

- (1) the conditions listed in paragraphs (A) or (B) above are met; and
- (2) in the case of redemption due to the occurrence of a change in the regulatory classification of subordinated notes that would be likely to result in their exclusion from own funds or reclassification as a lower quality form of own funds (i.e a Capital Event), (i) the Regulator considers such change to be sufficiently certain and (ii) the Issuer demonstrates to the satisfaction of the Regulator that such change was not reasonably foreseeable at the time of the issuance of the subordinated notes; or
- (3) in the case of redemption due to the occurrence of a change in the applicable tax treatment of subordinated notes (i.e. a Tax Event), the Issuer demonstrates to the satisfaction of the Regulator that such change is material and was not reasonably foreseeable at the time of issuance of the subordinated notes.

The rules under CRD IV may be modified from time to time after the date of issuance of Subordinated Notes.

- (ii) in the case of a redemption as a result of a Special Event or a substitution or variation, the Issuer has delivered a certificate signed by two (2) of its duly authorised representatives to the Fiscal Agent (and copies thereof will be available at the specified office of the Fiscal Agent during its normal business hours) not less than five (5) Business Days prior to:
- the date set for redemption that such Special Event has occurred or will occur no more than ninety (90) days following the date fixed for redemption, as the case may be; or
 - (A) in the case of a substitution of the Subordinated Notes, the issue date of the relevant securities or (B) in the case of a variation of the Subordinated Notes, the date such variation becomes effective.

(i) Optional Redemption Amount

For the purposes of Condition 6(d)(iv) (*Residual Maturity Redemption Option*), Condition 6(d)(v) (*Clean-up Redemption Option*), Condition 6(e) (*Redemption at the Option of the Issuer*) and/or Condition 6(f) (*Redemption at the Option of the Noteholders with respect to Senior Preferred Notes*), as the case may be, the Notes will be redeemed on any date or dates as specified in the applicable Final Terms (the **Optional Redemption Date(s)**) or on the date specified in the relevant notice as the case may be, and at the amount (the **Optional Redemption Amount**) calculated as follows:

- (i) in the case of Notes with a Final Redemption Amount equal to the Issue Price, at the Final Redemption Amount thereof; or
- (ii) in the case of Notes (other than Zero Coupon Notes) with a Final Redemption Amount which is or may be less or greater than the Issue Price at the amount specified in, or determined in the manner specified in, the applicable Final Terms or, if no such amount or manner is so specified in the applicable Final Terms, at their nominal amount; or
- (iii) in the case of Zero Coupon Notes, at an amount (the **Amortised Face Amount**) equal to the sum of:
 - (A) the Reference Price specified in the applicable Final Terms; and

- (B) the product of the Accrual Yield specified in the applicable Final Terms (compounded annually) being applied to the Reference Price from (and including) the Issue Date to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable.
- (iv) in the case of Notes with an Optional Redemption Amount specified as “Market Value” in the applicable Final Terms, at an amount determined by the Calculation Agent, which, on the Optional Redemption Date of the Notes so redeemed, shall represent the fair market value of the Notes and shall have the effect (after taking into account the costs that cannot be avoided to redeem the fair market value to the Noteholders) of preserving for the Noteholders the economic equivalent of the obligations of the Issuer to make the payments in respect of the Notes which would, but for such optional redemption, have fallen due after the relevant Optional Redemption Date. In respect of Notes bearing interest, notwithstanding the first paragraph of Condition 9, the Optional Redemption Amount, as determined by the Calculation Agent in accordance with this paragraph shall include any accrued interest to (but excluding) the relevant Optional Redemption Date and apart from any such interest included in the Optional Redemption Amount, no interest, accrued or otherwise, or any other amount whatsoever will be payable by the Issuer in respect of such redemption.

Where such calculation is to be made for a period of less than a full year, it shall be made on the basis of the Day Count Fraction, if applicable, specified in the applicable Final Terms.

(j) Early Redemption Amounts

For the purposes of Condition 6(b) (*Redemption upon the occurrence of a Tax Event*), Condition 6(c) (*Redemption upon the occurrence of a Capital Event with respect to Subordinated Notes*), Condition 6(d)(i) (*Redemption upon the occurrence of a MREL or TLAC Disqualification Event*), Condition 6(d)(ii) (*Redemption upon the occurrence of a Regulatory Event*), as the case may be, and Condition 9, the Notes will be redeemed on the date specified in the relevant notice (it being understood that such date shall be an Interest Payment Date, in the case of Floating Rate Notes) at the amount (the **Early Redemption Amount**) calculated as follows:

- (i) in the case of Notes with a Final Redemption Amount equal to the Issue Price, at the Final Redemption Amount thereof; or
- (ii) in the case of Notes (other than Zero Coupon Notes) with a Final Redemption Amount which is or may be less or greater than the Issue Price, at the amount determined and calculated pursuant to Condition 6(a); or
- (iii) in the case of Zero Coupon Notes, at an amount (the **Amortised Face Amount**) equal to the sum of:
 - (A) the Reference Price specified in the applicable Final Terms; and
 - (B) the product of the Accrual Yield specified in the applicable Final Terms (compounded annually) being applied to the Reference Price from (and including) the Issue Date to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable.
- (iv) in the case of Notes with an Early Redemption Amount specified as “Market Value” in the applicable Final Terms, at an amount determined by the Calculation Agent, which, on the due date for the redemption of the Notes, shall represent the fair market value of the Notes and shall have the effect (after taking into account the costs that cannot be avoided to redeem the fair market value to the Noteholders) of preserving for the Noteholders the economic equivalent of the obligations of the Issuer to make the payments in respect of the Notes which would, but for such early redemption, have fallen due after the relevant early redemption date. In respect of Notes bearing interest, notwithstanding the first paragraph of Condition 9, the Early Redemption Amount, as determined by the Calculation Agent in accordance with this

paragraph shall include any accrued interest to (but excluding) the relevant early redemption date and apart from any such interest included in the Early Redemption Amount, no interest, accrued or otherwise, or any other amount whatsoever will be payable by the Issuer in respect of such redemption.

Where such calculation is to be made for a period of less than a full year, it shall be made on the basis of the Day Count Fraction, if applicable, specified in the applicable Final Terms.

(k) Purchases

The Issuer or any of its subsidiaries, within the meaning of Article L.233-3 of the French *Code de commerce*, may, subject as provided in the next paragraph, at any time purchase Notes (including in the case of Subordinated Notes the proceeds of which constitute Tier 2 Capital, for purposes other than market making) (provided that, in the case of Definitive Bearer Notes, all unmatured Coupons and unexchanged Talons relating thereto are purchased therewith) (subject to the provisions of paragraph (h)(iii) with respect to Subordinated Notes the proceeds of which constitute Tier 2 Capital, or paragraph (h)(ii) with respect to Senior Non-Preferred Notes or paragraph (h)(i) with respect to Senior Preferred Notes, as the case may be) at any price in the open market or otherwise, in accordance with applicable laws and regulations.

Notes so purchased by or on behalf of the Issuer may be held and resold in accordance with applicable laws and regulations.

In case of Subordinated Notes, the proceeds of which constitute Tier 2 Capital, the Issuer or any agent on its behalf shall have the right at all times to purchase the Subordinated Notes (provided that, in the case of Definitive Bearer Notes, all unmatured Coupons and unexchanged Talons relating thereto are purchased therewith) for market making purposes provided that the total principal amount of the Subordinated Notes so purchased (together with the principal amount of any Notes previously such purchased) does not exceed the lower of (x) 10 per cent. of the outstanding aggregate principal amount of the Subordinated Notes (including such further Subordinated Notes issued pursuant to Condition 16), or (y) 3 per cent. of the total outstanding Tier 2 Instruments of the Issuer.

“**Tier 2 Instruments**” means the instruments as defined in Article 63 of the Capital Requirements Regulation which are treated as such under the then current requirements of the Regulator, and as amended by Part 10 of the Capital Requirements Regulation (Article 484 *et seq.* on grandfathering).

(l) Cancellation

All Notes redeemed or purchased by or on behalf of the Issuer for cancellation shall be cancelled (subject to the provisions of paragraph (h)(iii) with respect to Subordinated Notes the proceeds of which constitute Tier 2 Capital, or paragraph (h)(ii) with respect to Senior Non-Preferred Notes or paragraph (h)(i) with respect to Senior Preferred Notes, as the case may be) forthwith (together with, in the case of Definitive Bearer Notes, all unmatured Coupons and Talons appertaining thereto), in the case of Bearer Notes, by surrendering each such Note (together with, in the case of Definitive Bearer Notes, all unmatured Coupons and Talons appertaining thereto) to the Fiscal Agent and, in the case of Registered Notes, by surrendering the Certificate representing such Notes to the Registrar and, in each case, if so surrendered, shall, together with all Notes redeemed by the Issuer, be cancelled forthwith (together with all unmatured Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so cancelled may not be reissued or resold and the obligations of the Issuer in respect of any such Notes shall be discharged.

(m) Late Payment on Zero Coupon Notes

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note, except for Registered Notes, pursuant to this Condition 6 or upon its becoming due and repayable as provided in Condition 9, as the case may be, is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in paragraph (j)(iii) and Condition 4(d).

7. Taxation

- (a) All payments of principal, interest and other assimilated revenues by or on behalf of the Issuer in respect of any present or future Notes and/or any present or future Coupons relating thereto shall be made free and clear of, and without withholding or deduction for or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of any Tax Jurisdiction unless such withholding or deduction is required by law.
- (b) In the event that any payments of (i) principal, interest or other assimilated revenues, in the case of Senior Preferred Notes, or (ii) interest only (and not principal), in the case of Senior Non-Preferred Notes and Subordinated Notes, by or on behalf of the Issuer in respect of any present or future Notes or any present or future Coupons relating thereto are required to be withheld or deducted for, or on behalf of, any Tax Jurisdiction, the Issuer shall, to the fullest extent permitted by law, pay such additional amount as may be necessary, in order that each Noteholder or Couponholder, after withholding or deduction of such taxes, duties, assessments or governmental charges, will receive the full amount then due and payable provided that no such additional amount shall be payable with respect to any Note or Coupon:
- (i) presented for payment by or on behalf of a holder who is liable to such taxes, duties, assessments or governmental charges in respect of such Note or related Coupon by reason of his being connected with France other than by the mere holding of such Note or Coupon; or
 - (ii) presented for payment more than 30 calendar days after the Relevant Date (as defined below), except to the extent that the holder thereof would have been entitled to an additional amount on presenting the same for payment on such thirtieth day assuming that day to have been a Payment Business Day (as defined in Condition 5(h)); or
 - (iii) where such withholding or deduction is imposed on a payment and is required to be made pursuant to treaties executed or laws enacted by Switzerland providing for the taxation of payments according to principles similar to those laid down in the former Council Directive 2003/48/EC on the taxation of savings income (as amended), in particular the principle to have a person other than the Issuer to withhold or deduct the tax, such as, without limitation, any paying agent; or
 - (iv) in respect of Notes which are neither admitted to trading on a Regulated Market nor offered to the public, if the applicable Final Terms indicate that no such additional amounts shall be payable; or
 - (v) presented for payment by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting such Note or related Coupon to another Paying Agent in a Member State of the European Union; or
 - (vi) in case of a Special Tax Event, as described in Condition 6(b); or
 - (vii) by reason of the Noteholder being domiciled or established, or receiving payments made under the Notes on an account open, in a non-cooperative State or territory (*Etat ou territoire non coopératif*) within the meaning of article 238-0 A of French *Code général des impôts*.

In these Terms and Conditions:

- (A) **Tax Jurisdiction** means France or any political subdivision or any authority thereof or therein having power to tax; and
- (B) the **Relevant Date** means the date on which the relevant payment first becomes due, except that, if the full amount of the moneys payable has not been duly received by the Fiscal Agent on or prior to such due date, it means the date on which, the full amount of such moneys having been so received, notice to that effect is duly given to the Noteholders and the Couponholders in accordance with Condition 13.

8. Prescription

Claims against the Issuer for payment in respect of any amount due under the Bearer Notes and any Coupons related thereto and the Registered Notes shall be prescribed and become void within a period of ten years (in the case of principal) and five years (in the case of interest) after the Relevant Date (as defined in Condition 7) therefor.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition 8 or Condition 5(b) or any Talon which would be void pursuant to Condition 5(b).

9. Events of Default

(a) *Events of Default with respect to Senior Preferred Notes*

Unless otherwise specified in the applicable Final Terms, the holder of any Senior Preferred Note may give written notice to the Issuer that the Senior Preferred Notes are, and they shall accordingly forthwith become immediately due and repayable at their Early Redemption Amount together with, if appropriate and subject as otherwise provided herein, interest accrued to the date of repayment, upon the occurrence of any of the following events (each an **Event of Default**):

- (i) default by the Issuer is made in the payment of any interest or principal due in respect of the Notes of a Series or any of them and such default continues for a period of 30 calendar days; or
- (ii) the Issuer fails to perform or observe any of its other obligations under or in respect of the Senior Preferred Notes of a Series and (except in any case where such failure is incapable of remedy when no such continuation as is hereinafter mentioned will be required) the failure continues for a period of 60 calendar days next following the service on the Issuer of a notice requiring the same to be remedied; or
- (iii) the Issuer institutes or has instituted against it by a regulator, supervisor or any similar official with primary insolvency, rehabilitative or regulatory jurisdiction over it in the jurisdiction of its incorporation or the jurisdiction of its head office, or the Issuer consents to a proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or any other similar law affecting creditors' rights, or the Issuer consents to a petition for its winding-up or liquidation by it or by such regulator, supervisor or similar official, provided that proceedings instituted or petitions presented by creditors and not consented to by the Issuer shall not constitute an Event of Default.

If so specified in the applicable Final Terms, there will be no event of default in respect of Senior Preferred Notes, and the holders of such Senior Preferred Notes and/or the holders of any related Coupons will not be able to accelerate the term of such Senior Preferred Notes and/or Coupons. In accordance with Condition 3(a)(A), if any judgment shall be issued for the judicial liquidation (*liquidation judiciaire*) of the Issuer or if the Issuer is liquidated for any other reason, the Senior Preferred Notes shall become immediately due and payable at their principal amount together with any accrued interest thereon to the date of payment, without any further formality.

(b) *Events of Default with respect to Senior Non-Preferred Notes*

Unless otherwise specified in the applicable Final Terms, in which case Condition 9(a) will be deemed to apply *mutatis mutandis* to the Senior Non-Preferred Notes, there will be no event of default in respect of Senior Non-Preferred Notes, and the holders of such Senior Non-Preferred Notes and/or the holders of any related Coupons will not be able to accelerate the term of such Senior Non-Preferred Notes and/or Coupons.

In accordance with Condition 3(a)(B), if any judgment shall be issued for the judicial liquidation (*liquidation judiciaire*) of the Issuer or if the Issuer is liquidated for any other reason, the Senior Non-

Preferred Notes shall become immediately due and payable at their principal amount together with any accrued interest thereon to the date of payment, without any further formality.

(c) *No Event of Default with respect to Subordinated Notes*

There will be no event of default in respect of Subordinated Notes and Subordinated Noteholders and/or the holders of any related Coupons will not be able to accelerate the term of their Subordinated Notes and/or any related Coupons.

In accordance with Condition 3(b), if any judgment shall be issued for the judicial liquidation (*liquidation judiciaire*) of the Issuer or if the Issuer is liquidated for any other reason, the Subordinated Notes shall become immediately due and payable at their principal amount together with any accrued interest thereon to the date of payment, without any further formality.

10. Replacement of Notes, Coupons and Talons

Should any Note or (in the case of any Bearer Note) Coupon or Talon be lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Fiscal Agent (in the case of Bearer Notes) or the Registrar (in the case of Registered Notes), subject to relevant stock exchange requirements and all applicable laws, upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such terms as to evidence, security and indemnity and otherwise as the Issuer may reasonably require. Mutilated or defaced Notes, Coupons or Talons must be surrendered before replacements will be issued.

11. Appointment of Agents

The names of the initial Fiscal Agent, the initial Registrar, the initial Redenomination Agent, the initial Consolidation Agent, the initial Calculation Agent and the other initial Paying Agent(s) and their initial specified offices are set out below.

In relation to SIS Notes, and any other English Law Notes listed on SIX Swiss Exchange, the Issuer will appoint and maintain a Principal Swiss Paying Agent, having a specified office in Switzerland (which, in the case of Notes listed on SIX Swiss Exchange, shall at all times be a bank or securities dealer that is subject to supervision by the FINMA) whose duties will be set out in the Swiss Paying Agency Agreement and the Issuer will at no time maintain a Paying Agent in respect of CHF SIS Notes having a specified office outside Switzerland. In relation to SIS Notes any reference in these Conditions to the **Fiscal Agent** shall so far as the context permits be deemed to be a reference to the Principal Swiss Paying Agent.

The Issuer is entitled to vary or terminate the appointment of any Agent and/or appoint additional or other Agents and/or approve any change in the specified office through which any Agent acts, provided that there will at all times be:

- (i) so long as the Notes are listed on any stock exchange or admitted to trading or listing by another relevant authority, a Paying Agent (which may be the Fiscal Agent) and a Transfer Agent (which may be the Registrar) with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange; and
- (ii) a Paying Agent (which may be the Fiscal Agent) with a specified office in a city in continental Europe; and
- (iii) one or more Calculation Agent(s) where the Conditions so require; and
- (iv) a Redenomination Agent and Consolidation Agent where the Conditions so require; and
- (v) a Fiscal Agent and a Registrar.

Any variation, termination, appointment or change shall only take effect (other than in the case of insolvency, when it shall be of immediate effect) after not less than thirty (30) or more than forty-five (45) calendar days' prior notice thereof shall have been given to the Fiscal Agent, the Noteholders and the Couponholders (in accordance with Condition 13), which notice shall be irrevocable.

In acting under the English Law Agency Agreement, the Agents act solely as agents of the Issuer and do not assume any obligation to, or relationship of agency or trust with, any Noteholders or Couponholders. The English Law Agency Agreement contains provisions permitting any entity into which any Agent is merged or converted or with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor paying agent. If in connection with any Series of Notes the Calculation Agent is Société Générale, its appointment will be governed by the terms of the Calculation Agency Agreement set out in Appendix 1 to the English Law Agency Agreement. In the event that a Calculation Agent other than Société Générale is appointed in connection with any Series of Notes, the terms of its appointment will be summarised in the applicable Final Terms.

On a redenomination of the Notes of any Series pursuant to Condition 1 with a view to consolidating such Notes with one or more other Series of Notes, in accordance with Condition 15, the Issuer shall ensure that the same entity shall be appointed as both Redenomination Agent and Consolidation Agent in respect of both such Notes and such other Series of Notes to be so consolidated with such Notes.

12. Exchange of Talons

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 8. Each Talon shall, for the purposes of these Terms and Conditions, be deemed to mature on the Interest Payment Date on which the final Coupon comprised in the relative Coupon sheet matures.

13. Notices regarding Notes other than SIS Notes

All notices regarding the Definitive Bearer Notes shall be deemed to be validly given if published:

- (i) so long as Notes are admitted to trading on Euronext Paris, in a leading daily financial newspaper of general circulation in France (which is expected to be *Les Echos*); or
- (ii) in a leading daily financial newspaper of general circulation in Europe (which is expected to be the *Financial Times*); or
- (iii) in accordance with Articles 221-3 and 221-4 of the General Regulation (*Règlement Général*) of the *Autorité des marchés financiers*; or
- (iv) on the Issuer's website (<http://prospectus.socgen.com>)

The Issuer shall also ensure that notices are duly published in a manner which complies with the rules and regulations of any stock exchange or other relevant authority on which the Notes are for the time being listed or by which they have been admitted to trading. Any such notice will be deemed to have been given (i) on the date of the first publication or, where required to be published in more than one newspaper, on the date of the first publication in all required newspaper(s) or (ii) in the case of publication on a website, on the date on which such notice is first posted on the relevant website.

All notices regarding the Definitive Registered Notes will be deemed to be validly given if sent by first class mail (if posted to an address overseas) by airmail to the holders (or the first named of joint holders) at their respective addresses recorded in the Register and will be deemed to have been given on the fourth day after mailing and, in addition, for so long as any Definitive Registered Notes are listed on a stock exchange and the rules of that stock exchange (or any other relevant authority) so require, such notice will be published in a daily newspaper of general circulation in the place or places required by those rules.

Until such time as any Notes in definitive form are issued, there may, so long as the global Note(s) representing the Notes (whether in bearer or registered form) is or are held in its or their entirety on behalf of Euroclear and/or Clearstream, be substituted for such publication in such newspaper(s) or

dispatched by mail, the delivery of the relevant notice to Euroclear and/or Clearstream for communication by them to the holders of the Notes and in addition, for so long as any Notes are listed on a stock exchange or are admitted to trading by another relevant authority and the rules of such stock exchange or relevant authority so require, such notice will be published in accordance with such rules. Any such notice shall be deemed to have been given to the holders of the Notes on (i) the fourth day after the day on which the said notice was given to Euroclear and/or Clearstream, if "Four Day Delivery" is specified as the Clearing System Delivery Period in the applicable Final Terms or (ii) the day on which the said notice was given to Euroclear and/or Clearstream, if "Same Day Delivery" is specified as the Clearing System Delivery Period in the applicable Final Terms.

All notices given to Noteholders (irrespective of how given) shall also be delivered in writing to:

- (a) Euroclear and/or Clearstream, as the case may be; and
- (b) in the case of Notes listed on a stock exchange or admitted to trading by another relevant authority, to the relevant stock exchange or authority.

Notices to be given by any Noteholder shall be in writing and given by lodging the same, together (in the case of any Note in definitive form) with the relative Note or Notes, with the Fiscal Agent (in the case of Bearer Notes) or the Registrar (in the case of Registered Notes). Whilst any of the Notes are represented by a global Note, such notice may be given by any holder of a Note to the Fiscal Agent or the Registrar (as applicable) via Euroclear and/or Clearstream, as the case may be, in such manner as the Fiscal Agent or the Registrar (as applicable) and Euroclear and/or Clearstream, as the case may be, may approve for this purpose.

14. Notices regarding SIS Notes and other English Law Notes listed on SIX Swiss Exchange

All notices concerning SIS Notes shall be published in a leading daily newspaper (which is likely to be the *Neue Zürcher Zeitung*) having general circulation in Switzerland. Any notice so given shall be deemed to have been validly given on the date of such publication (or, if published more than once, on the date of the first such publication). Alternatively, notices regarding SIS Notes not listed on SIX Swiss Exchange may also be given by communication through the Principal Swiss Paying Agent to the Intermediary for forwarding to the holders of the Notes. Any notice so given shall be deemed to have been validly given with the communication to the Intermediary.

So long as SIS Notes or other English law Notes are listed on SIX Swiss Exchange and so long as the rules of SIX Swiss Exchange so require, all notices in respect of such Notes will also be given without cost to the holders of the Notes through the Principal Swiss Paying Agent either:

- (1) by means of electronic publication on the internet website of SIX Swiss Exchange (www.six-swissexchange.com), where notices are currently published under the address www.six-swissexchange.com/news/official_notices/search_en.html; or
- (2) otherwise in accordance with the regulations of SIX Swiss Exchange.

Any notice so given will be deemed to have been validly given on the date of such publication or if published more than once, on the first date of such publication.

References in these Conditions to notices being made in accordance with Condition 13 shall be deemed to include *mutatis mutandis* the terms of this Condition 14 in respect of SIS Notes and other English Law Notes listed on SIX Swiss Exchange.

15. Meetings of Noteholders, Modification and Waiver

The English Law Agency Agreement contains provisions for convening meetings of the Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of the Notes or the Coupons or certain provisions of the English Law Agency Agreement. Such a meeting may be convened by the Issuer at any time or by Noteholders holding not less than 10 per cent. in nominal amount of the Notes for the time being outstanding. The quorum at any such meeting is one or more persons present and holding or representing in the aggregate not less than

one twentieth of the nominal amount of the Notes for the time being outstanding and for passing an Extraordinary Resolution is one or more persons present and holding or representing in the aggregate not less than 50 per cent. in nominal amount of the Notes for the time being outstanding, or at any adjourned meeting one or more persons being or representing Noteholders whatever the nominal amount of the Notes so held or represented, except that at any meeting the business of which includes the modification of certain provisions of the Notes or Coupons (including but not limited to modifying the date of maturity of the Notes, reducing or cancelling the amount of principal or the rate of interest payable in respect of the Notes or altering the currency of payment or denomination of the Notes or Coupons), the necessary quorum for passing an Extraordinary Resolution will be one or more persons holding or representing not less than two-thirds, or at any adjourned such meeting not less than one-third, in nominal amount of the Notes for the time being outstanding. An Extraordinary Resolution passed at any meeting of the Noteholders shall be binding on all the Noteholders, whether or not they are present at the meeting, and on all Couponholders.

The Fiscal Agent and the Issuer may agree, without the consent of the Noteholders or Couponholders, to any modification of the Notes, the Coupons or the English Law Agency Agreement which is (i) to cure or correct any ambiguity or defective or inconsistent provision contained therein, or which is of a formal, minor or technical nature or (ii) not prejudicial to the interests of the Noteholders and/or the Couponholders (provided the proposed modification does not relate to a matter in respect of which an Extraordinary Resolution would be required if a meeting of Noteholders were held to consider such modification) or (iii) to correct a manifest error or proven error or (iv) to comply with mandatory provisions of the law. Any such modification shall be binding on the Noteholders and the Couponholders and any such modification shall be notified to the Noteholders in accordance with Condition 13.

Any modification may only be made (i) with respect to Senior Notes to the extent the Issuer has obtained the prior written consent of the Regulator and/or the Relevant Resolution Authority to the extent required at such date and (ii) with respect to Subordinated Notes the proceeds of which constitute Tier 2 Capital, to the extent the Issuer has obtained the prior written consent of the Regulator.

16. Further Issues and Consolidation

The Issuer may from time to time without the consent of the Noteholders or Couponholders create and issue further notes carrying rights identical in all respects to those of outstanding Notes and on the same Terms and Conditions (save for their Issue Date, Interest Commencement Date, Issue Price and/or the amount and date of the first payment of interest thereon), so that the same shall be consolidated and form a single Series with, the outstanding Notes.

The Issuer may from time to time on any Interest Payment Date occurring on or after the date specified for a redenomination of the Notes pursuant to Condition 1, on giving not less than 30 calendar days prior notice to the Noteholders in accordance with Condition 13, without the consent of the Noteholders or the Couponholders, consolidate the Notes with one or more issues of other notes issued by it, whether or not originally issued in one of the European national currencies or in Euro, provided such other notes have been redenominated in Euro (if not originally denominated in Euro) and which otherwise have, in respect of all periods subsequent to such consolidation, the same terms and conditions as the Notes.

17. Contracts (Rights of Third Parties) Act 1999

The Notes shall not confer any rights under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of the Notes, but this does not affect any right or remedy of a third party which may exist or is available apart from that Act.

18. Acknowledgement of Bail-In and Write-Down or Conversion Powers

By the acquisition of Notes, each Noteholder (which, for the purposes of this Condition 18, includes any current or future holder of a beneficial interest in the Notes) acknowledges, accepts, consents and agrees:

- (a) to be bound by the effect of the exercise of the Bail-in Power (as defined below) by the Relevant Resolution Authority (as defined below), which may include and result in any of the following, or some combination thereof:
 - (i) the reduction of all, or a portion, of the Amounts Due (as defined below), including on a permanent basis;
 - (ii) the conversion of all, or a portion, of the Amounts Due into shares, other securities or other obligations of the Issuer or another person (and the issue to the Noteholder of such shares, securities or obligations), including by means of an amendment, modification or variation of the terms of the Notes, in which case the Noteholder agrees to accept in lieu of its rights under the Notes any such shares, other securities or other obligations of the Issuer or another person;
 - (iii) the cancellation of the Notes; and/or
 - (iv) the amendment or alteration of the maturity of the Notes or amendment of the amount of interest payable on the Notes, or the date on which the interest becomes payable, including by suspending payment for a temporary period;
- (b) that the terms of the Notes are subject to, and may be varied, if necessary, to give effect to, the exercise of the Bail-in Power by the Relevant Resolution Authority.

For these purposes, the **Amounts Due** are the prevailing outstanding amount of the Notes, and any accrued and unpaid interest on the Notes that has not been previously cancelled or otherwise is no longer due.

For these purposes, the **Bail-in Power** is any power existing from time to time under any laws, regulations, rules or requirements in effect in France, relating to the transposition of Directive 2014/59/EU of the European Parliament and of the Council of 15 May 2014 establishing a framework for the recovery and resolution of credit institutions and investment firms (as amended from time to time, the **BRRD**), including without limitation pursuant to French decree-law No. 2015-1024 dated 20 August 2015 (*Ordonnance portant diverses dispositions d'adaptation de la législation au droit de l'Union européenne en matière financière*) (as amended from time to time, the **20 August 2015 Decree Law**), Regulation (EU) No 806/2014 of the European Parliament and of the Council of 15 July 2014 establishing uniform rules and a uniform procedure for the resolution of credit institutions and certain investment firms in the framework of a Single Resolution Mechanism and a Single Resolution Fund and amending Regulation (EU) No 1093/2010 (as amended from time to time, the **Single Resolution Mechanism Regulation**), or otherwise arising under French law, and in each case the instructions, rules and standards created thereunder, pursuant to which the obligations of a Regulated Entity (or an affiliate of such Regulated Entity) can be reduced (in part or in whole), cancelled, suspended, transferred, varied or otherwise modified in any way, or securities of a Regulated Entity (or an affiliate of such Regulated Entity) can be converted into shares, other securities, or other obligations of such Regulated Entity or any other person, whether in connection with the implementation of a bail-in tool following placement in resolution or otherwise.

A reference to a **Regulated Entity** is to any entity referred to in Section I of Article L.613-34 of the French *Code monétaire et financier* as modified by the 20 August 2015 Decree Law, which includes certain credit institutions, investment firms, and certain of their parent or holding companies established in France.

A reference to the **Relevant Resolution Authority** is to the *Autorité de contrôle prudentiel et de résolution* (the **ACPR**), the Single Resolution Board established pursuant to the Single Resolution Mechanism Regulation, and/or any other authority entitled to exercise or participate in the exercise of

any Bail-in Power from time to time (including the Council of the European Union and the European Commission when acting pursuant to Article 18 of the Single Resolution Mechanism Regulation).

No repayment or payment of the Amounts Due will become due and payable or be paid after the exercise of the Bail-in Power by the Relevant Resolution Authority with respect to the Issuer unless, at the time such repayment or payment, respectively, is scheduled to become due, such repayment or payment would be permitted to be made by the Issuer under the laws and regulations in effect in France and the European Union applicable to the Issuer or other members of its group.

Upon the exercise of any Bail-in Power by the Relevant Resolution Authority with respect to the Notes, the Issuer will provide a written notice to the Noteholders in accordance with Condition 13 as soon as practicable regarding such exercise of the Bail-in Power. The Issuer will also deliver a copy of such notice to the Fiscal Agent for informational purposes, although the Fiscal Agent shall not be required to send such notice to Noteholders. Any delay or failure by the Issuer to give notice shall not affect the validity and enforceability of the Bail-in Power nor the effects on the Notes described above.

Neither a cancellation of the Notes, a reduction, in part or in full, of the Amounts Due, the conversion thereof into another security or obligation of the Issuer or another person, as a result of the exercise of the Bail-in Power by the Relevant Resolution Authority with respect to the Issuer, nor the exercise of any Bail-in Power by the Relevant Resolution Authority with respect to the Notes will be an event of default or otherwise constitute non-performance of a contractual obligation, or entitle the Noteholder to any remedies (including equitable remedies) which are hereby expressly waived.

Upon the exercise of any Bail-in Power by the Relevant Resolution Authority, the Issuer and each Noteholder (including each holder of a beneficial interest in the Notes) hereby agree that (a) the Fiscal Agent shall not be required to take any directions from Noteholders, and (b) the English Law Agency Agreement shall impose no duties upon the Fiscal Agent whatsoever, in each case with respect to the exercise of any Bail-in Power by the Relevant Resolution Authority.

Notwithstanding the foregoing, if, following the completion of the exercise of the Bail-In Power by the Relevant Resolution Authority, any Notes remain outstanding (for example, if the exercise of the Bail-In Power results in only a partial write-down of the principal of the Notes), then the Fiscal Agent's duties under the English Law Agency Agreement shall remain applicable with respect to the Notes following such completion to the extent that the Issuer and the Fiscal Agent shall agree pursuant to an amendment to the English Law Agency Agreement.

If the Relevant Resolution Authority exercises the Bail-in Power with respect to less than the total Amounts Due, unless the Fiscal Agent is otherwise instructed by the Issuer or the Relevant Resolution Authority, any cancellation, write-off or conversion made in respect of the Notes pursuant to the Bail-in Power will be made on a pro-rata basis.

The matters set forth in this Condition 18 shall be exhaustive on the foregoing matters to the exclusion of any other agreements, arrangements or understandings between the Issuer and any holder of a Note.

No expenses necessary for the procedures under this Condition 18, including, but not limited to, those incurred by the Issuer and the Fiscal Agent, shall be borne by any Noteholder.

19. Waiver of Set-Off

No holder of any Note, Receipt or Coupon may at any time exercise or claim any Waived Set-Off Rights against any right, claim, or liability the Issuer has or may have or acquire against such holder, directly or indirectly, howsoever arising (and, for the avoidance of doubt, including all such rights, claims and liabilities arising under or in relation to any and all agreements or other instruments of any sort or any non-contractual obligations, in each case whether or not relating to the Notes, Receipt or Coupon) and each such holder shall be deemed to have waived all Waived Set-Off Rights to the fullest extent permitted by applicable law in relation to all such actual and potential rights, claims and liabilities.

For the avoidance of doubt, nothing in this Condition 19 is intended to provide or shall be construed as acknowledging any right of deduction, set-off, netting, compensation, retention or counterclaim or that any such right is or would be available to any holder of any Note, Receipt or Coupon but for this Condition 19.

For the purposes of this Condition 19, "**Waived Set-Off Rights**" means any and all rights of or claims of any holder of any Note, Receipt or Coupon for deduction, set-off, netting, compensation, retention or counterclaim arising directly or indirectly under or in connection with any such Note, Receipt or Coupon.

20. Governing Law and Submission to Jurisdiction

The English Law Agency Agreement, the Deed of Covenant, Swiss Paying Agency Agreement and any non-contractual obligations arising out of or in connection with the English Law Agency Agreement, the Deed of Covenant and the Swiss Paying Agency Agreement will be governed by, and shall be construed in accordance with, English law.

The Notes, the Coupons, the Talons and any non-contractual obligations arising out of or in connection with the Notes, the Coupons and the Talons will be governed by, and shall be construed in accordance with, English law except for (i) Condition 3 (*Status of the Notes*) which will be governed by, and shall be construed in accordance with, French law and (ii) in the case of Uncertificated SIS Notes, their form, title and transfer, as set out in Condition 1 (*Form, Denomination, Title and Redenomination*), which shall be governed by Swiss law and particularly the laws applicable to SIS or any other clearing institution in Switzerland recognized for such purposes by SIX Swiss Exchange.

The Issuer irrevocably agrees, for the benefit of the Noteholders and the Couponholders, that the courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with the Notes and/or the Coupons and accordingly submits to the jurisdiction of the English courts.

The Issuer waives any objection to the courts of England on the grounds that they are an inconvenient or inappropriate forum. The Noteholders and the Couponholders may take any suit, action or proceedings (together referred to as **Proceedings**) arising out of or in connection with the Notes and the Coupons and any non-contractual obligations arising out of or in connection with the Notes and the Coupons against the Issuer in any other court of competent jurisdiction and concurrent Proceedings in any number of jurisdictions.

The Issuer appoints Société Générale, London Branch (**SGLB**), currently of SG House, 41 Tower Hill, London EC3N 4SG, as its agent for service of process, and undertakes that, in the event of SGLB ceasing so to act or ceasing to be registered in England, it will appoint another person as its agent for service of process in England in respect of any Proceedings. Nothing herein shall affect the right to serve proceedings in any other manner permitted by law.

The Issuer has, in the English Law Agency Agreement and the Deed of Covenant, submitted to the jurisdiction of the English courts and appointed an agent for service of process in terms substantially similar to those set out above.

TERMS AND CONDITIONS OF THE FRENCH LAW NOTES

The following are the Terms and Conditions (as defined below) of the Notes to be issued under French law (the **French Law Notes**) that, as completed in accordance with the provisions of the applicable Final Terms (as defined below), shall be applicable to the French Law Notes. In the case of Dematerialised Notes (as defined below), the text of the Terms and Conditions will not be endorsed on physical documents of title, but will be constituted by the following text, as completed by the applicable Final Terms. In the case of Materialised Notes (as defined below), either (i) the full text of these Terms and Conditions and the applicable Final Terms or (ii) these Terms and Conditions, as so completed (and subject to simplification by the deletion of inapplicable provisions) shall be endorsed on Definitive Materialised Notes.

In the case of any Tranche (as defined below) of French Law Notes which are being admitted to trading on Euronext Paris and/or the regulated market of the Luxembourg Stock Exchange and/or offered to the public in France and/or in Luxembourg in circumstances which require the publication of a prospectus under the Prospectus Directive (as defined below), the applicable Final Terms shall not amend or replace any information in this Base Prospectus. Subject to this, to the extent permitted by applicable law and/or regulation, the Final Terms in respect of any Tranche of French Law Notes may complete any information in this Base Prospectus.

All capitalised terms used but not defined in these Terms and Conditions will have the meanings given to them in the applicable Final Terms. References in the Terms and Conditions to the "**Notes**" are to the French Law Notes of one Series only, not to all French Law Notes that may be issued under the Programme.

Dematerialised Notes which are designated in the applicable Final Terms as Permanently Restricted Notes, or any interest therein, may not at any time be offered, sold, resold, traded, pledged, redeemed, transferred or delivered, directly or indirectly, in the United States or to, or for the account or benefit of, a U.S. Person and any offer, sale, resale, trade, pledge, redemption, transfer or delivery made, directly or indirectly, within the United States or to, or for the account or benefit of, a U.S. Person will not be recognised. French law Dematerialised Notes which are designated in the applicable Final Terms as Permanently Restricted Notes may not be legally or beneficially owned at any time by any U.S. Person and accordingly are being offered and sold outside the United States to persons that are not U.S. Persons in reliance on Regulation S.

Dematerialised Notes which are not designated as Permanently Restricted Notes and Materialised Notes, or in each case any interest therein, may not be offered or sold in the United States or to, or for the account or benefit of, U.S. Persons except pursuant to an exemption from the registration requirements of the Securities Act.

The Notes are issued by the Issuer with the benefit of an amended and restated agency agreement dated 12 December 2016 (the **French Law Agency Agreement**, which expression includes the same as it may be modified and/or supplemented and/or restated from time to time) and made between, *inter alios*, the Issuer, Société Générale Bank & Trust as fiscal agent, principal paying agent, redenomination agent, consolidation agent and calculation agent (the **Fiscal Agent**, the **Principal Paying Agent**, the **Redenomination Agent**, the **Consolidation Agent** and the **Calculation Agent**, respectively, which expressions shall include, in each case, any additional or successor agent or any other calculation agent appointed from time to time and specified in the applicable Final Terms) and the other paying agents named therein (such paying agents, together with the Principal Paying Agent and the Fiscal Agent, the **Paying Agents**, which expression shall include any additional or successor paying agents appointed from time to time). The Paying Agents, the Redenomination Agent, the Consolidation Agent and the Calculation Agent shall be referred to collectively hereunder as the **Agents**.

Any issue of Dematerialised Notes or Materialised Notes (each term as defined below) to be listed on SIX Swiss Exchange will have the benefit of a Swiss paying agency agreement (the **Swiss Paying**

Agency Agreement, which expression shall be construed as a reference to any such agreement as the same may be amended, supplemented or restated from time to time) between, amongst others, the Issuer, the principal Swiss paying agent (the **Principal Swiss Paying Agent**, and the other Swiss paying agents (if any), (the **Swiss Paying Agents**) respectively, appointed from time to time (which expressions shall include any additional or successor (principal) Swiss paying agent appointed from time to time), and the term Paying Agent as defined above shall include such Principal Swiss Paying Agent and Swiss Paying Agents). The form of the Swiss Paying Agency Agreement is scheduled to the French Law Agency Agreement.

The holders of Dematerialised Notes and Materialised Notes and the holders of interest coupons relating to interest bearing Materialised Notes (**Coupons**) and, where applicable in the case of such Notes, talons (**Talons**) for further Coupons (the **Couponholders**) are deemed to have notice of all of the provisions of the French Law Agency Agreement and the Swiss Paying Agency Agreement (where applicable) applicable to them. Any reference here is to "**Coupons**" or "**coupons**" shall, unless the context requires otherwise, be deemed to include a reference to "**Talons**" or "**talons**".

Any reference in these Terms and Conditions to **Euroclear France**, **Euroclear** and/or **Clearstream** (each term as defined below) shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system (i) specified in the applicable Final Terms or approved by the Issuer, the relevant Dealer(s) and the Fiscal Agent and (ii) not located in a non-cooperative State or territory within the meaning of Article 238-0-A of the French *Code général des impôts*.

Any reference in these Terms and Conditions to **Prospectus Directive** shall be to Directive 2003/71/EC of the European Parliament and of the Council dated 4 November 2003 on the prospectus to be published when securities are offered to the public or admitted to trading, as amended.

The specific terms of each Tranche of Notes will be determined by the Issuer and the relevant Dealer(s) at the time of the issue and will be set out in the final terms of such Tranche (the **Final Terms**). The applicable Final Terms (or other relevant provisions thereof) complete these terms and conditions (the **Terms and Conditions** or **Conditions**) for the purposes of the relevant Tranche of Notes. As used herein, **Tranche** means Notes which are identical in all respects and **Series** means a Tranche of Notes together with any further Tranche or Tranches of Notes which are (a) expressed to be consolidated and form a single Series and (b) identical in all respects except for their principal amount, their respective Issue Dates, Interest Commencement Dates and/or Issue Prices.

Copies of the French Law Agency Agreement and the Swiss Paying Agency Agreement (where applicable) are available for inspection during normal business hours from the head office of the Issuer and from the specified office of each of the Paying Agents. The Noteholders and the Couponholders are deemed to have notice of, and are entitled to the benefit of, all the provisions of the French Law Agency Agreement, the Swiss Paying Agency Agreement (where applicable) and the Final Terms which are applicable to them. The statements in the Conditions include summaries of, and are subject to, the detailed provisions of the French Law Agency Agreement and the Swiss Paying Agency Agreement (where applicable). Words and expressions defined in the French Law Agency Agreement, the Swiss Paying Agency Agreement (where applicable) or used in the applicable Final Terms shall have the same meanings where used in these Terms and Conditions unless the context otherwise requires or unless otherwise stated and provided that, in the event of any inconsistency between the French Law Agency Agreement, the Swiss Paying Agency Agreement (where applicable) and the applicable Final Terms, the applicable Final Terms will prevail.

1. Form, Denomination, Title and Redenomination

(a) Form

Notes may be issued either in dematerialised form (**Dematerialised Notes**) or in materialised form (**Materialised Notes**).

- (i) Title to Dematerialised Notes will be evidenced in accordance with Articles L.211-3 *et seq.* and R.211-1 *et seq.* of the French *Code monétaire et financier* by book entries (*inscriptions en compte*). No physical document of title (including *certificats représentatifs* pursuant to Article R.211-7 of the French *Code monétaire et financier*) will be issued in respect of Dematerialised Notes.

Dematerialised Notes may, at the option of the Issuer, be issued in either (i) bearer form (*au porteur*), in which case they will be inscribed as of the Issue Date of each Tranche of Dematerialised Notes in the books of Euroclear France (**Euroclear France**), acting as central depository, which shall credit the accounts of the Euroclear France Account Holders (as defined below), or (ii) registered form (*au nominatif*) and, in such latter case, at the option of the relevant Noteholder in either (x) administered registered form (*au nominatif administré*), in which case they will be inscribed in the accounts of the Euroclear France Account Holders designated by the relevant Noteholders or (y) fully registered form (*au nominatif pur*), in which case they will be inscribed in an account in the books of Euroclear France maintained by the Issuer or by the registration agent (designated in the applicable Final Terms) acting on behalf of the Issuer (the **Registration Agent**).

For Notes issued in Dematerialised Form, unless this possibility is expressly excluded in the applicable Final Terms and to the extent permitted by applicable law, the Issuer may at any time request from the central depository identification information of the Noteholders such as the name or the company name nationality, date of birth or year of incorporation and mail address or, as the case may be, e-mail address of holders of Dematerialised Notes in bearer form.

For the purpose of these Conditions, **Euroclear France Account Holder** means any intermediary institution entitled to hold accounts, directly or indirectly, on behalf of its customers with Euroclear France, and includes Euroclear Bank S.A./N.V. - (ii) Materialised Notes are issued in materialised bearer form (**Materialised Notes**) and will only be issued outside France. A temporary global certificate in bearer form without coupons attached (a **Temporary Global Certificate**) will initially be issued in connection with Materialised Notes. Such Temporary Global Certificate will be exchanged for definitive Materialised Notes in materialised bearer form with, where applicable, coupons for interest attached on or after a date expected to be on or about the 40th calendar day after the issue date of the Notes (subject to postponement as further described herein) upon certification as to non-U.S. beneficial ownership as more fully described herein. Materialised Notes are serially numbered and are issued with Coupons (and, where appropriate, a Talon) attached, save in the case of Zero Coupon Notes in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable.

In accordance with Articles L.211-3 *et seq.* and R.211-1 *et seq.* of the French *Code monétaire et financier*, securities in materialised form, such as the Materialised Notes, constituting *obligations* under French law and governed by French law must be issued outside France.

The Notes may be Fixed Rate Notes, Floating Rate Notes, Fixed/Floating Rate Notes or Zero Coupon Notes or a combination of any of the foregoing, all depending upon the Interest/Payment/Redemption Basis specified in the applicable Final Terms.

(b) *Denomination(s)*

Notes shall be issued in the specified denomination(s) set out in the applicable Final Terms (the **Specified Denomination(s)**) save that the minimum denomination of each Note admitted to trading on Euronext Paris and/or the regulated market of the Luxembourg Stock Exchange and/or offered to the public in France and/or in Luxembourg in circumstances which require the publication of a

prospectus under the Prospectus Directive will be at least such amount as may be allowed or required from time to time by the relevant central bank (or equivalent body) or any laws or regulations applicable to the Specified Currency. Dematerialised Notes shall be issued in one Specified Denomination only.

(c) *Title*

- (i) Title to Dematerialised Notes in bearer form (*au porteur*) and in administered registered form (*au nominatif administré*) shall pass upon, and transfer of such Notes may only be effected through, registration of the transfer in the accounts of Euroclear France Account Holders. Title to Dematerialised Notes in fully registered form (*au nominatif pur*) shall pass upon, and transfer of such Notes may only be effected through, registration of the transfer in the accounts in the books of Euroclear France maintained by the Issuer or by the Registration Agent.
- (ii) Title to Materialised Notes in definitive form having, where appropriate, Coupons and/or a Talon attached thereto on issue (**Definitive Materialised Notes**) shall pass by delivery.
- (iii) Except as ordered by a court of competent jurisdiction or as required by law, the holder of any Materialised Note, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes, whether or not it is overdue and regardless of any notice of ownership, or an interest in it, any writing on it or its theft or loss and no person shall be liable for so treating such holder of Materialised Notes.
- (iv) In these Conditions, **Noteholder** or **holder** means (i) in the case of Dematerialised Notes, the person whose name appears in the account of the relevant Euroclear France Account Holder, the Issuer or the Registration Agent (as the case may be) as being entitled to such Notes and (ii) in the case of Materialised Notes, the bearer of any Definitive Materialised Note and the Coupons or Talon relating to it, and capitalised terms have the meanings given to them in the applicable Final Terms, the absence of any such meaning indicating that such term is not applicable to the Notes.

(d) *Conversion of Dematerialised Notes*

- (i) Dematerialised Notes issued in bearer form (*au porteur*) may not be converted into Dematerialised Notes in registered form, whether in fully registered form (*au nominatif pur*) or in administered registered form (*au nominatif administré*).
- (ii) Dematerialised Notes issued in registered form (*au nominatif*) may not be converted into Dematerialised Notes in bearer form (*au porteur*).
- (iii) Dematerialised Notes issued in fully registered form (*au nominatif pur*) may, at the option of the Noteholder, be converted into Notes in administered registered form (*au nominatif administré*), and vice versa. The exercise of any such option by the Noteholder shall be made in accordance with Article R.211-4 of the French *Code monétaire et financier*. Any such conversion shall be effected at the cost of the Noteholder.

(e) *Exchange of Materialised Notes*

Materialised Notes of one Specified Denomination may not be exchanged for Materialised Notes of another Specified Denomination.

(f) *Redenomination of Notes*

- (i) The Issuer may (if so specified in the applicable Final Terms), on any Interest Payment Date, without the consent of the Noteholders or Couponholders, by giving at least 30 calendar days' prior notice in accordance with Condition 13, and on or after the date on which (i) the Member State of the European Union in whose national currency the Notes are denominated has become a participating Member State in the third stage of the European Economic and Monetary Union (as provided in the Treaty establishing the European Community (the **EC**), as

amended from time to time (the **Treaty**) or (ii) events have occurred which have substantially the same effects, redenominate all, but not some only, of the Notes of any Series denominated in such national currency into Euro and adjust the aggregate nominal amount of the issue and the Denomination(s) set out in the applicable Final Terms accordingly, as described below. The date on which such redenomination becomes effective shall be referred to in these Terms and Conditions as the **Redenomination Date**.

- (ii) The redenomination of the Notes pursuant to the above paragraph shall be made by converting the aggregate nominal amount of the issue and the Denomination(s) of each Note from the relevant national currency into Euro using the fixed relevant national currency Euro conversion rate established by the Council of the European Union pursuant to Article 123 (4) of the Treaty and rounding the resultant figure to the nearest 0.01 Euro (with 0.005 Euro being rounded upwards). If the Issuer so elects, the figure resulting from conversion of the principal amount of each Note using the fixed relevant national currency Euro conversion rate shall be rounded down to the nearest Euro. The Euro denominations of the Notes so determined shall be notified to Noteholders and Couponholders in accordance with Condition 13. Any balance remaining from the redenomination with a denomination higher than 0.01 Euro shall be paid by way of cash adjustment rounded to the nearest 0.01 Euro (with 0.005 Euro being rounded upwards). Such cash adjustment will be payable in Euros on the Redenomination Date in the manner notified to Noteholders by the Issuer.
- (iii) Upon redenomination of the Notes, any reference hereon to the relevant national currency shall be construed as a reference to Euro.
- (iv) The Issuer may, with prior approval of the Redenomination Agent and Consolidation Agent, in connection with any redenomination pursuant to this Condition or any consolidation pursuant to Condition 15, without the consent of the Noteholders, make any changes or additions to these Conditions which it reasonably believes to be necessary or desirable to give effect to the provisions of this Condition or Condition 15 (including, without limitation, any change to any applicable business day definition, business day convention, principal financial centre of the country of the Specified Currency, interest accrual basis or benchmark), taking into account market practice in respect of redenominated euromarket debt obligations and which it believes are not prejudicial to the interests of the Noteholders. Any such changes or additions shall, in the absence of manifest error, be binding on the Noteholders, Coupons and Talons and shall be notified to Noteholders in accordance with Condition 13 as soon as practicable thereafter.
- (v) Neither the Issuer nor any Paying Agent shall be liable to any Noteholder or Couponholders or other person for any commissions, costs, losses or expenses in relation to or resulting from the credit or transfer of Euro or any currency conversion or rounding effected in connection therewith.

2. Status of the Notes

The obligations of the Issuer under the Notes may either be senior (**Senior Notes**) or subordinated (**Subordinated Notes**), as specified in the applicable Final Terms.

(a) Senior Notes

The Senior Notes may be either senior preferred notes (**Senior Preferred Notes**) or senior non-preferred notes (**Senior Non-Preferred Notes**), as specified in the applicable Final Terms.

For the avoidance of doubt, all "unsubordinated notes" issued by the Issuer under the €50,000,000,000 Euro Medium Term Note – Paris Registered Programme prior to the date of entry into force of the law n°2016-1691 dated 9 December 2016 (the **Law**) on 11 December 2016 constitute Senior Preferred Notes.

A. Senior Preferred Notes

Senior Preferred Notes, including where applicable any related Coupons, will constitute direct, unconditional, unsecured and senior obligations of the Issuer ranking as senior preferred obligations, as provided for in Article L. 613-30-3-I-3° of the French *Code Monétaire et Financier* (the **Code**).

Such Senior Preferred Notes including where applicable any related Coupons rank and will rank equally and rateably without any preference or priority among themselves and:

- (i) *pari passu* with all other direct, unconditional, unsecured and senior obligations of the Issuer outstanding as of the date of entry into force of the Law on 11 December 2016;
- (ii) *pari passu* with all other present or future direct, unconditional, unsecured and senior preferred obligations (as provided for in Article L. 613-30-3-I-3° of the Code) of the Issuer issued after the date of entry into force of the Law on 11 December 2016;
- (iii) junior to all present or future claims of the Issuer benefiting from statutorily preferred exceptions; and
- (iv) senior to all present or future senior non-preferred obligations (as provided for in Article L. 613-30-3-I-4° of the Code) of the Issuer.

B. Senior Non-Preferred Notes

Senior Non-Preferred Notes including, where applicable any related Coupons, will constitute direct, unconditional, unsecured and senior obligations of the Issuer ranking as senior non-preferred obligations (as provided for in Article L. 613-30-3-I-4° of the Code).

Such Senior Non-Preferred Notes, including, where applicable any related Coupons rank and will rank equally and rateably without any preference or priority among themselves and:

- (i) *pari passu* with all other present or future direct, unconditional, unsecured and senior non-preferred obligations of the Issuer (as provided for in Article L. 613-30-3-I-4° of the Code) issued after the date of entry into force of the Law on 11 December 2016;
- (ii) junior to all present or future direct, unconditional, unsecured and senior obligations of the Issuer ranking as senior preferred obligations (as provided for in Article L. 613-30-3-I-3° of the Code); and
- (iii) senior to all present or future subordinated obligations of the Issuer.

In the event any judgment is rendered by any competent court declaring the judicial liquidation of the Issuer or if the Issuer is liquidated for any other reason, the rights of payment of the Senior Non-Preferred Notes and, where applicable, any related Coupons shall be subordinated to the payment in full of all present or future senior preferred creditors and holders of, or creditors in respect of, obligations expressed by their terms to rank in priority to the Senior Non-Preferred Notes and of those preferred by mandatory and/or overriding provisions of law (collectively, **Senior Preferred Creditors**) and, subject to such payment in full, the holders of Senior Non-Preferred Notes and, where applicable, any related Coupons shall be paid in priority to any present or future subordinated obligations of the Issuer. In the event of incomplete payment of Senior Preferred Creditors, the obligations of the Issuer in connection with the Senior Non-Preferred Notes and, where applicable, any related Coupons will be terminated. The holders of Senior Non-Preferred Notes and, where applicable, any related Coupons shall be responsible for taking all necessary steps for the orderly accomplishment of any such liquidation of the Issuer in relation to any claims they may have against the Issuer.

(b) *Subordinated Notes*

The Subordinated Notes, including, where applicable any related Coupons, constitute direct, unconditional, unsecured and subordinated obligations of the Issuer and rank and will rank equally and rateably without any preference or priority among themselves and:

- (i) *pari passu* with all other present or future subordinated obligations of the Issuer, with the exception of subordinated obligations referred to in (ii) and (iii) below;
- (ii) senior to all present or future *prêts participatifs* granted to the Issuer, *titres participatifs* issued by the Issuer and any deeply subordinated obligations of the Issuer (*engagements dits "super subordonnés"*, i.e. *engagements subordonnés de dernier rang*);
- (iii) junior to all present or future (x) subordinated obligations expressed by their terms to rank in priority to the Subordinated Notes and, where applicable, any related Coupons and (y) subordinated obligations preferred by mandatory and/or overriding provisions of law; and
- (iv) junior to all present or future (x) senior obligations and (y) senior obligations preferred by mandatory and/or overriding provisions of law.

In the event any judgment is rendered by any competent court declaring the judicial liquidation of the Issuer or if the Issuer is liquidated for any other reason, the rights of payment of the Subordinated Noteholders and, where applicable, any related Coupons shall be subordinated to the payment in full of all present or future senior creditors and holders of, or creditors in respect of, subordinated obligations expressed by their terms to rank in priority to the Subordinated Notes and those preferred by mandatory and/or overriding provisions of law (collectively, **Senior Creditors**) and, subject to such payment in full, the Subordinated Noteholders and, where applicable, any related Coupons shall be paid in priority to any *prêts participatifs* granted to the Issuer, any *titres participatifs* issued by it and any deeply subordinated obligations of the Issuer (*engagements dits "super subordonnés"*, i.e. *engagements subordonnés de dernier rang*). In the event of incomplete payment of Senior Creditors, the obligations of the Issuer in connection with the Subordinated Notes and, where applicable, any related Coupons will be terminated. The Subordinated Noteholders and, where applicable, any related Coupons shall be responsible for taking all necessary steps for the orderly accomplishment of any such liquidation of the Issuer in relation to any claims they may have against the Issuer.

Subordinated Notes are issued pursuant to the provisions of Article L. 228-97 of the French *Code de Commerce*.

3. Interest

Interest on Notes (other than Zero Coupon Notes) will be payable on one or more Interest Payment Date(s) as defined and as provided below.

(a) *Interest on Fixed Rate Notes*

The applicable Final Terms contain provisions applicable to the determination of any fixed coupon amount (the **Fixed Coupon Amount**) and must be read in conjunction with this Condition 3 for full information on the manner in which interest is calculated on Fixed Rate Notes.

Adjusted Fixed Rate Note means a Fixed Rate Note in respect of which the Interest Amount and any related Interest Payment Date are subject to modification in accordance with the provisions of Condition 3(a)(ii).

Fixed Rate Note means a Note which bears a fixed rate of interest which may be either an Adjusted Fixed Rate Note or an Unadjusted Fixed Rate Note.

Unadjusted Fixed Rate Note means a Fixed Rate Note in respect of which the Interest Amount and any related Interest Payment Date remain, for the purposes of this Condition (and without prejudice to the provisions of Condition 4(e)), unchanged and are calculated in accordance with the provisions of Condition 3(a)(i).

(i) Unadjusted Fixed Rate Notes

Each Unadjusted Fixed Rate Note bears interest on its outstanding principal amount from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest.

If the Fixed Rate Notes are specified in the applicable Final Terms as Resettable Notes, the Rate of Interest will initially be a fixed rate and will then be resettable as provided below:

The Rate of Interest in respect of an Interest Period will be as follows:

- (i) for each Interest Period, falling in the period from (and including) the Interest Commencement Date to (but excluding) the First Reset Date, the Initial Rate of Interest;
- (ii) for each Interest Period, falling in the period from (and including) the First Reset Date to (but excluding) the Second Reset Date or, if none, the Maturity Date, the First Reset Rate of Interest; and
- (iii) for each Interest Period, in any Subsequent Reset Period thereafter, the Subsequent Reset Rate of Interest in respect of the relevant Subsequent Reset Period.

Interest will be payable in arrear on the Interest Payment Date(s) up to (and including) the Maturity Date (as specified in the applicable Final Terms).

The amount of interest payable on each Interest Payment Date in respect of the Interest Period, ending on such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified (the **Broken Amount**).

(ii) Adjusted Fixed Rate Notes

Each Adjusted Fixed Rate Note bears interest from (and including) the Interest Commencement Date specified in the applicable Final Terms.

If the Adjusted Fixed Rate Notes are specified in the applicable Final Terms as Resettable Notes, the Rate of Interest will initially be a fixed rate and will then be resettable as provided below:

The Rate of Interest in respect of an Interest Period will be as follows:

- (i) for each Interest Period, falling in the period from (and including) the Interest Commencement Date to (but excluding) the First Reset Date, the Initial Rate of Interest;
- (ii) for each Interest Period, falling in the period from (and including) the First Reset Date to (but excluding) the Second Reset Date or, if none, the Maturity Date, the First Reset Rate of Interest; and
- (iii) for each Interest Period, in any Subsequent Reset Period thereafter, the Subsequent Reset Rate of Interest in respect of the relevant Subsequent Reset Period.

Interest will be payable in respect of each Interest Period and in arrear on the Interest Payment Date(s) specified in the applicable Final Terms; provided that (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then:

- (1) if the applicable Final Terms specify that the clause "Business Day Convention" is stated as being "**Following Business Day Convention**", such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day; or
- (2) if the applicable Final Terms specify that the clause "Business Day Convention" is stated as being "**Modified Following Business Day Convention**", such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date (or other date) shall be brought forward to the immediately preceding Business Day; or

- (3) if the applicable Final Terms specify that the clause “Business Day Convention” is stated as being “**Preceding Business Day Convention**”, such Interest Payment Date (or other date) shall be brought forward to the immediately preceding Business Day,

and the expression “Interest Payment Date” shall be construed accordingly.

The Calculation Agent will calculate the amount of interest (the **Adjusted Fixed Rate Interest Amount**) payable on the Adjusted Fixed Rate Notes for the relevant Interest Period, by applying the Rate of Interest to the outstanding nominal amount of each Note and multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit (defined below) of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

The Calculation Agent will cause the Adjusted Fixed Rate Interest Amount for each Interest Period, and the relevant Interest Payment Date to be notified to the Issuer and any stock exchange on which the relevant Adjusted Fixed Rate Notes are for the time being listed and notice thereof to be published in accordance with Condition 13 as soon as possible after the calculation or determination thereof (provided that, in the case of notification to any stock exchange, such notice will be given by no later than the first day of the relevant Interest Period, or, if that is impossible due to the date fixed for such determination or calculation, as soon as practicable on or after such date). Each Adjusted Fixed Rate Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange on which the relevant Fixed Rate Notes are for the time being listed and to the Noteholders in accordance with Condition 13.

(b) *Interest on Floating Rate Notes*

(i) Interest Payment Dates

Each Floating Rate Note bears interest from (and including) the Interest Commencement Date specified in the applicable Final Terms, and such interest will be payable in respect of each Interest Period and in arrear on either:

- (A) the Interest Payment Date(s) in each year specified in the applicable Final Terms; or
- (B) if no Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with each Interest Payment Date specified in the applicable Final Terms an Interest Payment Date) which falls the number of months or any other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (A) in any case where Specified Periods are specified in accordance with Condition 1(i)(i)(B), the **Floating Rate Convention**, such Interest Payment Date (a) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (ii) below shall apply *mutatis mutandis* or (b) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (i) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (ii) each subsequent Interest Payment Date shall be the last Business Day in the month which falls within the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (B) the **Following Business Day Convention**, such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day; or

- (C) the **Modified Following Business Day Convention**, such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date (or other date) shall be brought forward to the immediately preceding Business Day; or
- (D) the **Preceding Business Day Convention**, such Interest Payment Date (or other date) shall be brought forward to the immediately preceding Business Day.

Notwithstanding the foregoing, where the applicable Final Terms specifies that the relevant Business Day Convention is to be applied on an **unadjusted** basis, the Interest Amount payable on any date shall not be affected by the application of such Business Day Convention.

In this Condition 3, **Business Day** means a day which is both:

- (A) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in each Additional Business Centre(s) specified in the applicable Final Terms; and
- (B) either (x) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in the principal financial centre(s) of the country of the relevant Specified Currency (if other than any Additional Business Centre and which if the Specified Currency is Australian dollars, shall be Sydney and, if the Specified Currency is Canadian dollars, shall be Montreal) or (y) in relation to any sum payable in euro, a day on which the TARGET2 System is open (a **TARGET2 Business Day**). In these Terms and Conditions, **TARGET2 System** means the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET2) System.

(ii) Rate of Interest

The Rate of Interest payable from time to time in respect of the Floating Rate Notes will be determined in the manner specified in the applicable Final Terms, which may be:

(A) ISDA Determination

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this subparagraph (A), **ISDA Rate** for an Interest Period means a rate equal to the Floating Rate that would be determined by the Fiscal Agent or any other person specified in the applicable Final Terms, under an interest rate swap transaction if the Fiscal Agent or that other person were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions (as defined below) and under which:

- (1) the Floating Rate Option is as specified in the applicable Final Terms;
- (2) the Designated Maturity is a period specified in the applicable Final Terms; and
- (3) the relevant Reset Date is the first day of that Interest Period.

For purposes of this subparagraph, **Floating Rate**, **Calculation Agent**, **Floating Rate Option**, **Designated Maturity**, **Reset Date** and **Euro-zone** have the meanings given to those terms in the 2006 ISDA Definitions published by the International Swaps and Derivatives Association, Inc. (the **ISDA Definitions**) and as amended and updated as at the Issue Date of the Notes of the relevant Series.

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, unless a higher Minimum Rate of Interest is specified in the applicable Final Terms, the Minimum Rate of Interest shall be deemed to be zero.

In the applicable Final Terms, when the paragraph "Floating Rate Option" specifies that the rate is determined by linear interpolation, in respect of an Interest Period, the Rate of Interest for such

Interest Period shall be calculated by the Calculation Agent by straight line linear interpolation by reference to two rates based on the relevant Floating Rate Option, one of which shall be determined as if the Designated Maturity were the period of time for which rates are available of next shorter length before the length of the relevant Interest Period, and the other of which shall be determined as if the maturity were the period of time for which rates are available of next longer length after the length of the relevant Interest Period.

(B) Screen Rate Determination

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (1) the offered quotation; or
- (2) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate *per annum*), for the Reference Rate(s) which appears or appear, as the case may be, on the Relevant Screen Page as at the Specified Time indicated in the applicable Final Terms (which will be 11.00 a.m., London time, in the case of the London interbank offered rate (**LIBOR**), 11.00 a.m., Brussels time, in the case of the Euro-zone interbank offered rate (**EURIBOR**) or the Specified Time in the principal financial centre of the jurisdiction of the relevant Reference Rate) on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Fiscal Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Fiscal Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

If the Relevant Screen Page is not available or if in the case of paragraph (1) above, no such offered quotation appears or, in the case of paragraph (2) above, fewer than three such offered quotations appear, in each case as at the Specified Time, the Fiscal Agent shall request the principal office of each of the Reference Banks (as defined below) to provide the Fiscal Agent with its offered quotation (expressed as a percentage rate *per annum*) for the Reference Rate at approximately the Specified Time on the Interest Determination Date in question. If two or more of the Reference Banks provide the Fiscal Agent with such offered quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of such offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Fiscal Agent.

If on any Interest Determination Date one only or none of the Reference Banks provides the Fiscal Agent with an offered quotation as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate *per annum* which the Fiscal Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Fiscal Agent by the Reference Banks or any two or more of them, at which such banks were offered, at approximately the Specified Time on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the relevant inter-bank market (which will be the London inter-bank market if the Reference Rate is LIBOR or the Euro-zone inter-bank market if the Reference Rate is EURIBOR) plus or minus (as appropriate) the Margin (if any) or, if fewer than two of the Reference Banks provide the Fiscal Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, at approximately the Specified Time on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer and the Fiscal Agent suitable for such purpose) informs the Fiscal Agent it is quoting to leading banks

in the relevant inter-bank market (which will be the London inter-bank market if the Reference Rate is LIBOR or the Euro-zone inter-bank market if the Reference Rate is EURIBOR) (or, as the case may be, the quotations of such bank or banks to the Fiscal Agent) plus or minus (as appropriate) the Margin (if any), provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period in place of the Margin relating to that last preceding Interest Period).

Reference Banks means, the office in the principal centre of the jurisdiction of the Relevant Reference Rate of four major banks in the relevant inter-bank market (which will be the principal London office of four major banks in the London inter-bank market in the case of a determination of LIBOR, and, the principal Euro-zone office of four major banks in the Euro-zone inter-bank market in the case of a determination of EURIBOR) in each case selected by the Fiscal Agent or as specified in the applicable Final Terms.

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, unless a higher Minimum Rate of Interest is specified in the applicable Final Terms, the Minimum Rate of Interest shall be deemed to be zero.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Final Terms as being other than LIBOR or, as the case may be, EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Final Terms.

In the applicable Final Terms, when the paragraph "Reference Rate" specifies that the rate is determined by linear interpolation, in respect of an Interest Period, the Rate of Interest for such Interest Period shall be calculated by the Calculation Agent by straight line linear interpolation by reference to two rates based on the relevant Reference Rate, one of which shall be determined as if the maturity were the period of time for which rates are available of next shorter length before the length of the relevant Interest Period, and the other of which shall be determined as if the maturity were the period of time for which rates are available of next longer length after the length of the relevant Interest Period.

(iii) Minimum and/or Maximum Rate of Interest and/or Rate Multiplier

Subject to the provisions of Condition 3(b)(ii)(A), if the applicable Final Terms specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of any such Interest Period determined in accordance with the provisions of paragraph (ii) is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Final Terms specifies a Maximum Rate of Interest for any Interest Period, then in the event that the Rate of Interest in respect of any such Interest Period determined in accordance with the provisions of paragraph (ii) is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

If the applicable Final Terms specifies a Rate Multiplier for any Interest Period, then the Rate of Interest in respect of any such Interest Period shall be multiplied by the relevant Rate Multiplier, subject always to the Minimum and/or Maximum Rate of Interest as described above.

If n/N or n_b/N_b is specified as the Rate Multiplier in the applicable Final Terms, the following definitions shall apply:

n means the number of calendar days in the relevant Interest Period in respect of which the Benchmark was equal to or greater than the Lower Limit and equal to or lower than the Upper Limit, in each case as determined by the Calculation Agent.

N means the total number of calendar days within the relevant Interest Period.

n_b means the number of Business Days in the relevant Interest Period in respect of which the Benchmark was equal to or greater than the Lower Limit and equal to or lower than the Upper Limit, in each case as determined by the Calculation Agent.

N_b means the total number of Business Days within the relevant Interest Period.

Lower Limit means, in respect of the relevant Interest Period, the limit specified in the applicable Final Terms.

Benchmark means, in respect of any calendar day (in respect of the definition of **n**) or, as applicable, Business Day (in respect of the definition of **n_b**) of the relevant Interest Period:

- if **USD-LIBOR** is specified as the applicable Benchmark in the Final Terms, the rate equal to the Floating Rate for such day that would be determined by the Calculation Agent under an interest rate swap transaction if it were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which the Floating Rate Option is "USD-LIBOR-BBA" (as defined in the ISDA Definitions) for a period of the Designated Maturity as specified in the applicable Final Terms (without reference to any Reset Date). If on any Benchmark Day, such rate does not appear on Reuters Screen LIBOR01 Page, USD-LIBOR will be determined by the Calculation Agent as aforesaid in accordance with the Floating Rate Option "USD-LIBOR-Reference Banks" (as defined in the ISDA Definitions) for a period of the Designated Maturity as specified in the applicable Final Terms (without reference to any Reset Date).
- if **GBP-LIBOR** is specified as the applicable Benchmark in the Final Terms, the rate equal to the Floating Rate for such day that would be determined by the Calculation Agent under an interest rate swap transaction if it were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which the Floating Rate Option is "GBP-LIBOR-BBA" (as defined in the ISDA Definitions) for a period of the Designated Maturity as specified in the applicable Final Terms (without reference to any Reset Date). If on any Benchmark Day, such rate does not appear on Reuters Screen LIBOR01 Page, GBP-LIBOR will be determined by the Calculation Agent as aforesaid in accordance with the Floating Rate Option "GBP-LIBOR-Reference Banks" (as defined in the ISDA Definitions) for a period of the Designated Maturity as specified in the applicable Final Terms (without reference to any Reset Date).
- if **EURIBOR** is specified as the applicable Benchmark in the Final Terms, the rate equal to the Floating Rate for such day that would be determined by the Calculation Agent under an interest rate swap transaction if it were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which the Floating Rate Option is "EUR-EURIBOR-Reuters" (as defined in the ISDA Definitions) for a period of the Designated Maturity as specified in the applicable Final Terms (without reference to any Reset Date). If on any Benchmark Day, such rate does not appear on Reuters Screen EURIBOR01 Page, EURIBOR will be determined by the Calculation Agent as aforesaid in accordance with the Floating Rate Option "EUR-EURIBOR-Reference Banks" (as defined in the ISDA Definitions) for a period of the Designated Maturity as specified in the applicable Final Terms (without reference to any Reset Date).
- if **EUR-CMS** is specified as the applicable Benchmark in the Final Terms, the rate equal to the Floating Rate for such day that would be determined by the Calculation Agent under an interest rate swap transaction if it were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which the Floating Rate Option is "EUR-ISDA-EURIBOR Swap Rate-11:00" (as defined in the ISDA Definitions) for a period of the Designated Maturity as specified in the applicable Final Terms (without reference to any Reset Date), and appearing on Reuters Screen ISDAFIX2 Page as at 11.00 a.m. (Frankfurt time) under the heading "EURIBOR BASIS – FRF" and above the caption "11:00 AM FRANKFURT". If on any Benchmark Day, such rate does not appear on Reuters Screen ISDAFIX2 Page, EUR-CMS will be determined by the Calculation Agent as aforesaid in

accordance with the Floating Rate Option "EUR-Annual Swap Rate-Reference Banks" (as defined in the ISDA Definitions) for a period of the Designated Maturity specified in the applicable Final Terms (without reference to any Reset Date).

- if **USD-CMS** is specified as the applicable Benchmark in the Final Terms, the rate equal to the Floating Rate for such day that would be determined by the Calculation Agent under an interest rate swap transaction if it were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which the Floating Rate Option is "USD-ISDA-Swap Rate" (as defined in the ISDA Definitions) for a period of the Designated Maturity as specified in the applicable Final Terms (without reference to any Reset Date), and appearing on Reuters Screen ISDAFIX1 Page as at 11.00 a.m. (New York time). If on any Benchmark day, such rate does not appear on Reuters Screen ISDAFIX1 Page, USD-CMS will be determined by the Calculation Agent as aforesaid in accordance with the Floating Rate Option "USD-CMS-Reference Banks" (as defined in the ISDA Definitions) for a period of the Designated Maturity as specified in the applicable Final Terms (without reference to any Reset Date).

For the purposes hereof, (i) the value of the Benchmark on any calendar day of the relevant Interest Period which is not a Benchmark Day shall be deemed to be the value ascribed to the Benchmark on the first preceding Benchmark Day and (ii) the value of the Benchmark on each of the last four TARGET2 Business Days of any Interest Period shall be deemed to be the value ascribed to the Benchmark on the fifth TARGET2 Business Day (or the Benchmark Day immediately preceding such fifth TARGET2 Business Day if such fifth TARGET2 Business Day is not a Benchmark Day) preceding the Interest Payment Date relating to such Interest Period.

Benchmark Day means, if the relevant Benchmark is:

- USD-LIBOR or GBP-LIBOR, any days (other than a Saturday or Sunday) on which banks are open for business (including dealings in foreign exchange and deposit in USD) in London;
- EURIBOR or EUR-CMS, any days (other than a Saturday or Sunday) on which the TARGET2 System is operating; and
- USD-CMS, any days (other than a Saturday or Sunday) on which banks are open for business in New York City.

Upper Limit means, in respect of the relevant Interest Period, the limit specified in the applicable Final Terms.

- (iv) Determination of Rate of Interest and calculation of Interest Amount in respect of Floating Rate Notes

The Calculation Agent will at or as soon as practicable after each time at which the Rate of Interest is to be determined in respect of a Floating Rate Note, determine the Rate of Interest for the relevant Interest Period. The Calculation Agent will notify the Fiscal Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same (but in no event later than the first Business Day after such calculation).

The Fiscal Agent will calculate the amount of interest (the **Interest Amount**) payable on the Floating Rate Notes in respect of each Note for the relevant Interest Period. Each Interest Amount shall be calculated by applying the Rate of Interest to the outstanding nominal amount of each Note, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit (defined below) of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

- (v) Notification of Rate of Interest and Interest Amount

The Fiscal Agent will cause the Rate of Interest and the Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer and any stock exchange on which the relevant Floating Rate Notes are for the time being listed and notice thereof to be published in accordance with Condition 13 as soon as possible after the calculation or determination thereof

(provided that, in the case of notification to any stock exchange, such notice will be given by no later than the first day of the relevant Interest Period or, if that is impossible due to the date fixed for such determination or calculation, as soon as practicable on or after such date). Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange on which the relevant Floating Rate Notes are for the time being listed and to the Noteholders in accordance with Condition 13.

(c) *Fixed/Floating Rate Notes*

Fixed/Floating Rate Notes may bear interest at a rate that will automatically change from a fixed rate to a floating rate, from a floating rate to a fixed rate from a fixed rate to another fixed rate or from a floating rate to another floating rate on the date set out in the applicable Final Terms.

(d) *Zero Coupon Notes*

This Condition 3 (d) applies if the Final Terms specify that the clause "*Zero Coupon Note Provisions*" is "Applicable".

The applicable Final Terms will specify the accrual yield (the **Accrual Yield**), the reference price (the **Reference Price**) and the Day Count Fraction in relation to Early Redemption Amounts and late payment (pursuant to the provisions of Conditions 5(i) and 5(l)).

Where a Zero Coupon Note becomes due and repayable and is not paid when due, the amount due and repayable (the **Amortised Face Amount**) shall be an amount equal to:

- (A) the Reference Price; and
- (B) the product of the Accrual Yield (compounded annually) being applied to the Reference Price from the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and notified in accordance with Condition 13 and 14, *mutatis mutandis*.

(e) *Accrual of Interest*

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if applicable) from the due date for its redemption unless, (i) in the case of Dematerialised Notes, on such due date or (ii) in case of Materialised Notes, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to be calculated and to accrue (both before and after judgement) at the relevant Rate of Interest until whichever is the earlier of:

- (i) the date on which all amounts due in respect of such Note have been paid; and
- (ii) five calendar days after the date on which the full amount of the moneys payable in respect of such Note has been received by the Fiscal Agent and notice to that effect has been given to the Noteholders in accordance with Condition 13.

(f) *Certain definitions relating to the calculation of interest*

In respect of the calculation of an amount of interest for any Interest Period, **Day Count Fraction** means the following (provided that, unless otherwise specified in the applicable Final Terms, the Day Count Fraction applicable to Floating Rate Notes denominated in euro shall be Actual/360):

- (i) if **Actual/Actual (ICMA)** is specified in the applicable Final Terms:

Period) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (I) the number of days in such Determination Period and (II) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; or

- (B) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:

 - II. the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year;
- (ii) if **Actual/Actual (ISDA)** or **Actual/Actual** is specified in the applicable Final Terms, the actual number of days in the Interest Period, divided by 365 (or, if any portion of that Interest Period, falls in a leap year, the sum of (I) the actual number of days in that portion of the Interest Period, falling in a leap year divided by 366 and (II) the actual number of days in that portion of the Interest Period, falling in a non-leap year divided by 365);

- (v) if **Actual/360** is specified in the applicable Final Terms, the actual number of days in the Interest Period, divided by 360;
- (vi) if **30/360, 360/360** or **Bond Basis** is specified in the applicable Final Terms and the Notes are Floating Rate Notes, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

- (v) if **30E/360** or **Eurobond Basis** is specified in the applicable Final Terms, the number of days in the Interest Period, divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

Upon any Fixed Rate Note in definitive form becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note in definitive form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. Where any Floating Rate Note is presented for redemption without all unmatured Coupons appertaining thereto, payment of all amounts due in relation to such Note shall be made only against the provision of such indemnity as the Issuer may decide.

If the due date for redemption of any Definitive Materialised Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant Definitive Materialised Note.

(d) *Payments Subject to Fiscal Laws*

All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives in any jurisdiction (whether by operation of law or agreement of the Issuer or its Agents) and the Issuer will not be liable for any taxes or duties of whatever nature imposed or levied by such laws, regulations, directives or agreements, but without prejudice to the provisions of Condition 6.

No commission or expenses shall be charged to the Noteholders or Couponholders in respect of such payments.

(e) *Payment Business Day*

If the date for payment of any amount in respect of any Note or Coupon is not a Payment Business Day, the holder thereof shall instead be entitled to payment on the next following Payment Business Day in the relevant place. In the event that any adjustment is made to the date for payment in accordance with this Condition 4(e), the relevant amount due in respect of any Note or Coupon shall not be affected by any such adjustment. For these purposes, **Payment Business Day** means a day (other than a Saturday or a Sunday) (A) (i) in the case of Dematerialised Notes, on which Euroclear France is open for business or (ii) in the case of Materialised Notes, on which banks and foreign exchange markets are open for business in the relevant place of presentation, (B) in such jurisdictions as shall be specified as **Additional Financial Centres** in the applicable Final Terms and (C) (i) in the case of a payment in a currency other than euro, where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency or (ii) in the case of a payment in euro, on which the TARGET2 System is open.

(f) *Bank*

For the purpose of this Condition 4, **Bank** means a bank in the principal financial centre of the relevant currency or, in the case of payments to be made in euro, in a city in which banks have access to the TARGET2 System.

- (v) in relation to Zero Coupon Notes, the Amortised Face Amount (as defined in Condition 3(d)); and
- (vi) any premium and any other amounts (other than interest) which may be payable by the Issuer under or in respect of the Notes.

Any reference in these Terms and Conditions to “**interest**” in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 6.

(h) *Currency unavailability*

This paragraph shall apply when payment is due to be made in respect of any Note or Coupon in the Specified Currency and the Specified Currency is not available to the Issuer due to the imposition of exchange controls, the Specified Currency's replacement or disuse or any other circumstances beyond the control of the Issuer (**Currency Unavailability**). In the event of Currency Unavailability, the Issuer will be entitled to satisfy its obligations to the holder of such Note or Coupon by making payment in euro or U.S. dollars on the basis of the spot exchange rate at which the Specified Currency is offered in exchange for euro or U.S. dollars (as applicable) in an appropriate inter-bank market at noon, Paris time, four Business Days prior to the date on which payment is due or, if such spot exchange rate is not available on that date, as of the most recent prior practicable date. Any payment made in euro or U.S. dollars (as applicable) in accordance with this paragraph will not constitute an Event of Default.

5. Redemption and Purchase

(a) Redemption at maturity

Unless previously redeemed or purchased and cancelled as provided below, each Note will be redeemed by the Issuer on the Maturity Date at its final redemption amount as specified in the applicable Final Terms in the relevant Specified Currency (which, in the case of Subordinated Notes the proceeds of which constitute Tier 2 Capital, shall be at least five (5) years after the Issue Date of the relevant Tranche) (the **Final Redemption Amount**). The Notes cannot be undated Notes.

The Final Redemption Amount shall be determined in accordance with one of the following paragraphs:

- Final Redemption Amount: at par
- Final Redemption Amount: a fixed amount per Specified Denomination or Calculation Amount.

(b) Redemption upon the occurrence of a Tax Event

(i) Redemption upon the occurrence of a Withholding Tax Event or a Special Tax Event

- (x) Upon the occurrence of a Withholding Tax Event (as defined below), the Issuer may, at any time, at its option (subject to the provisions of paragraph (g)(iii) with respect to Subordinated Notes the proceeds of which constitute Tier 2 Capital, or paragraph (g)(ii) with respect to Senior Non-Preferred Notes or paragraph (g)(i) with respect to Senior Preferred Notes, as the case may be) and having given not less than thirty (30) nor more than forty-five (45) calendar days' prior irrevocable notice to the Fiscal Agent, the Noteholders and the Couponholders, in accordance with Condition 13, redeem the outstanding Notes in whole but not in part at their Early Redemption Amount, as provided in Condition 5(i), together, if appropriate, with accrued interest to (but excluding) the date of redemption, provided that such notice shall be given no earlier than ninety (90) calendar days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Notes then due.

For the purposes of these Terms and Conditions:

A **Withholding Tax Event** means that the Issuer has or will become obliged to pay additional amounts as provided in Condition 6 as a result of any change in, or amendment to, the laws or regulations of a Tax Jurisdiction (as defined in Condition 6) or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the Issue Date of any such Notes (and such obligation cannot be avoided by the Issuer taking reasonable measures available to it).

- (y) Upon the occurrence of a Special Tax Event (as defined below) the Issuer may, at any time, at its option (subject to the provisions of paragraph (g)(iii) with respect to Subordinated Notes the proceeds of which constitute Tier 2 Capital, or paragraph (g)(ii) with respect to Senior Non-Preferred Notes or paragraph (g)(i) with respect to Senior Preferred Notes, as the case may be) and having given not less than seven (7) nor more than forty-five (45) calendar days' prior irrevocable notice to the Fiscal Agent, the Noteholders and the Couponholders, in accordance with Condition 13, redeem the outstanding Notes in whole but not in part at their Early Redemption Amount, as provided in Condition 5(i), together, if appropriate, with accrued interest to (but excluding) the date of redemption, provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable date upon which the Issuer could make such payment without withholding for such taxes.

For the purposes of these Terms and Conditions:

A **Special Tax Event** means that the Issuer would, on the occasion of the next payment of (i) in the case of Senior Preferred Notes, principal or interest or (ii) in the case of Senior Non-

Preferred Notes or Subordinated Notes, interest only, in respect of the Notes and/or the Coupons, be prevented by the law of a Tax Jurisdiction from causing payment to be made to the Noteholders or the Couponholders of the full amount then due and payable, notwithstanding the undertaking to pay additional amounts as provided in Condition 6.

(ii) Redemption upon the occurrence of a Tax Deductibility Event with respect to Subordinated Notes

Upon the occurrence of a Tax Deductibility Event (as defined below) with respect to Subordinated Notes the proceeds of which constitute Tier 2 Capital, the Issuer may, at any time, at its option (subject to the provisions of paragraph (g)(iii)) and having given not less than thirty (30) nor more than forty-five (45) calendar days' prior irrevocable notice to the Fiscal Agent, the Noteholders and the Couponholders, in accordance with Condition 13, redeem the outstanding Subordinated Notes in whole but not in part at their Early Redemption Amount, as provided in Condition 5(i), together, if appropriate, with accrued interest to (but excluding) the date for redemption, provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable date on which the Issuer could make such payment with interest payable being tax deductible for French corporate income tax (*impôts sur les bénéfices des sociétés*).

For the purposes of these Terms and Conditions:

A **Tax Deductibility Event** means that if by reason of any change in, or amendment to, the laws or regulations of a Tax Jurisdiction or any change in the application or official interpretation of such laws or regulations, or any other change in the tax treatment of the Subordinated Notes, which change or amendment becomes effective on or after the Issue Date of the Subordinated Notes, any interest payment under the Subordinated Notes was but is no longer (whether in whole or in part) tax-deductible by the Issuer for French corporate income tax (*impôts sur les bénéfices des sociétés*) purposes or the amount which was deductible by the Issuer on any interest payment under the Notes for French corporate income tax purposes, is reduced.

For the purposes of these Terms and Conditions, a Tax Deductibility Event, a Withholding Tax Event and a Special Tax Event are each referred to as a **Tax Event**.

(c) Redemption upon the occurrence of a Capital Event with respect to Subordinated Notes

Upon the occurrence of a Capital Event (as defined below) with respect to Subordinated Notes the proceeds of which constitute Tier 2 Capital, the Issuer may, at any time, at its option (subject to the provisions of paragraph (g)(iii)) and having given not less than thirty (30) nor more than forty-five (45) calendar days' prior irrevocable notice to the Fiscal Agent, the Noteholders and the Couponholders, in accordance with Condition 13, redeem the outstanding Subordinated Notes in whole but not in part at their Early Redemption Amount, as provided in Condition 5(i), together, if appropriate, with accrued interest to (but excluding) the date of redemption.

For the purposes of these Terms and Conditions:

BRRD means the Directive (2014/59/EU) of the European Parliament and of the Council establishing a framework for the recovery and resolution of credit institutions and investment firms of 15 May 2014 and published in the Official Journal of the European Union on 12 June 2014 as amended or replaced from time to time;

Capital Event means that, by reason of a change in the regulatory classification of the Notes under the Relevant Rules that was not reasonably foreseeable by the Issuer at the Issue Date of the Subordinated Notes, the Subordinated Notes are fully or partially excluded from the Tier 2 Capital of the Issuer, provided that such exclusion is not as a result of any applicable limits on the amount of Tier 2 Capital;

CRD IV means the Directive (2013/36/EU) of the European Parliament and of the Council on prudential requirements for credit institutions and investment firms dated 26 June 2013 and published in the Official Journal of the European Union on 27 June 2013, as amended or replaced from time to

time, and the Regulation (2013/575) of the European Parliament and of the Council on prudential requirements for credit institutions and investment firms dated 26 June 2013 and published in the Official Journal of the European Union on 27 June 2013, as amended or replaced from time to time (**CRR**);

Tier 2 Capital means capital which is treated as a constituent of Tier 2 by the then current requirements of the Regulator for the purposes of the Issuer as defined in Article 62 of the CRR, and as amended by Part 10 of the CRR (Article 484 *et seq.* on grandfathering).

(d) *Redemption applying only with respect to Senior Notes*

(i) **Redemption upon the occurrence of a MREL or TLAC Disqualification Event**

This Condition 5(d)(i) applies with respect to Senior Non-Preferred Notes. This Condition 5(d)(i) applies with respect to Senior Preferred Notes, if “*MREL or TLAC Disqualification Event in respect of Senior Preferred Notes*” is specified as applicable in the Final Terms.

Upon the occurrence of a MREL or TLAC Disqualification Event (as defined below) with respect to Senior Notes, the Issuer may, at any time, at its option (subject to the provisions of paragraph (g)(ii) with respect to Senior Non-Preferred Notes or paragraph (g)(i) with respect to Senior Preferred Notes, as the case may be) and having given not less than thirty (30) nor more than forty-five (45) calendar days’ prior irrevocable notice to the Fiscal Agent, the Noteholders and the Couponholders, in accordance with Condition 13, redeem the outstanding Senior Notes in whole but not in part at their Early Redemption Amount, as provided in Condition 5(i), together, if appropriate, with accrued interest to (but excluding) the date of redemption.

For the purposes of these Terms and Conditions:

MREL or TLAC Disqualification Event means that, by reason of a change in the regulatory classification of the Notes under the MREL or TLAC Requirements as implemented in French law and regulations and/or EU regulations and/or as set out in policies and/or principles of the Financial Stability Board (the **FSB**), as the case may be, that was not reasonably foreseeable by the Issuer at the Issue Date of the Senior Notes, the Senior Notes are fully or partially excluded from the eligible liabilities available to meet the MREL or TLAC Requirements (as called or defined by the then applicable regulations or MREL or TLAC criteria applicable to the Issuer). For the avoidance of doubt, the exclusion of a Series of Senior Notes from the eligible liabilities available to meet the MREL or TLAC Requirements due to the remaining maturity of such Senior Notes being less than any period prescribed thereunder, does not constitute a MREL or TLAC Disqualification Event.

MREL or TLAC Requirements means the minimum requirements for own funds and eligible liabilities and/or total loss-absorbing capacity requirements applicable to the Issuer and/or the Group referred to in the BRRD, or any other EU laws and regulations implemented in French laws and regulations as the case may be, and/or as per the FSB TLAC Term Sheet dated 9 November 2015, as amended from time to time.

(ii) **Redemption upon the occurrence of a Regulatory Event**

Upon the occurrence of a Regulatory Event (as defined below) with respect to Senior Notes, unless the Final Terms specify that such Regulatory Event is not applicable, the Issuer may, at any time, at its option (subject to the provisions of paragraph (g)(ii) with respect to Senior Non-Preferred Notes or paragraph (g)(i) with respect to Senior Preferred Notes, as the case may be) and having given not

less than thirty (30) nor more than forty-five (45) calendar days' prior irrevocable notice to the Fiscal Agent, the Noteholders and the Couponholders, in accordance with Condition 13, redeem the outstanding Senior Notes in whole but not in part at their Early Redemption Amount, as provided in Condition 5(i), together, if appropriate, with accrued interest to (but excluding) the date of redemption, if one or more of the following events (each, a Regulatory Event) occurs:

- (i) the adoption of, or any change in, any applicable law or regulation after the Issue Date of the first Tranche of a Series of Notes, or promulgation of, or any change in, the interpretation by any court, tribunal or regulatory authority with competent jurisdiction of any applicable law or regulation after the Issue Date of the first Tranche of a Series of Notes, and with applicable law or regulation for this purpose meaning any similar, related or analogous law, regulation or rule to those in Dodd-Frank, FATCA, AIFMD or EMIR (all as defined below) or any law or regulation that imposes a financial transaction tax or other similar tax which has, or may have, a material adverse effect on the Issuer or the Regulatory Event Counterparty (as defined below) as a result of, or in connection with, the issuance of the Senior Notes;
- (ii) any regulation or rule under Dodd-Frank, FATCA, AIFMD or EMIR or under any law or regulation that imposes a financial transaction tax or other similar tax which, in each case, was either not in force as at the Issue Date of the first Tranche of a Series of Notes or was in force at the Issue Date of the first Tranche of a Series of Notes but the manner of its application was not known at the Issue Date is implemented, promulgated or otherwise made known, and such implementation, promulgation or application has, or may have, a material adverse effect on the Issuer or the Regulatory Event Counterparty as a result of, or in connection with, the issuance of the Senior Notes;
- (iii) the Issuer or the Regulatory Event Counterparty is required to be regulated by any additional or alternative regulatory authority which has, or may have, a material adverse effect on the Issuer or the Regulatory Event Counterparty as a result of, or in connection with, the issuance of the Senior Notes;

(iii) Make-Whole Redemption Option

If a Make-Whole Redemption Option is specified as applicable in the Final Terms with respect to Senior Notes, the Issuer may, at its option (subject to the provisions of paragraph (g)(ii) with respect to Senior Non-Preferred Notes or paragraph (g)(i) with respect to Senior Preferred Notes, as the case may be), at any time (the **Make-Whole Redemption Date**) and having given not less than fifteen (15) nor more than thirty (30) calendar days' prior irrevocable notice (or such other notice period as specified in the applicable Final Terms) to the Fiscal Agent, the Noteholders and the Couponholders, in accordance with Condition 13, redeem the outstanding Senior Notes in whole but not in part, at their Make-Whole Redemption Amount (as defined below).

For the purposes of these Terms and Conditions:

Similar Security means a reference bond or reference bonds issued by the same issuer as the Reference Security having an actual or interpolated maturity comparable with the remaining term of the Notes that would be used, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the Notes.

The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent (or such other person specified in the applicable Final Terms) shall (in the absence of manifest error) be final and binding upon all parties.

(iv) **Residual Maturity Redemption Option**

If a Residual Maturity Redemption Option is specified as applicable in the Final Terms with respect to Senior Notes, the Issuer may, at its option (subject to the provisions of paragraph (g)(ii) with respect to Senior Non-Preferred Notes or paragraph (g)(i) with respect to Senior Preferred Notes, as the case may be), at any time, on or after the Optional Redemption Date and having given not less than fifteen (15) nor more than thirty (30) calendar days' prior irrevocable notice (or such other notice period as may be specified in the applicable Final Terms) to the Fiscal Agent, the Noteholders and the Couponholders, in accordance with Condition 13, redeem the outstanding Senior Notes, in whole but not in part, at their Optional Redemption Amount, as provided in Condition 5(h) together, if appropriate, with accrued interest to (but excluding) the date of redemption.

Any such redemption must be of a nominal amount not less than the Minimum Redemption Amount and nor more than the Maximum Redemption Amount, both as specified in the applicable Final Terms.

All Notes in respect of which any such notice is given shall be redeemed on the date specified in such notice in accordance with this Condition.

In the case of a redemption of some only of the Materialised Notes only, the notice to holders of such Materialised Notes and the Coupons shall also contain the serial numbers of the Definitive Materialised Notes to be redeemed which shall have been drawn in such place and in such manner as may be fair and reasonable in the circumstances, taking account of prevailing market practices, subject to compliance with any applicable laws and stock exchange requirements.

In the case of a partial redemption of Dematerialised Notes, the redemption may be effected, at the option of the Issuer, either (i) by reducing the nominal amount of all such Dematerialised Notes in a Series in proportion to the aggregate nominal amount redeemed or (ii) by redeeming in full some only of such Dematerialised Notes and, in such latter case, the choice between those Dematerialised Notes that will be fully redeemed and those Dematerialised Notes of any Series that will not be redeemed shall be made in accordance with Article R.213-16 of the French *Code monétaire et financier* and the provisions of the applicable Final Terms, subject to compliance with any other applicable laws and stock exchange requirements.

(f) Redemption at the Option of the Noteholders with respect to Senior Preferred Notes

If a Redemption at the Option of the Noteholders is specified as applicable in the Final Terms with respect to Senior Preferred Notes (subject to the provisions of paragraph (g)(i) as the case may be), the holders of Senior Preferred Notes may at their option, on the Optional Redemption Date(s), having given not less than fifteen (15) nor more than thirty (30) calendar days' prior irrevocable notice (or such other notice period as may be specified in the applicable Final Terms), to the Issuer in accordance with Condition 13, require the redemption of such Senior Preferred Notes.

Upon the expiry of such notice, the Issuer will redeem, in whole but not in part, such Senior Preferred Notes on the Optional Redemption Date at their Optional Redemption Amount, as provided in Condition 5(h) together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date.

Before the exercise of a Redemption at the Option of the Noteholders with respect to Senior Preferred Notes certain conditions and/or circumstances will need to be satisfied.

To exercise the right to require the redemption of Senior Preferred Notes, the holder of such Senior Preferred Note must deposit with any Paying Agent at its specified office a duly completed option exercise notice (the **Put Notice**) in the form obtained from any Paying Agent or the Registration Agent, as the case may be, within the notice period. In the case of Dematerialised Notes, the holder of such Senior Preferred Note shall transfer, or cause to be transferred, the Dematerialised Notes to be redeemed to the account of the Paying Agent specified in the Put Notice.

If the Senior Preferred Note is a Materialised Note and is held through a Clearing System, to exercise the right to require redemption of the Senior Preferred Note, the holder of such Senior Preferred Note must, within the notice period, give notice to the Fiscal Agent of such exercise in accordance with the standard procedures of the Clearing System (which may include notice being given on his instruction by such Clearing System or any common depository for them to the Fiscal Agent by electronic means) in a form acceptable to such Clearing System from time to time and, if such Senior Preferred Note is represented by a Temporary Global Certificate (as prescribed in the French Law Agency Agreement), at the same time present or procure the presentation of such Temporary Global Certificate to the Fiscal Agent for notation accordingly.

Notwithstanding the foregoing, the right to require redemption of such Senior Preferred Notes in accordance with this Condition must be exercised in accordance with the rules and procedures of the Clearing System and if there is any inconsistency between the above and the rules and procedures of the relevant Clearing System, then the rules and procedures of the relevant Clearing System shall prevail.

For the purposes of this Condition, **Clearing System** shall mean Euroclear France, Euroclear, Clearstream and/or any other clearing system or institution through which the Senior Preferred Notes are held for the time being and such shall include (where appropriate) any relevant central securities depository relating thereto.

Any Put Notice given by a holder of any Senior Preferred Note pursuant to this paragraph shall be:

- (i) irrevocable except where prior to the Optional Redemption Date an Event of Default (if any) has occurred and is continuing in which event such holder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this paragraph and instead to declare such Senior Preferred Note forthwith due and payable pursuant to Condition 8; and
- (ii) void and of no effect in relation to such Senior Preferred Note if, prior to the giving of such Put Notice by the relevant holder: (A) the Issuer had notified the Noteholders and the Couponholders of its intention to effect a partial redemption of the Notes in a Series and such Senior Preferred Note had been selected for redemption (including, without limitation, pursuant to the partial reduction in the nominal amount of all Senior Preferred Notes in a Series or the redemption in full some only of the Senior Preferred Notes in a Series), or (B) the Issuer had notified the Noteholders of its intention to redeem all of the Senior Preferred Notes in a Series then outstanding, in each case pursuant to Condition 5(d)(iii), Condition 5(d)(iv), Condition 5(d)(v) or Condition 5(e).

- Condition 5(j) (*Purchases*) and
- Condition 5(k) (*Cancellation*),

as the case may be, subject to the prior written approval of the Regulator and/or the Relevant Resolution Authority (as defined in Condition 17) (to the extent required at such date), to such redemption, purchase or cancellation (as applicable) in the circumstances in which it is entitled to do so.

(ii) With respect to Senior Non-Preferred Notes

The Senior Non-Preferred Notes may only be redeemed, purchased or cancelled (as applicable) pursuant to:

- Condition 5(b)(i) (*Redemption upon the occurrence of a Withholding Tax Event or a Special Tax Event*),
- Condition 5(d)(i) (*Redemption upon the occurrence of a MREL or TLAC Disqualification Event*),
- Condition 5(d)(ii) (*Redemption upon the occurrence of a Regulatory Event*),
- Condition 5(d)(iii) (*Make-Whole Redemption Option*),
- Condition 5(d)(iv) (*Residual Maturity Redemption Option*),
- Condition 5(d)(v) (*Clean-up Redemption Option*),
- Condition 5(e) (*Redemption at the Option of the Issuer*),
- Condition 5(j) (*Purchases*) and
- Condition 5(k) (*Cancellation*),

as the case may be, subject to the prior written approval of the Regulator and/or the Relevant Resolution Authority (as defined in Condition 17) (to the extent required at such date), to such redemption, purchase or cancellation (as applicable) in the circumstances in which it is entitled to do so.

(iii) With respect to Subordinated Notes

The Subordinated Notes the proceeds of which constitute Tier 2 Capital may only be redeemed, purchased or cancelled (as applicable) pursuant to:

- Condition 5(b) (*Redemption upon the occurrence of a Tax Event*),
- Condition 5(c) (*Redemption upon the occurrence of a Capital Event with respect to Subordinated Notes*),
- Condition 5(e) (*Redemption at the Option of the Issuer*),
- Condition 5(j) (*Purchases*) and
- Condition 5(k) (*Cancellation*),

as the case may be, if all of the following conditions are met:

- (i) the Regulator has given its prior written approval to such redemption, purchase, cancellation, substitution, variation or modification (as applicable) to the extent required at such date.

The rules under CRD IV prescribe certain conditions for the granting of permission by the Regulator to a request by the Issuer to reduce, repurchase, call or redeem subordinated notes.

In this respect, the CRR provides that the Regulator shall grant permission to a reduction, repurchase, call or redemption of subordinated notes provided that either of the following conditions is met:

- (A) on or before such reduction, repurchase, call or redemption of subordinated notes, the institution (i.e. the Issuer) replaces said subordinated notes with own funds instruments of equal or higher quality on terms that are sustainable for the Issuer's income capacity; or
- (B) the Issuer has demonstrated to the satisfaction of the Regulator that its own funds would, following such reduction, repurchase, call or redemption, exceed the capital ratios required under CRD IV by a margin that the Regulator may consider necessary on the basis set out in CRD IV for it to determine the appropriate level of capital of an institution.

In addition, the rules under CRD IV provide that the Regulator may only permit the Issuer to redeem subordinated notes before five years after the date of issuance of said subordinated notes if:

- (A) the conditions listed in paragraphs (i) or (ii) above are met; and
- (B) in the case of redemption due to the occurrence of a change in the regulatory classification of subordinated notes that would be likely to result in their exclusion from own funds or reclassification as a lower quality form of own funds (*i.e.* a Capital Event), (i) the Regulator considers such change to be sufficiently certain and (ii) the Issuer demonstrates to the satisfaction of the Regulator that such change was not reasonably foreseeable at the time of the issuance of the subordinated notes; or
- (C) in the case of redemption due to the occurrence of a change in the applicable tax treatment of subordinated notes (*i.e.* a Tax Event), the Issuer demonstrates to the satisfaction of the Regulator that such change is material and was not reasonably foreseeable at the time of issuance of the subordinated notes.

The rules under CRD IV may be modified from time to time after the date of issuance of Subordinated Notes.

- (ii) in the case of a redemption as a result of a Special Event, the Issuer has delivered a certificate signed by two (2) of its duly authorised representatives to the Fiscal Agent (and copies thereof will be available at the specified office of the Fiscal Agent during its normal business hours) not less than five (5) Business Days prior to the date set for redemption that such Special Event has occurred or will occur no more than ninety days following the date fixed for redemption, as the case may be.

(h) *Optional Redemption Amount*

For the purposes of Condition 5(d)(iv) (*Residual Maturity Redemption Option*), Condition 5(d)(v) (*Clean-up Redemption Option*), Condition 5(e) (*Redemption at the Option of the Issuer*) and/or Condition 5(f) (*Redemption at the Option of the Noteholders with respect to Senior Preferred Notes*), as the case may be, the Notes will be redeemed on any date or dates as specified in the applicable Final Terms (the **Optional Redemption Date(s)**) or on the date specified in the relevant notice as the case may be, and at the amount (the **Optional Redemption Amount**) calculated as follows:

- (i) in the case of Notes with a Final Redemption Amount equal to the Issue Price, at the Final Redemption Amount thereof; or
- (ii) in the case of Notes (other than Zero Coupon Notes) with a Final Redemption Amount which is or may be less or greater than the Issue Price at the amount specified in, or determined in the manner specified in, the applicable Final Terms or, if no such amount or manner is so specified in the applicable Final Terms, at their nominal amount; or
- (iii) in the case of Zero Coupon Notes, at an amount (the **Amortised Face Amount**) equal to the sum of:
 - (A) the Reference Price specified in the applicable Final Terms; and
 - (B) the product of the Accrual Yield specified in the applicable Final Terms (compounded annually) being applied to the Reference Price from (and including) the Issue Date to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable.
- (iv) in the case of Notes with an Optional Redemption Amount specified as “Market Value” in the applicable Final Terms, at an amount determined by the Calculation Agent, which, on the Optional Redemption Date of the Notes so redeemed, shall represent the fair market value of the Notes and shall have the effect (after taking into account the costs that cannot be avoided to redeem the fair market value to the Noteholders) of preserving for the Noteholders the economic equivalent of the obligations of the Issuer to make the payments in respect of the

Notes which would, but for such optional redemption, have fallen due after the relevant Optional Redemption Date. In respect of Notes bearing interest, notwithstanding the first paragraph of Condition 9, the Optional Redemption Amount, as determined by the Calculation Agent in accordance with this paragraph shall include any accrued interest to (but excluding) the relevant Optional Redemption Date and apart from any such interest included in the Optional Redemption Amount, no interest, accrued or otherwise, or any other amount whatsoever will be payable by the Issuer in respect of such redemption.

Where such calculation is to be made for a period of less than a full year, it shall be made on the basis of the Day Count Fraction, if applicable, specified in the applicable Final Terms.

(i) *Early Redemption Amounts*

For the purposes of Condition 5(b) (*Redemption upon the occurrence of a Tax Event*), Condition 5(c) (*Redemption upon the occurrence of a Capital Event with respect to Subordinated Notes*), Condition 5(d)(i) (*Redemption upon the occurrence of a MREL or TLAC Disqualification Event*), Condition 5(d)(ii) (*Redemption upon the occurrence of a Regulatory Event*), as the case may be, and Condition 8, the Notes will be redeemed on the date specified in the relevant notice (it being understood that such date shall be an Interest Payment Date, in the case of Floating Rate Notes) at the amount (the **Early Redemption Amount**) calculated as follows:

- (i) in the case of Notes with a Final Redemption Amount equal to the Issue Price, at the Final Redemption Amount thereof; or
- (ii) in the case of Notes (other than Zero Coupon Notes) with a Final Redemption Amount which is or may be less or greater than the Issue Price, at the amount determined and calculated pursuant to Condition 6(a); or
- (iii) in the case of Zero Coupon Notes, at an amount (the **Amortised Face Amount**) equal to the sum of:
 - (A) the Reference Price specified in the applicable Final Terms; and
 - (B) the product of the Accrual Yield specified in the applicable Final Terms (compounded annually) being applied to the Reference Price from (and including) the Issue Date to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable.
- (iv) in the case of Notes with an Early Redemption Amount specified as “Market Value” in the applicable Final Terms, at an amount determined by the Calculation Agent, which, on the due date for the redemption of the Notes, shall represent the fair market value of the Notes and shall have the effect (after taking into account the costs that cannot be avoided to redeem the fair market value to the Noteholders) of preserving for the Noteholders the economic equivalent of the obligations of the Issuer to make the payments in respect of the Notes which would, but for such early redemption, have fallen due after the relevant early redemption date. In respect of Notes bearing interest, notwithstanding the first paragraph of Condition 8, the Early Redemption Amount, as determined by the Calculation Agent in accordance with this paragraph shall include any accrued interest to (but excluding) the relevant early redemption date and apart from any such interest included in the Early Redemption Amount, no interest, accrued or otherwise, or any other amount whatsoever will be payable by the Issuer in respect of such redemption.

Where such calculation is to be made for a period of less than a full year, it shall be made on the basis of the Day Count Fraction, if applicable, specified in the applicable Final Terms.

(j) *Purchases*

The Issuer or any of its subsidiaries within the meaning of Article L.233-3 of the French *Code de commerce*, may, subject as provided in the next paragraph, at any time purchase Notes (including in

the case of Subordinated Notes the proceeds of which constitute Tier 2 Capital, for purposes other than market making) (provided that, in the case of Materialised Notes, all unmatured Coupons and unexchanged Talons relating thereto are purchased therewith) (subject to the provisions of paragraph (g)(iii) with respect to Subordinated Notes the proceeds of which constitute Tier 2 Capital, or paragraph (g)(ii) with respect to Senior Non-Preferred Notes or paragraph (g)(i) with respect to Senior Preferred Notes, as the case may be) at any price in the open market or otherwise, in accordance with applicable laws and regulations.

Notes so purchased by or on behalf of the Issuer may be held and resold in accordance with applicable laws and regulations.

In case of Subordinated Notes, the proceeds of which constitute Tier 2 Capital, the Issuer or any agent on its behalf shall have the right at all times to purchase the Subordinated Notes (provided that, in the case of Definitive Bearer Notes, all unmatured Coupons and unexchanged Talons relating thereto are purchased therewith) for market making purposes provided that the total principal amount of the Subordinated Notes so purchased (together with the principal amount of any Notes previously such purchased) does not exceed the lower of (x) 10 per cent. of the outstanding aggregate principal amount of the Subordinated Notes (including such further Subordinated Notes issued pursuant to Condition 15), or (y) 3 per cent. of the total outstanding Tier 2 Instruments of the Issuer.

“**Tier 2 Instruments**” means the instruments as defined in Article 63 of the Capital Requirements Regulation which are treated as such under the then current requirements of the Regulator, and as amended by Part 10 of the Capital Requirements Regulation (Article 484 *et seq.* on grandfathering).

(k) Cancellation

All Notes redeemed or purchased by or on behalf of the Issuer for cancellation shall be cancelled (subject to the provisions of paragraph (g)(iii) with respect to Subordinated Notes the proceeds of which constitute Tier 2 Capital, or paragraph (g)(ii) with respect to Senior Non-Preferred Notes or paragraph (g)(i) with respect to Senior Preferred Notes, as the case may be) forthwith (together with, in the case of Definitive Bearer Notes, all unmatured Coupons and Talons appertaining thereto), in the case of Bearer Notes, by surrendering each such Note (together with, in the case of Definitive Bearer Notes, all unmatured Coupons and Talons appertaining thereto) to the Fiscal Agent and, in the case of Registered Notes, by surrendering the Certificate representing such Notes to the Registrar and, in each case, if so surrendered, shall, together with all Notes redeemed by the Issuer, be cancelled forthwith (together with all unmatured Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so cancelled may not be reissued or resold and the obligations of the Issuer in respect of any such Notes shall be discharged.

(l) Late Payment on Zero Coupon Notes

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note, pursuant to this Condition 5 or upon its becoming due and repayable as provided in Condition 8, as the case may be, is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in paragraph (i)(iii) and Condition 3(d).

6. Taxation

- (a) All payments of principal, interest and other assimilated revenues by or on behalf of the Issuer in respect of any present or future Notes and/or any present or future Coupons relating thereto shall be made free and clear of, and without withholding or deduction for or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of any Tax Jurisdiction unless such withholding or deduction is required by law.

- (b) In the event that any payments of (i) principal, interest or other assimilated revenues, in the case of Senior Preferred Notes, or (ii) interest only (and not principal), in the case of Senior Non-Preferred Notes and Subordinated Notes, by or on behalf of the Issuer in respect of any present or future Notes or any present or future Coupons relating thereto are required to be withheld or deducted for, or on behalf of, any Tax Jurisdiction, the Issuer shall, to the fullest extent permitted by law, pay such additional amount as may be necessary, in order that each Noteholder or Couponholder, after withholding or deduction of such taxes, duties, assessments or governmental charges, will receive the full amount then due and payable provided that no such additional amount shall be payable with respect to any Note or Coupon:
- (i) in the case of the Materialised Notes, presented for payment by or on behalf of a holder who is liable to such taxes, duties, assessments or governmental charges in respect of such Note or related Coupon by reason of his being connected with France other than by the mere holding of such Note or Coupon; or
 - (ii) in the case of the Materialised Notes, presented for payment more than 30 calendar days after the Relevant Date (as defined below), except to the extent that the holder thereof would have been entitled to an additional amount on presenting the such Note or related Coupon for payment on such thirtieth day assuming that day to have been a Payment Business Day (as defined in Condition 4(e)); or
 - (iii) in respect of Notes which are neither admitted to trading on a Regulated Market nor offered to the public, if the applicable Final Terms indicate that no such additional amounts shall be payable; or
 - (v) where such withholding or deduction is imposed on a payment and is required to be made pursuant to treaties executed or laws enacted by Switzerland providing for the taxation of payments according to principles similar to those laid down in the former Council Directive 2003/48/EC on the taxation of savings income (as amended), in particular the principle to have a person other than the Issuer to withhold or deduct the tax, such as, without limitation, any paying agent; or
 - (v) in the case of the Materialised Notes, presented for payment by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting such Note or related Coupon to another Paying Agent in a Member State of the European Union; or
 - (vi) in case of a Special Tax Event, as described in Condition 5(b); or
 - (vii) by reason of the Noteholder being domiciled or established, or receiving payments made under the Notes on an account open, in a non-cooperative State or territory (*Etat ou territoire non coopératif*) within the meaning of article 238-0 A of French *Code général des impôts*.

In these Terms and Conditions:

- (A) **Tax Jurisdiction** means France or any political subdivision or any authority thereof or therein having power to tax; and
- (B) the **Relevant Date** means the date on which the relevant payment first becomes due, except that, if the full amount of the moneys payable has not been duly received by the Fiscal Agent (or, in the case of Materialised Notes, the holders of such Materialised Notes) on or prior to such due date, it means the date on which, the full amount of such moneys having been so received, notice to that effect is duly given to the Noteholders and the Couponholders in accordance with Condition 13.

7. Prescription

Claims against the Issuer for payment in respect of any amount due under the Notes and any Coupons related thereto shall be prescribed and become void within a period of ten years (in the case of principal) and five years (in the case of interest) after the Relevant Date (as defined in Condition 6) therefor.

8. Events of Default

(a) *Events of Default with respect to Senior Preferred Notes*

Unless otherwise specified in the applicable Final Terms, the holder of any Senior Preferred Note may give written notice to the Issuer that the Senior Preferred Notes are, and they shall accordingly forthwith become immediately due and repayable at their Early Redemption Amount, together with, if appropriate and subject as otherwise provided herein, interest accrued to the date of repayment, upon the occurrence of any of the following events (each an **Event of Default**):

- (i) default by the Issuer is made in the payment of any interest or principal due in respect of the Notes of a Series or any of them and such default continues for a period of 30 calendar days; or
- (ii) the Issuer fails to perform or observe any of its other obligations under or in respect of the Senior Preferred Notes of a Series and (except in any case where such failure is incapable of remedy when no such continuation as is hereinafter mentioned will be required) the failure continues for a period of 60 calendar days next following the service on the Issuer of a notice requiring the same to be remedied; or
- (iii) the Issuer institutes or has instituted against it by a regulator, supervisor or any similar official with primary insolvency, rehabilitative or regulatory jurisdiction over it in the jurisdiction of its incorporation or the jurisdiction of its head office, or the Issuer consents to a proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or any other similar law affecting creditors' rights, or the Issuer consents to a petition for its winding-up or liquidation by it or by such regulator, supervisor or similar official, provided that proceedings instituted or petitions presented by creditors and not consented to by the Issuer shall not constitute an Event of Default.

If so specified in the applicable Final Terms, there will be no event of default in respect of Senior Preferred Notes, and the holders of such Senior Preferred Notes and/or the holders of any related Coupons will not be able to accelerate the term of such Senior Preferred Notes and/or Coupons. In accordance with Condition 2(a)(A), if any judgment shall be issued for the judicial liquidation (*liquidation judiciaire*) of the Issuer or if the Issuer is liquidated for any other reason, the Senior Preferred Notes shall become immediately due and payable at their principal amount together with any accrued interest thereon to the date of payment, without any further formality.

(b) *Events of Default with respect to Senior Non-Preferred Notes*

Unless otherwise specified in the applicable Final Terms, in which case Condition 8(a) will be deemed to apply *mutatis mutandis* to the Senior Non-Preferred Notes, there will be no event of default in respect of Senior Non-Preferred Notes, and the holders of such Senior Non-Preferred Notes and/or the holders of any related Coupons will not be able to accelerate the term of such Senior Non-Preferred Notes and/or Coupons.

In accordance with Condition 2(a)(B), if any judgment shall be issued for the judicial liquidation (*liquidation judiciaire*) of the Issuer or if the Issuer is liquidated for any other reason, the Senior Non-Preferred Notes shall become immediately due and payable at their principal amount together with any accrued interest thereon to the date of payment, without any further formality.

(c) *No Event of Default with respect to Subordinated Notes*

There will be no event of default in respect of Subordinated Notes and Subordinated Noteholders and/or the holders of any related Coupons will not be able to accelerate the term of their Subordinated Notes and/or any related Coupons.

In accordance with Condition 2(b), if any judgment shall be issued for the judicial liquidation (*liquidation judiciaire*) of the Issuer or if the Issuer is liquidated for any other reason, the Subordinated Notes shall become immediately due and payable at their principal amount together with any accrued interest thereon to the date of payment, without any further formality.

9. Replacement of Notes, Coupons and Talons

If, in the case of any Materialised Notes, a Definitive Materialised Note (and/or any Coupon or Talon appertaining thereto) is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and stock exchange regulations at the specified office of the Fiscal Agent, in each case on payment by the claimant of the costs and expenses as may be incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if any allegedly lost, stolen or destroyed Definitive Materialised Note (and/or any Coupon or Talon appertaining thereto) is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Definitive Materialised Notes (and/or, as the case may be, Coupons or further Coupons appertaining thereto)) and otherwise as the Issuer may reasonably require. Mutilated or defaced Definitive Materialised Notes (and/or any Coupon or Talon appertaining thereto) must be surrendered before replacements will be issued.

10. Appointment of Agents

The names of the initial Fiscal Agent, the initial Redenomination Agent, the initial Consolidation Agent, the initial Calculation Agent and the other initial Paying Agent(s) and their initial specified offices are set out below (except with respect to Materialised Notes).

In relation to Notes listed on SIX Swiss Exchange, the Issuer will maintain a Principal Swiss Paying Agent having a specified office in Switzerland (which shall at all times be a bank or securities dealer that is subject to supervision by the FINMA) whose duties will be set out in the Swiss Paying Agency Agreement.

The Issuer is entitled to vary or terminate the appointment of any Agent and/or appoint additional or other Agents and/or approve any change in the specified office through which any Agent acts, provided that (except with respect to Materialised Notes) there will at all times be:

- (i) so long as the Notes are listed on any stock exchange or admitted to trading or listing by another relevant authority, a Paying Agent (which may be the Fiscal Agent) with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange; and
- (ii) a Paying Agent (which may be the **Fiscal Agent**) with a specified office in a city in continental Europe; and

Any variation, termination, appointment or change shall only take effect (other than in the case of insolvency, when it shall be of immediate effect) after not less than thirty (30) or more than forty-five (45) calendar days' prior notice thereof shall have been given to the Fiscal Agent, the Noteholders and the Couponholders (in accordance with Condition 13), which notice shall be irrevocable.

On a redenomination of the Notes of any Series pursuant to Condition 1(f) with a view to consolidating such Notes with one or more other Series of Notes, in accordance with Condition 15, the Issuer shall ensure that the same entity shall be appointed as both Redenomination Agent and Consolidation Agent in respect of both such Notes and such other Series of Notes to be so consolidated with such Notes.

11. Exchange of Talons

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet issued in respect of any Materialised Note, matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 7. Each Talon shall, for the purposes of these Terms and Conditions, be deemed to mature on the Interest Payment Date on which the final Coupon comprised in the relative Coupon sheet matures.

12. Meeting and voting provisions

In respect of meetings of, and votings by, the Noteholders, the following definitions shall apply:

- (A) references to a **General Meeting** are to a general meeting of Noteholders of all Tranches of a single Series of Notes and include, unless the context otherwise requires, any adjourned meeting thereof;
- (B) references to **Notes** and **Noteholders** are only to the Notes of the Series in respect of which a General Meeting has been, or is to be, called, and to the Notes of the Series in respect of which a Written Resolution has been, or is to be sought, and to the holders of those Notes, respectively;
- (C) **outstanding** means, in relation to the Notes of any Series, all the Notes issued other than:
 - (i) those Notes which have been purchased or redeemed and cancelled;

(a) **Contractual representation of Noteholders/No Masse**

In respect of Notes with an initial denomination of, or which can only be traded in amounts of, at least €100,000 or its equivalent in other currencies at the time of issue, and if the applicable Final Terms specify “No Masse”, the following meeting and voting provisions shall apply:

(i) *General*

Pursuant to Article L.213-6-3 I of the French *Code monétaire et financier*, (a) the Noteholders shall not be grouped in a *masse* having separate legal personality and acting in part through a representative of the noteholders (*représentant de la masse*) and in part through general meetings; however, (b) the provisions of the French *Code de commerce* (the **Code**) relating to general meetings of noteholders shall apply subject to the following:

- (A) Whenever the words “*de la masse*”, “*d’une même masse*”, “*par les représentants de la masse*”, “*d’une masse*”, “*et au représentant de la masse*”, “*de la masse intéressée*”, “*composant la masse*”, “*de la masse à laquelle il appartient*”, “*dont la masse est convoquée en assemblée*” or “*par un représentant de la masse*”, appear in the provisions of the Code relating to general meetings of noteholders, they shall be deemed to be deleted ; and

- (K) to deliberate on any other matter that relates to the common rights, actions and benefits which now or in the future may accrue with respect to the Notes.

it being specified, however, that a General Meeting may not establish any unequal treatment between the Noteholders, and that the above provisions (in particular under (H) above) are without prejudice to the powers of the Relevant Resolution Authority or the Regulator,

provided that the special quorum provisions in paragraph (vii) shall apply to any Resolution (a **Special Quorum Resolution**) for the purpose of making a modification to the Notes which would have the effect of:

- (a) modify the Maturity Date of the Notes or reduction or cancellation of the nominal amount payable at maturity; or

However, each Noteholder is a creditor of the Issuer and as such enjoys, pursuant to Article L.213-6-3 IV of the French *Code Monétaire et Financier*, all the rights and prerogatives of individual creditors in the circumstances described under (x) to (z) above, including the right to object (*former opposition*) to the transactions described under (x) to (z).

(iii) Convening of a General Meeting

A General Meeting may be held at any time on convocation by the Issuer. One or more Noteholders, holding together at least one tenth of the principal amount of the Notes outstanding, may address to the Issuer a demand for convocation of the General Meeting. If such General Meeting has not been convened within seven (7) calendar days after such demand, the Noteholders may commission one of their members to petition a competent court in Paris to appoint an agent (*mandataire*) who will call the General Meeting and determine its agenda.

Notice of the date, hour, place and agenda of any General Meeting will be given in accordance with Condition 13 not less than twenty-one (21) calendar days prior to the date of such General Meeting.

(iv) Arrangements for Voting

Each Noteholder has the right to participate in a General Meeting in person, by proxy or, in the case of Dematerialised Notes only, by correspondence or by videoconference or by any other means of telecommunication allowing the identification of participating Noteholders as provided *mutatis mutandis* by Article R.225-97 of the Code (upon referral of Article R.228-68 of the Code).

Each Note carries the right to one vote or, in the case of Notes issued with more than one Specified Denomination, one vote in respect of each multiple of the lowest Specified Denomination comprised in the principal amount of the Specified Denomination of such Note.

In accordance with Article R.228-71 of the French Commercial Code, the right of each holder of a Dematerialised Note to participate in General Meetings will be evidenced by the entries in the books of the relevant Account Holder of the name of such Noteholder as of 0:00, Paris time, on the second business day in Paris preceding the date set for the meeting of the relevant General Meeting.

(v) Chairman

The Noteholders present at a General Meeting shall choose one of their members to be chairman (the “**Chairman**”) by a simple majority of votes present or represented at such General Meeting (notwithstanding the absence of any quorum at the time of such vote). If the Noteholders fail to designate a Chairman, the Noteholder holding or representing the highest number of Notes and present at such meeting shall be appointed Chairman, failing which the Issuer may appoint a Chairman. The Chairman of an adjourned meeting need not be the same person as the Chairman of the meeting from which the adjournment took place.

(vi) Quorum, Adjournment and Voting

The quorum at any meeting for passing a Resolution shall be one or more Noteholders present and holding or representing in the aggregate not less than one twentieth in nominal amount of the Notes for the time being outstanding provided that at any meeting the business of which includes any Special Quorum Resolution, the quorum shall be one or more Noteholders present and holding or representing in the aggregate not less than two-thirds in nominal amount of the Notes for the time being outstanding.

If within 15 minutes (or such longer period not exceeding 30 minutes as the Chairman may decide) after the time appointed for any meeting a quorum is not present for the transaction of any particular business, then, subject and without prejudice to the transaction of the business (if any) for which a quorum is present, the meeting shall if convened by Noteholders be dissolved. In any other case, it shall be adjourned for a period being not less than 14 clear days nor more than 42 clear days and at a place appointed by the Chairman and approved by the Fiscal Agent. If within 15 minutes (or a longer period not exceeding 30 minutes as the Chairman may decide) after the time appointed for any adjourned meeting a quorum is not present for the transaction of any particular business, then, subject and without prejudice to the transaction of the business (if any) for which a quorum is present, the Chairman may either dissolve the meeting or adjourn it for a period, being not less than 14 clear days (but without any maximum number of clear days) and to a place as may be appointed by the Chairman (either at or after the adjourned meeting) and approved by the Fiscal Agent, and the provisions of this sentence shall apply to all further adjourned meetings.

At any adjourned meeting one or more Noteholders present (whatever the nominal amount of the Notes so held or represented by them) shall (subject as provided below) form a quorum and shall (subject as provided below) have power to pass any Resolution, any Special Quorum Resolution or other resolution and to decide upon all matters which could properly have been dealt with at the meeting from which the adjournment took place had the required quorum been present.

Notice of any adjourned meeting shall be given in accordance with Condition 13 but not less than ten (10) clear days prior to the date of a General Meetings for the approval of a Resolution other than a

Special Quorum Resolution and not less than twenty-one (21) clear days prior to the date of a meeting for the approval of a Special Quorum Resolution and the notice shall state the relevant quorum.

(vii) *Written Resolutions and Electronic Consent*

Pursuant to Article L.228-46-1 of the Code, but in respect of any Series of Dematerialised Notes only, the Issuer shall be entitled, instead of the holding of a General Meeting, to seek approval of a Resolution from the Noteholders by way of a Written Resolution. Subject to the following sentence, a Written Resolution may be contained in one document or in several documents in like form, each signed by or on behalf of one or more of the Noteholders. Pursuant to Articles L.228-46-1 and R.223-20-1 of the Code, approval of a Written Resolution may also be given by way of electronic communication allowing the identification of Noteholders (**Electronic Consent**).

Notice seeking the approval of a Written Resolution (including by way of Electronic Consent) will be given in accordance with Condition 13 not less than fifteen (15) calendar days prior to the date fixed for the passing of such Written Resolution (the **Written Resolution Date**). Notices seeking the approval of a Written Resolution will contain the conditions of form and time-limits to be complied with by the Noteholders who wish to express their approval or rejection of such proposed Written Resolution. Noteholders expressing their approval or rejection before the Written Resolution Date will undertake not to dispose of their Notes until after the Written Resolution Date.

For the purpose hereof, a **Written Resolution** means a resolution in writing signed or approved by or on behalf of the holders of not less than 90 per cent. in nominal amount of the Notes outstanding.

In the event of death, liquidation, retirement, dissolution or revocation of appointment of the Representative, such Representative will be replaced by another Representative. In the event of the

death, liquidation, retirement, dissolution or revocation of appointment of the alternate Representative, an alternate will be elected by the General Meeting.

All interested parties will at all times have the right to obtain the names and addresses of the initial Representative and the alternate Representative at the head office of the Issuer and the specified offices of any of the Paying Agents.

(iii) *General Meetings*

Each Note carries the right to one vote or, in the case of Notes issued with more than one Specified Denomination, one vote in respect of each multiple of the lowest Specified Denomination comprised in the principal amount of the Specified Denomination of such Note.

Decisions relating to General Meetings and Written Resolutions once approved will be published in accordance with Condition 13. The Masse will be governed by the provisions of the French *Code de commerce* (the **Code**) with the exception, pursuant to Article L.228-90 of the Code, of Article L.228-48, the second sentence of the first paragraph of Article L.228-71 and Articles R.228-61, R.228-63, R.228-69, R.228-79 and R.236-11, and subject to the following provisions:

(i) *Legal Personality*

The *Masse* will be a separate legal entity and will act in part through a representative (the **Representative**) and in part through a general meeting of the Noteholders (the **General Meeting**).

(ii) *Representative of the Masse*

Condition 12(b)(ii) is deemed to be reproduced here.

(iii) *General Meetings*

Condition 12(b)(iii) is deemed to be reproduced here, except for the last sentence of the last paragraph which is not applicable.

(d) **Information to Noteholders**

Each Noteholder or (if there is one) the Representative thereof will have the right, during the fifteen (15) calendar day period preceding the day of each General Meeting, and, in the case of an adjourned General Meeting or a Written Resolution, the five (5) calendar days period preceding the holding of such General Meeting or the Written Resolution Date, as the case may be, to consult or make a copy of the text of the Resolutions which will be proposed and of the reports prepared in connection with such Resolutions, all of which will be available for inspection by the relevant Noteholders at the registered office of the Issuer, at the specified offices of any of the Paying Agents and at any other place specified in the notice of the General Meeting or Written Resolution.

(e) **Expenses**

The Issuer will pay all expenses relating to the operation of the *Masse*, the calling and holding of General Meetings and seeking of a Written Resolution and, more generally, all administrative expenses resolved upon by the General Meeting or in writing by the Noteholders, it being expressly stipulated that, where the applicable Final Terms specify “No Masse” or “Contractual Masse”, no expenses may be imputed against interest payable under the Notes.

(f) **Single Masse**

Whether the applicable Final Terms specify “Full Masse” or “Contractual Masse”, the holders of Notes of the same Series, and the holders of Notes of any other Series which have been consolidated (*assimilées* for the purposes of French law) with the Notes of such first mentioned Series in accordance with Condition 15, shall, for the defence of their respective common interests, be grouped in a single *Masse*. The Representative appointed in respect of the first Tranche of any Series of Notes issued will be the Representative of the single *Masse* of all such Series.

(g) **One Noteholder**

Whether the relevant Final Terms specify “Full Masse” or “Contractual Masse”, if and for so long as the Notes of any Series are held by a single Noteholder, the provisions of this Condition will not apply. Such sole Noteholder shall hold a register of the decisions it will have taken in this capacity, shall provide copies of such decisions to the Issuer and shall make them available, upon request, to any subsequent holder of all or part of the Notes of such Series.

(h) **Miscellaneous**

In accordance with Article L.213-6-3 V of the French *Code monétaire et financier*, the Issuer has the right to amend the Terms and Conditions of the Notes with an initial denomination of, or which can only be traded in amounts of, at least €100,000, without having to obtain the prior approval of the Noteholders, in order to correct a mistake which is of a formal, minor or technical nature.

Any modification of the Conditions pursuant to the above may only be made (i) with respect to Senior Notes to the extent the Issuer has obtained the prior written consent of the Regulator and/or the Relevant Resolution Authority to the extent required at such date and (ii) with respect to Subordinated

Notes the proceeds of which constitute Tier 2 Capital, to the extent the Issuer has obtained the prior written consent of the Regulator.

13. Notices regarding Notes other than Notes listed on SIX Swiss Exchange

- (a) Subject as provided in Condition 13(c), all notices to the holders of Materialised Notes and Dematerialised Notes in bearer form shall be deemed to be validly given if published:
- (i) so long as Notes are admitted to trading on Euronext Paris, in a leading daily financial newspaper of general circulation in France (which is expected to be *Les Echos*); or
 - (ii) in a leading daily financial newspaper of general circulation in Europe (which is expected to be the *Financial Times*); or

 - (iv) on the Issuer's website (<http://prospectus.socgen.com>).

The Issuer shall also ensure that notices are duly published in a manner which complies with the rules and regulations of any stock exchange or other relevant authority on which the Notes are for the time being listed or by which they have been admitted to trading. Any such notice will be deemed to have been given (i) on the date of the first publication or, where required to be published in more than one newspaper, on the date of the first publication in all required newspaper(s) or (ii) in the case of publication on a website, on the date on which such notice is first posted on the relevant website.

- (b) Subject as provided in Condition 13(c) and Condition 13(d), all notices to the holders of Dematerialised Notes in registered form (*au nominatif*) shall be deemed to be validly given if either, (i) they are mailed to them at their respective addresses, in which case they will be deemed to have been given on the fourth weekday (being a day other than a Saturday or a Sunday) after the mailing, or, (ii) at the option of the Issuer, they are published (a) so long as such Notes are listed and admitted to trading on Euronext Paris, in a leading daily financial newspaper of general circulation in France (which is expected to be *Les Echos*), or (b) they are published in a leading daily financial newspaper of general circulation in Europe (which is expected to be the *Financial Times*) or (c) they are published in accordance with Articles 221-3 and 221-4 of the General Regulation (*Règlement Général*) of the *Autorité des marchés financiers*.
- (c) Subject as provided in Condition 13(d), notices required to be given to the holders of Dematerialised Notes (whether in registered or in bearer form) pursuant to these Terms and Conditions may be given by delivery of the relevant notice to Euroclear France, Euroclear, Clearstream and any other clearing system through which the Notes are for the time being cleared in substitution for the mailing and publication as required by Conditions 13(a) and (b).
- (d) In the case of either Condition 13(b) or Condition 13(c), the Issuer shall also ensure that notices are duly published in a manner which complies with the rules and regulations of any stock exchange or other relevant authority on which the Notes are for the time being listed or by which they have been admitted to trading.

14. Notices regarding Notes listed on SIX Swiss Exchange

So long as Notes are listed on SIX Swiss Exchange and so long as the rules of SIX Swiss Exchange so require, all notices in respect of such Notes and any related Coupons will be validly given without cost to the holders of the Notes or such Coupons through the Principal Swiss Paying Agent either

- (i) by means of electronic publication on the internet website of SIX Swiss Exchange (www.six-swiss-exchange.com), where notices are currently published under the address www.six-swiss-exchange.com/news/official_notices/search_en.html or
- (ii) otherwise in accordance with the regulations of SIX Swiss Exchange.

Any notices so given will be deemed to have been validly given on the date of such publication or if published more than once, on the first date of such publication.

References in these Conditions to notices being made in accordance with Condition 13 shall be deemed to include mutatis mutandis the terms of this Condition 14 in respect of Notes listed on SIX Swiss Exchange.

15. Further Issues and Consolidation

The Issuer may from time to time without the consent of the Noteholders or Couponholders create and issue further notes carrying rights identical in all respects to those of outstanding Notes and on the same Terms and Conditions (save for their Issue Date, Interest Commencement Date, Issue Price and/or the amount and date of the first payment of interest thereon), so that the same shall be consolidated (*assimilées* for French law purposes) and form a single Series with the outstanding Notes, provided that the terms of such outstanding Notes provide for such assimilation.

The Issuer may from time to time on any Interest Payment Date occurring on or after the date specified for a redenomination of the Notes pursuant to Condition 1(f), on giving not less than 30 calendar days prior notice to the Noteholders in accordance with Condition 13, without the consent of the Noteholders or the Couponholders, consolidate the Notes with one or more issues of other notes issued by it, whether or not originally issued in one of the European national currencies or in Euro, provided such other notes have been redenominated in Euro (if not originally denominated in Euro) and which otherwise have, in respect of all periods subsequent to such consolidation, the same terms and conditions as the Notes.

16. No Hardship

For the avoidance of doubt, the Issuer and the Noteholders acknowledge and agree that the provisions of Article 1195 of the French *Code civil* shall not apply to these Conditions.

17. Acknowledgement of Bail-In and Write-Down or Conversion Powers

By the acquisition of Notes, each Noteholder (which, for the purposes of this Condition 17, includes any current or future holder of a beneficial interest in the Notes) acknowledges, accepts, consents and agrees:

- (a) to be bound by the effect of the exercise of the Bail-in Power (as defined below) by the Relevant Resolution Authority (as defined below), which may include and result in any of the following, or some combination thereof:
 - (i) the reduction of all, or a portion, of the Amounts Due (as defined below), including on a permanent basis;
 - (ii) the conversion of all, or a portion, of the Amounts Due into shares, other securities or other obligations of the Issuer or another person (and the issue to the Noteholder of such shares, securities or obligations), including by means of an amendment, modification or variation of the terms of the Notes, in which case the Noteholder agrees to accept in lieu of its rights under the Notes any such shares, other securities or other obligations of the Issuer or another person;
 - (iii) the cancellation of the Notes; and/or

- (iv) the amendment or alteration of the maturity of the Notes or amendment of the amount of interest payable on the Notes, or the date on which the interest becomes payable, including by suspending payment for a temporary period;
- (b) that the terms of the Notes are subject to, and may be varied, if necessary, to give effect to, the exercise of the Bail-in Power by the Relevant Resolution Authority.

For these purposes, the **Amounts Due** are the prevailing outstanding amount of the Notes, and any accrued and unpaid interest on the Notes that has not been previously cancelled or otherwise is no longer due.

For these purposes, the **Bail-in Power** is any power existing from time to time under any laws, regulations, rules or requirements in effect in France, relating to the transposition of Directive 2014/59/EU of the European Parliament and of the Council of 15 May 2014 establishing a framework for the recovery and resolution of credit institutions and investment firms (as amended from time to time, the **BRRD**), including without limitation pursuant to French decree-law No. 2015-1024 dated 20 August 2015 (*Ordonnance portant diverses dispositions d'adaptation de la législation au droit de l'Union européenne en matière financière*) (as amended from time to time, the **20 August 2015 Decree Law**), Regulation (EU) No 806/2014 of the European Parliament and of the Council of 15 July 2014 establishing uniform rules and a uniform procedure for the resolution of credit institutions and certain investment firms in the framework of a Single Resolution Mechanism and a Single Resolution Fund and amending Regulation (EU) No 1093/2010 (as amended from time to time, the **Single Resolution Mechanism Regulation**), or otherwise arising under French law, and in each case the instructions, rules and standards created thereunder, pursuant to which the obligations of a Regulated Entity (or an affiliate of such Regulated Entity) can be reduced (in part or in whole), cancelled, suspended, transferred, varied or otherwise modified in any way, or securities of a Regulated Entity (or an affiliate of such Regulated Entity) can be converted into shares, other securities, or other obligations of such Regulated Entity or any other person, whether in connection with the implementation of a bail-in tool following placement in resolution or otherwise.

A reference to a **Regulated Entity** is to any entity referred to in Section I of Article L.613-34 of the French *Code monétaire et financier* as modified by the 20 August 2015 Decree Law, which includes certain credit institutions, investment firms, and certain of their parent or holding companies established in France.

A reference to the **Relevant Resolution Authority** is to the *Autorité de contrôle prudentiel et de résolution* (the **ACPR**), the Single Resolution Board established pursuant to the Single Resolution Mechanism Regulation, and/or any other authority entitled to exercise or participate in the exercise of any Bail-in Power from time to time (including the Council of the European Union and the European Commission when acting pursuant to Article 18 of the Single Resolution Mechanism Regulation).

No repayment or payment of the Amounts Due will become due and payable or be paid after the exercise of the Bail-in Power by the Relevant Resolution Authority with respect to the Issuer unless, at the time such repayment or payment, respectively, is scheduled to become due, such repayment or payment would be permitted to be made by the Issuer under the laws and regulations in effect in France and the European Union applicable to the Issuer or other members of its group.

Upon the exercise of any Bail-in Power by the Relevant Resolution Authority with respect to the Notes, the Issuer will provide a written notice to the Noteholders in accordance with Condition 13 as soon as practicable regarding such exercise of the Bail-in Power. The Issuer will also deliver a copy of such notice to the Fiscal Agent for informational purposes, although the Fiscal Agent shall not be required to send such notice to Noteholders. Any delay or failure by the Issuer to give notice shall not affect the validity and enforceability of the Bail-in Power nor the effects on the Notes described above.

Neither a cancellation of the Notes, a reduction, in part or in full, of the Amounts Due, the conversion thereof into another security or obligation of the Issuer or another person, as a result of the exercise of the Bail-in Power by the Relevant Resolution Authority with respect to the Issuer, nor the exercise of any Bail-in Power by the Relevant Resolution Authority with respect to the Notes will be an event of

default or otherwise constitute non-performance of a contractual obligation, or entitle the Noteholder to any remedies (including equitable remedies) which are hereby expressly waived.

Upon the exercise of any Bail-in Power by the Relevant Resolution Authority, the Issuer and each Noteholder (including each holder of a beneficial interest in the Notes) hereby agree that (a) the Fiscal Agent shall not be required to take any directions from Noteholders, and (b) the French Law Agency Agreement shall impose no duties upon the Fiscal Agent whatsoever, in each case with respect to the exercise of any Bail-in Power by the Relevant Resolution Authority.

Notwithstanding the foregoing, if, following the completion of the exercise of the Bail-In Power by the Relevant Resolution Authority, any Notes remain outstanding (for example, if the exercise of the Bail-In Power results in only a partial write-down of the principal of the Notes), then the Fiscal Agent's duties under the French Law Agency Agreement shall remain applicable with respect to the Notes following such completion to the extent that the Issuer and the Fiscal Agent shall agree pursuant to an amendment to the French Law Agency Agreement.

If the Relevant Resolution Authority exercises the Bail-in Power with respect to less than the total Amounts Due, unless the Fiscal Agent is otherwise instructed by the Issuer or the Relevant Resolution Authority, any cancellation, write-off or conversion made in respect of the Notes pursuant to the Bail-in Power will be made on a pro-rata basis.

The matters set forth in this Condition 18 shall be exhaustive on the foregoing matters to the exclusion of any other agreements, arrangements or understandings between the Issuer and any holder of a Note.

No expenses necessary for the procedures under this Condition 17, including, but not limited to, those incurred by the Issuer and the Fiscal Agent, shall be borne by any Noteholder.

18. Waiver of Set-Off

No holder of any Note, Receipt or Coupon may at any time exercise or claim any Waived Set-Off Rights against any right, claim, or liability the Issuer has or may have or acquire against such holder, directly or indirectly, howsoever arising (and, for the avoidance of doubt, including all such rights, claims and liabilities arising under or in relation to any and all agreements or other instruments of any sort or any non-contractual obligations, in each case whether or not relating to the Notes, Receipt or Coupon) and each such holder shall be deemed to have waived all Waived Set-Off Rights to the fullest extent permitted by applicable law in relation to all such actual and potential rights, claims and liabilities.

For the avoidance of doubt, nothing in this Condition 18 is intended to provide or shall be construed as acknowledging any right of deduction, set-off, netting, compensation, retention or counterclaim or that any such right is or would be available to any holder of any Note, Receipt or Coupon but for this Condition 18.

For the purposes of this Condition 18, "**Waived Set-Off Rights**" means any and all rights of or claims of any holder of any Note, Receipt or Coupon for deduction, set-off, netting, compensation, retention or counterclaim arising directly or indirectly under or in connection with any such Note, Receipt or Coupon.

19. Governing Law and Submission to Jurisdiction

The French Law Agency Agreement, the Swiss Paying Agency Agreement (where applicable), the Notes, the Coupons and the Talons and any non-contractual obligations arising out of or in connection with the French Law Agency Agreement, the Notes, the Coupons and the Talons are governed by, and shall be construed in accordance with, French law.

Any claim against the Issuer in connection with any Notes, Coupons or Talons and the French Law Agency Agreement and the Swiss Paying Agency Agreement (where applicable), may be brought before the competent courts in Paris.

Section B—Issuer		
		<ul style="list-style-type: none"> - renewed financial tensions in the Eurozone resulting from a return of doubts about the integrity of the region, for example in the run-up to elections in a context of rising eurosceptic political forces; - a sudden and marked rise in interest rates and volatility in the markets (bonds, equities and commodities), which could be triggered by poor communication from central banks, in particular the US Federal Reserve (Fed) or the European Central Bank (ECB), when changing monetary policy stance; - a sharp slowdown in economic activity in China, triggering capital flight from the country, depreciation pressure on the Chinese currency and, by contagion, on other emerging country currencies, as well as a fall in commodity prices; - socio-political tensions in some countries dependent on oil and gas revenues and still needing to adapt to the situation of low prices for these commodities; - worsening geopolitical tensions in the Middle East, South China Sea, North Korea or Ukraine. In the latter case, this could lead to the extension and stepping up of sanctions between Western countries and Russia, even more depressed economic activity in Russia, and a further sharp depreciation in the Rouble; - fears regarding a possible tightening of international trade barriers, in particular in large developed economies (United States or, in the context of Brexit, United Kingdom for example). <p>Laws and regulations applicable to financial institutions</p> <p>New regulatory constraints on financial institutions seek principally to limit the financial institutions' risk exposure and financial solidity and protect clients, depositors, creditors and investors, and require significant resources in order to comply with requirements as to capital adequacy and liquidity. Non-compliance with applicable laws and regulations could lead to fines, damage to the Group's reputation, forced suspension of its operations or the withdrawal of operating licences..</p>

Ces dernières pourraient conduire à une prolongation et un renforcement des sanctions entre les pays occidentaux et la Russie, un arrêt de la reprise économique en Russie et une nouvelle forte dépréciation du rouble ; - de craintes quant à un possible renforcement de barrières au commerce international, en particulier pour de grands pays développés (États-Unis ou, dans le cadre du Brexit, Royaume-Uni par exemple).

		<p>Législation et réglementations applicables aux institutions financières</p> <p>De nouvelles contraintes réglementaires imposées aux banques ayant pour objectif de limiter l'exposition aux risques, de préserver la stabilité et la solidité financière et de protéger les clients, les déposants, les créanciers et les investisseurs, nécessitent des ressources considérables pour assurer la conformité à ces exigences en matière de niveaux de capitaux propres et de liquidité réglementaires. Les évolutions structurantes en découlant pourraient peser de manière significative sur la rentabilité de certaines activités et peuvent restreindre la capacité des banques à financer l'économie. Le non-respect des lois et des réglementations applicables pourrait également se traduire par des sanctions pécuniaires, la détérioration de l'image du Groupe, la suspension forcée de ses activités ou le retrait de ses agréments.</p>

Recent Developments

Press releases:

Société Générale has published the following press releases on 27 November 2017:

“Acceleration of the adaptation of the French Retail Banking network: Exceptional charge in Q4 17

Societe Generale is embarking on a new phase in the adaptation of its French network in order to accelerate the increase in expertise and agility of its organisation aimed at serving all of its customers.

The Board of Directors met on 23 November 2017 under the chairmanship of Lorenzo Bini Smaghi to examine a plan for the reorganisation of its French network, which was submitted to the social partners today. The plan could lead to a headcount reduction of approximately 900 employees, in addition to the 2,550 already announced at the beginning of 2016, taking the total number to around 3,450 by 2020. In the spirit of the intense and constant social dialogue with respect to the transformation of the French retail networks, the Group’s Management will examine with the social partners the consequences on employment of the project, which will be based primarily on internal mobility, and also natural and voluntary departures.

This reorganisation, as well as the acceleration of the programme to overhaul certain aspects of the compliance framework, will result in the Group recording an exceptional charge of around EUR -400 million in Q4 17.

Furthermore, the Group will reflect, in its Q4 17 accounts, the effects of all the tax changes expected in Q4 17:

- The refund of the additional 3% contribution on dividends, which was rejected by the Constitutional Council
- The exceptional tax on corporate income that is planned as part of the 2017 draft finance amendment law
- The progressive reduction in the corporate tax rate of the draft 2018 budget law

The net effect of these tax changes, which are either effective or have been submitted for final promulgation, could result in the Group booking a charge of approximately EUR -170 million in Q4 17.”

“2020 STRATEGIC AND FINANCIAL PLAN “TRANSFORM TO GROW”

Societe Generale will present tomorrow its 2020 Strategic and Financial Plan at an Investor Day in Paris. Commenting on the plan, Societe Generale Chief Executive Officer, Frédéric Oudéa said:

“Our 2020 strategic plan, Transform to Grow, is based on a long-term vision of the Societe Generale Group as a trusted partner for our clients, committed to the positive transformations of our societies and economies. Our ambition is therefore to generate superior, profitable and sustainable growth. In a European banking sector undergoing radical industrial change, the Group is ready to enter into a new phase of its development and transformation.

We will rely, first and foremost, on our capacity to anticipate market trends and to innovate, in order to make client experience a competitive advantage. Our business model, centered on Europe and connected to the rest of the world, is made up of synergetic, high value-added activities, serving high potential franchises, with leading positions. Building on the coherence and the openness of our different activities, our ambition translates into five strategic and operational priorities: grow; accelerate the transformation of our businesses, particularly in digital; maintain strict cost discipline; complete the refocusing of the Group; and foster a culture of responsibility at every level of the company.

The Societe Generale Group will develop a differentiated business model, delivering dynamic growth along with an attractive dividend policy. The trust of our clients, the exceptional commitment of our staff and the total alignment of management teams with the expectations of our shareholders and stakeholders, make me very confident in our capacity to meet our targets. On that basis, Societe Generale will be in a position of strength to participate in the completion of the construction of a more integrated European banking sector.”

Note: CAGR 2016-2020 based on 2016 underlying data (cf. page 23 of press release of 2016 financial results)

THE GROUP IS READY FOR THE NEXT PHASE OF DEVELOPMENT AND TRANSFORMATION

Societe Generale successfully delivered many of the objectives of its 2014-2016 strategic plan, despite a less favorable environment than expected, notably because of low or even negative interest rates, as well as the Russian crisis.

The Group is now:

- More focused, after 45 disposals across business lines since 2014 and selective investments in growing and synergistic franchises
- More robust, with a strong capital position, an improved risk profile and enhanced independent control functions
- More resilient, with less volatile earnings and economic recovery in key countries such as Russia and Romania
- More responsible, thanks to the deployment of a Culture & Conduct programme across the entire company

The Group is thus ready to capitalize on its integrated and diversified business model to contribute positively to transformations of societies and economies in a more promising economic environment, notably in Europe.

DELIVER SUPERIOR, PROFITABLE AND SUSTAINABLE GROWTH

The Group has set five strategic and operational priorities for the next three years, which will enable it to deliver superior, profitable and sustainable growth:

- **Grow:** the Group targets EUR 3.6bn of additional revenues by 2020 (>+3% annual revenue growth 2016-2020). This growth will be generated by a series of ambitious initiatives across the whole spectrum of our high potential clients, through the development of greater segmentation and services adapted to their changing needs. This growth will be achieved while maintaining strict discipline in risk management. The structural improvement of the Group’s risk profile and risk management will lead to a cost of risk of 35-40bps in 2020, while market risk will continue to be strictly managed.
- **Transform:** accelerate transformation of all businesses and services, especially with respect to digital and with a particular emphasis on French retail banking.
- **Deliver on costs:** target a cost base less than or equal to EUR 17.8bn by 2020, notably thanks to the industrialisation of processes and the implementation of a new EUR 1.1bn savings plan by 2020, while still making the investments needed to grow the Group’s businesses. The annual increase in operating expenses will be +1.2% on average between 2016 and 2020. The Group cost/income ratio will decrease by more than one point a year on average between 2016 and 2020 to reach 63% by the end of the period, with positive jaws effects in revenues and costs for each of the three pillars of the Group.

- **Further refocus:** optimise capital allocation through the sale or closure of sub-scale and/or nonsynergetic businesses. The impact of this refocusing is estimated to be equivalent to approximately 5% of current Group risk weighted assets and has not been incorporated into financial targets. The capital freed up through this refocusing will be either profitably reallocated to businesses or returned to shareholders.
- **Foster responsibility:** implement across the Group the highest industry standards in compliance and control functions and complete the deployment of the Culture & Conduct programme, sponsored by the CEO, at every level of the company.

ENHANCE SHAREHOLDER VALUE

- **Improved profitability:** Group ROTE of ~11.5% in 2020 (corresponding to a 10% ROE)
- **Solid balance sheet:** fully-loaded CET1 to be ≥12% in 2020, annual organic capital generation of ~25bps (RWA growth ~+3% a year on average), proactive management of TLAC and leverage ratio (between 4% and 4.5%)
- **EPS growth:** increase to approximately EUR 6.50 per share in 2020
- **Competitive dividend policy:** progressive growth of the dividend, with a 50% payout ratio and a floor at EUR 2.20 per share, which will apply from 2017

ACCELERATE DIGITAL AND INNOVATION STRATEGY

Societe Generale will accelerate the digital transformation of its model in order to improve client experience, operating efficiency and security. The Group is convinced that the success of the digital transformation is based on the capacity of all businesses and functions to use new technologies alongside clients, in order to offer them new services that improve their experience. The Group has adopted a strategy focused on three aims:

- Promote innovation by favoring business autonomy and bring about cultural change by encouraging experimentation and favoring greater proximity between operational staff and IT teams. Strengthen interaction and cooperation with startups (acquisitions, direct and indirect equity investments and commercial and technical partnerships)
- Invest in new operating models, adopt new software development methods and transform information systems, while leveraging big data, open innovation and more open and flexible infrastructure

THIS OVERVIEW IS BASED ON THE LAWS IN FORCE IN FRANCE, IN THE GRAND DUCHY OF LUXEMBOURG AND IN SWITZERLAND AS OF THE DATE OF THIS BASE PROSPECTUS AND AS CURRENTLY APPLIED BY THE RELEVANT TAX AUTHORITIES AND IS SUBJECT TO ANY CHANGES IN LAW OR DIFFERENT INTERPRETATION. SUCH INFORMATION IS NOT INTENDED TO PROVIDE AN EXHAUSTIVE DESCRIPTION OF THE POTENTIAL TAX ISSUES ASSOCIATED WITH THE NOTES. ACCORDINGLY, ANY INVESTOR CONSIDERING AN INVESTMENT IN THE NOTES SHOULD OBTAIN INDEPENDENT TAX ADVICE ON THE TAXATION IMPLICATIONS FOR IT, IN EACH RELEVANT JURISDICTION, OF PURCHASING, OWNING OR DISPOSING OF ANY NOTE.

FRANCE

French withholding tax

The following is an overview of certain withholding tax considerations that may be relevant to holders of the Notes who do not hold their Notes in connection with a permanent establishment or a fixed base in France and who do not concurrently hold shares of the Issuer. Holders of the Notes who hold their Notes in connection with a permanent establishment or a fixed base in France and/or concurrently hold shares of the Issuer may be impacted by other rules not described in the present section.

Payments of interest and other assimilated revenues by or on behalf of the Issuer with respect to Notes will not be subject to the withholding tax set out under Article 125 A III of the French *Code général des impôts* unless such payments are made outside France in a non-cooperative State or territory (*Etat ou territoire non coopératif*) within the meaning of Article 238-0 A of the French *Code général des impôts* (a **Non-Cooperative State**). The list of Non-Cooperative States is published by a ministerial executive order, which is in principle updated on a yearly basis.

If such payments under the Notes are made in a Non-Cooperative State, a 75 per cent. withholding tax will be applicable (subject, where relevant, to certain exceptions and to the more favourable provisions of any applicable double tax treaty) by virtue of Article 125 A III of the French *Code général des impôts*.

Furthermore, according to Article 238 A of the French *Code général des impôts*, interest and other assimilated revenues under the Notes will not be deductible from the taxable income of the Issuer (in circumstances where it would otherwise be deductible), if they are paid or have accrued to persons domiciled or established in a Non-Cooperative State or paid into a bank account opened in a financial institution located in a Non-Cooperative State (the **Non-Deductibility**). Under certain conditions, any such non-deductible interest or other assimilated revenues may be recharacterized as constructive dividends pursuant to Articles 109 et seq. of the French *Code général des impôts*, in which case it may be subject to the withholding tax provided under Article 119 bis, 2 of the French *Code général des impôts*, at a rate of 30 per cent. (pursuant to the Finance Bill for 2018, this rate could be decreased to 12.8 per cent. for individuals as from 2018) or 75 per cent., subject, where relevant, to certain exceptions and to the more favourable provisions of the applicable double tax treaty.

Notwithstanding the foregoing, neither the 75 per cent. withholding tax nor the Non-Deductibility or the withholding tax set forth under Article 119 bis, 2 of the French *Code général des impôts* will apply in respect of a particular issue of Notes if the Issuer can prove that (i) the principal purpose and effect of such issue of Notes was not that of allowing the payments of interest or other assimilated revenues to be made in a Non-Cooperative State (the **Exception**) and (ii) in respect of the Non-Deductibility, that

the relevant interest and other assimilated revenues relate to genuine transactions and are not in an abnormal or exaggerated amount.

Pursuant to the official regulation published by the French tax authorities on 11 February 2014 (*Bulletin Officiel des Finances Publiques – Impôts BOI-RPPM-RCM-30-10-20-40, n°70, BOI-INT-DG-20-50, n° 550 & 990*) and on 20 March 2015 (*BOI-IR-DOMIC-10-20-20-60, n°10*), an issue of Notes will be deemed to have a qualifying purpose and effect, and accordingly will be able to benefit from the Exception without the Issuer having to provide any proof of the purpose and effect of such issue of Notes, if such Notes are:

- (i) offered by means of a public offer within the meaning of Article L.411-1 of the French *Code monétaire et financier* or pursuant to an equivalent offer in a State other than a Non-Cooperative State. For this purpose, an "equivalent offer" means any offer requiring the registration or submission of an offer document by or with a foreign securities market authority; or
- (ii) admitted to trading on a regulated market or on a French or foreign multilateral securities trading system provided that such market or system is not located in a Non-Cooperative State, and the operation of such market is carried out by a market operator or an investment services provider, or by such other similar foreign entity, provided further that such market operator, investment services provider or entity is not located in a Non-Cooperative State; or
- (iii) admitted, at the time of their issue, to the clearing operations of a central depository or of a securities delivery and payments systems operator within the meaning of Article L.561-2 of the French *Code monétaire et financier*, or of one or more similar foreign depositories or operators provided that such depository or operator is not located in a Non-Cooperative State.

Payments made to individuals fiscally domiciled in France

Pursuant to Article 125 A of the French *Code général des impôts* (i.e. where the paying agent (*établissement payeur*) is established in France) and subject to certain exceptions, interest and other assimilated revenues received by individuals who are fiscally domiciled (*domiciliés fiscalement*) in France are subject to a 24% withholding tax (pursuant to the Finance Bill for 2018, this rate could be decreased to 12.8 per cent. as from 2018), which is an advance payment made in respect of their personal income tax is deductible from their personal income tax liability in respect of the year in which the payment has been made. Social contributions (CSG, CRDS and other related contributions) are also levied by way of withholding tax at a global rate of 15.5 per cent. (pursuant to the Social Security Financing Bill for 2018, this rate could be increased to 17.2 per cent. as from 2018) on interest and other assimilated revenues received by individuals who are fiscally domiciled (*domiciliés fiscalement*) in France.

LUXEMBOURG

The following is an overview of certain withholding tax considerations that may be relevant to individual holders of the Notes who do not hold their Notes in connection with a permanent establishment or a fixed base in Luxembourg. The following description is based on the laws currently in force in Luxembourg, though it is not intended to be, nor should it be construed to be, legal or tax advice. Prospective investors should therefore consult their own professional advisers as to the effects of state, local or foreign laws, including Luxembourg tax law, to which they may be subject.

Withholding Tax

– Non-resident holders of Notes

Under the Luxembourg Laws dated 21 June 2005 (as amended by the law of 25 November 2014) implementing the Savings Directive in the form of interest payments and ratifying several agreements concluded between Luxembourg and certain dependent and associated territories of EU Member States (the **Territories**), since 1 January 2015, Luxembourg applies automatic exchange of information on payments of interest or similar income made or ascribed by a paying agent established

in Luxembourg to or for the immediate benefit of an individual beneficial owner or a residual entity (as defined by the Savings Directive), which are resident of, or established in, an EU Member State (other than Luxembourg) or one of the Territories, and does not apply withholding tax anymore on these payments.

Under the Luxembourg law dated 18 December 2015, a Luxembourg financial institution is required to identify reportable financial accounts held by a reportable person established in another Member State or by certain entities controlled by one or several persons established in another Member State. The reporting financial institution is required to report to the Luxembourg competent authority predefined information in relation with accounts identified as reportable financial accounts.

– **Resident holders of Notes**

Under Luxembourg general tax laws currently in force and subject to the law of 23 December 2005, as amended from time to time (including on 23 December 2016) (the **Law**), payments of interest or similar income made or ascribed by a paying agent (as defined by the Savings Directive) established in Luxembourg to or for the benefit of (i) an individual beneficial owner who is a resident of Luxembourg or (ii) certain residual entities that secure interest payments on behalf of such individuals (unless they have opted either to be treated as UCITS recognised in accordance with the Council Directive 86/611/EEC or the exchange of information regime) will be subject to a withholding tax of 20 per cent.

Pursuant to the Law, Luxembourg resident individuals, acting in the course of the management of their private wealth, can opt to self-declare and pay a 20 per cent. tax on interest payments made by paying agents located in a EU Member State other than Luxembourg, a Member State of the EEA other than an EU Member State or in a State or territory which has concluded an international agreement directly related to the Savings Directive.

The 20 per cent. withholding tax or the 20 per cent. self-declared tax will be in full discharge of income tax if the beneficial owner is an individual. Responsibility for the withholding of the tax will be assumed by the Luxembourg paying agent.

SWITZERLAND

The following is a summary only of the Issuer's understanding of current law and practice in Switzerland relating to the taxation of the Notes issued under the Programme. Because this summary does not address all tax considerations under Swiss law and as the specific tax situation of an investor cannot be considered in this context, investors are recommended to consult their personal tax advisers as to the tax consequences of the purchase, ownership, sale or redemption of and the income derived from the Notes issued under the Programme including, in particular, the effect of tax laws of any other jurisdiction.

Income Tax

Notes are held as private assets (*Privatvermögen*) by investors resident in Switzerland

Pursuant to the principles of Swiss income taxation, capital gains are in principle Swiss personal income tax exempt for (i) federal direct tax purposes if realised upon a disposal or exchange of movable and immovable private assets and for (ii) cantonal/municipal direct tax purposes if realised upon a disposal or exchange of movable private assets whereas investment income (such as, but not limited to, interest, dividends etc.) deriving from private assets is subject to Swiss personal income tax. However, any capital losses sustained in relation to private assets are not tax deductible. Hence, (i) capital gains realised upon a sale or redemption of the Notes or (ii) income derived from the Notes stemming from capital gains are in principle Swiss personal income tax exempt for an investor resident in Switzerland holding the Notes as private assets whereas investment income deriving from the Notes is in principle subject to Swiss personal income tax.

Notes are held as business assets (*Geschäftsvermögen*) by investors resident in Switzerland

Pursuant to the principles of Swiss income taxation, capital gains realised upon disposal, exchange or re-evaluation of business assets are in general subject to (i) either Swiss personal income tax with respect to individuals or (ii) to Swiss corporate income tax with respect to corporations in the same manner as any other commercial or investment income. This applies to both movable and immovable assets. However, as capital gains in relation to business assets are in principle fully taxable, it follows that capital loss in relation to business assets is tax deductible. Hence, (i) capital gains realised upon a sale, exchange, redemption or re-evaluation of the Notes or (ii) income derived from the Notes, irrespective of whether such income stems from investment income or capital gains, are in principle subject to either Swiss personal income tax with respect to an individual investor resident in Switzerland holding the Notes as business assets or subject to Swiss corporate income tax with respect to a corporate investor resident in Switzerland.

Withholding Tax

The Swiss federal withholding tax is in principle levied on income (such as, but not limited to, interest, pensions, profit distributions etc.) from, amongst others, bonds and other similar negotiable debt instruments issued by a Swiss tax resident (*Inländer*), distributions from Swiss tax resident corporations, interest on deposits with Swiss banks as well as distributions of or in connection with Swiss tax resident collective investment schemes. For Swiss federal withholding tax purposes, an individual or corporation qualifies as Swiss tax resident (*Inländer*) being subject to withholding taxation if it (i) is resident in Switzerland, (ii) has its permanent abode in Switzerland, (iii) is a company incorporated under Swiss law having its statutory seat in Switzerland, (iv) is a company incorporated under foreign law but with a registered office in Switzerland, or (v) is a company incorporated under foreign law but is managed and conducts business activities in Switzerland. Hence, as long as the Notes are not issued by an issuer qualifying as a Swiss tax resident for the purposes of the Swiss withholding tax, income derived from the Notes is in principle not subject to Swiss withholding tax.

Securities Transfer Tax

Swiss securities transfer tax is levied on the transfer of ownership against consideration of certain taxable securities (including, but not limited to, bonds) if a Swiss securities dealer is involved in the transaction. Hence, secondary market transactions in the Notes are subject to Swiss securities transfer tax, calculated on the purchase price or sales proceed, if the Notes are qualified as taxable securities, provided that a Swiss securities dealer is involved in the transaction and no exemption applies.

Automatic Exchange of Information in Tax Matters

On November 19, 2014, Switzerland signed the Multilateral Competent Authority Agreement (the **MCAA**). The MCAA is based on article 6 of the OECD/Council of Europe administrative assistance convention and is intended to ensure the uniform implementation of Automatic Exchange of Information (the **AEOI**). The Federal Act on the International Automatic Exchange of Information in Tax Matters (the **AEOI Act**) entered into force on January 1, 2017. The AEOI Act is the legal basis for the implementation of the AEOI standard in Switzerland.

The AEOI is being introduced in Switzerland through bilateral agreements or multilateral agreements. The agreements have, and will be, concluded on the basis of guaranteed reciprocity, compliance with the principle of speciality (i.e. the information exchanged may only be used to assess and levy taxes (and for criminal tax proceedings)) and adequate data protection.

Switzerland has concluded a multilateral AEOI agreement with the EU (replacing the EU savings tax agreement) and has concluded bilateral AEOI agreements with several non-EU countries.

Based on such multilateral agreements and bilateral agreements and the implementing laws of Switzerland, Switzerland will begin to collect data in respect of financial assets, including, as the case may be, Notes, held in, and income derived thereon and credited to, accounts or deposits with a paying agent in Switzerland for the benefit of individuals resident in a EU member state or in a treaty state from, depending on the effectiveness date of the agreement, 2017 or 2018, as the case may be, and begin to exchange it from 2018 or 2019.

Switzerland has signed and will sign further AEOI agreements with further countries, which, subject to ratification, will become effective on 1 January 2018 or at a later date. An up-to-date list of the AEOI agreements of Switzerland in effect or signed and becoming effective can be found on the website of the State Secretariat for International Financial Matters (the SIF).

Jurisdictions within the EEA

The selling restrictions below may not be applicable in the context of a public offer, in which case appropriate modifications will be made in the applicable Final Terms.

Prohibition of Sales to EEA Retail Investors

From 1 January 2018, unless the Final Terms in respect of any Notes specifies the “Prohibition of Sales to EEA Retail Investors” as “Not Applicable”, each Dealer has represented and agreed, and

each further Dealer appointed under the Programme will be required to represent and agree, that it has not offered, sold or otherwise made available and will not offer, sell or otherwise make available any Notes which are the subject of the offering contemplated by this Base Prospectus as completed by the Final Terms in relation thereto to any retail investor in the European Economic Area. For the purposes of this provision:

- (a) the expression "retail investor" means a person who is one (or more) of the following:
 - (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, "MiFID II"); or
 - (ii) a customer within the meaning of Directive 2002/92/EC (as amended, the "Insurance Mediation Directive"), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or
 - (iii) not a qualified investor as defined in Directive 2003/71/EC (as amended, the "Prospectus Directive"); and
- (b) the expression an "offer" includes the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes.

Prior to 1 January 2018, and from that date if the Final Terms in respect of any Notes specifies the "Prohibition of Sales to EEA Retail Investors" as "Not Applicable", in relation to each Member State of the EEA (each a **Relevant Member State**) which has implemented Directive 2003/71/EC of the European Parliament and of the Council dated 4 November 2003 on the prospectus to be published when securities are offered to the public or admitted to trading, as amended (the **Prospectus Directive**), each Dealer has represented and agreed that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the **Relevant Implementation Date**), it has not made and will not make an offer of Notes which are the subject of the offering contemplated by this Base Prospectus as completed by the final terms in relation thereto to the public in that Relevant Member State, except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Notes to the public in that Relevant Member State:

- (a) if the final terms in relation to the Notes specify that an offer of those Notes may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State (a **Non-exempt Offer**), following the date of publication of a prospectus in relation to such Notes which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, provided that (i) the Issuer has given its written consent and (ii) any such prospectus has subsequently been completed by the Final Terms contemplating such Non-exempt Offer, in accordance with the Prospectus Directive, in the period beginning and ending on the dates specified in such prospectus or final terms, as applicable;
- (b) at any time to any legal entity which is a qualified investor under the Prospectus Directive;
- (c) at any time to fewer than 150, natural or legal persons (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (d) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Notes referred to in (a) to (d) above shall require the Issuer or Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this section, the expression an "**offer of Notes to the public**" in relation to any Notes in any Relevant Member State means the communication in any form and by any means of

sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State.
